The community was saddened on Saturday evening when it became known that Mr. J. Reid had passed away. Deceased had been in ill health for some time and had a long attack of pneumonia in December. He had not so far recovered as to be out of doors again, when he caught a severe cold, which, together with his heart trouble, hastened the end. He was in his sixty-sixth year and had lived practically all his life within a few miles of Walters Falls, in Spichman township. He sold his farm, last summer and purchased a home near the United Church where he and Mrs. Reid have been living since November. A boy he attended the stone school house on the Blind Line and went to school at St. Paul's, where for some years he was on the Board of Managers. He took a very active interest in the Agricultural Society and was a valued officer for many years. As well as farming, he was engaged in the lumber business.
