The ROYAL MASTER

THE GREATEST TIRE THE WORLD HAS EVER KNOWN

The Royal Master was built without regard for cost. It is the finest tire that can be built. Its massive tread is double thick, cured by a new slow process. Its carcass is made with extra plies of web fabric. Side-walls are guarded against scuffing. The Royal Master is made oversize. Or rather, the right size for real tire economy. If you want tires that will last as long as you keep your car, then buy Royal Masters. In sale at every

Do you know why McLAUGHLIN-BUICK rides so much more comfortably than other cars? Here are three important reasons

McLAUGHLIN-BUICK'S famous Mc cantilever springs—the most expensive type of springs employed on any car in the world, coupled with the famous McLaughlin-Buick torque tube drive—are designed solely for comfort, not for transmission of power, and provide the maximum degree of riding restfulness.

McLaughlin-Buick's Lovejoy hydraulic shock absorbers... absorb the jars and jolts of the roughest roads, thus adding still further to the buoyancy of McLaughlin-Buick travel.

And McLaughlin-Buick's deep, soft seat-cushions, together with the lounging spaciousness of McLaughlin-Buick interiors, provide unequalled riding luxury for every passenger.

McLaughlin-Buick offers the highest standard of motoring comfort ever attained; and this is one vital reason why more motorists drive McLaughlin-Buicks than any other fine car.

Purchased Business in Norwood

The following item, clipped from the Hastings Star, refers to Mr. Wm. McEachnie, formerly of this place: "A business change of local interest took place in Norwood during the past week, when Tedford & McEachnie purchased the Furniture and Undertaking Business carried on by Hugh McDonald in Norwood for the past 14 years. Mr. Tedford will have charge of the sales end of the Norwood store, while Mr. Eachnie will look after the Hastings store and also the funeral directing and embalming in and around Norwood. "This new arrangement will allow for the carrying of a much larger stock and a bigger selection. Watch for advertisement giving full particulars of furniture offerings for the Spring trade."

Berkeley Shed

The proceeds of the entertainment given in the Orange Hall Berkeley, in aid of the new shed amounted to \$33.54. The hall was comfortably seated the attendees for the occasion for the condition of the roads. The program was enjoyed very much and was worth being repeated when others, unable to attend, might be present. Further subscription of ready received amount to \$25.75, leaving a balance of \$81 still owing. For such comfortable accommodation this is only a small balance which it is hoped they soon be made up.

County and District

A Junior Humane Society has been organized in Markdale. Walter Akitt of Rock Mills has tapped 2225 trees this season. The United Farmers will open an egg grading station at Markdale. The Anglican Church at Shelburne was damaged by fire a week ago Saturday. The estimated cost of the proposed pavement of Durham main street is \$67,500.00. A. W. Rowe of Dundalk purchased a Jersey cow and calf at Niagara Falls and had them delivered by express. Mrs. Abercrombie, wife of Mayor Abercrombie of Thornburg, died on Tuesday of last week after a lengthy illness. Dr. G. B. Allen has been elected mayor of the Forest to fill the vacancy caused by the resignation of Mayor Fleet. By special legislation passed by the Ontario Legislature, Owen Sound will have eight Aldermen in future instead of twelve.

OPPORTUNITY

There is an old adage to the effect that "Opportunity Knocks Once." Perhaps this is correct because, as opportunity never comes to knock, but is clamouring to get in your door, we can truthfully say that opportunity knocks but once, but opportunity comes in only when we are prepared to receive it. A Railway Company advertises for a Manager. Millions of people read the advertisement, but only one man is selected as being capable of receiving the opportunity. There will be ten thousand opportunities for ten thousand properly trained boys and girls to fill hierarchical positions in Toronto during the coming year, and there is no time that opportunity knocks hard as loud and offers the selection of positions and advancement, as during the first four months of each year. If you are contemplating a business training next Fall and are in High School now, ordinarily you have covered almost the entire work for the year and incidentally have acquired practically as much education as you will obtain by continuing until the end of June. Enter our School at the Easter Term, acquire a complete Secretarial Course, and be prepared to receive the best possible opportunity at the beginning of the New Year. WE GUARANTEE A POSITION IF YOU QUALIFY. Easter term opens April 2 and April 8. Write or phone WELLES BUSINESS COLLEGE, Orangeville, Ont.

SICKLY BOY, 7 GAINS 15 LBS.—FATHER HAPPY

"My boy, 7, would not eat. I gave him Vinol and the way he eats and plays now makes me happy. He gained 15 pounds."—J. F. Andros. Vinol is a delicious compound of cod liver oil, iron, and the very PIPST! It is often called several pounds weight to thin children or adults. Nervous, easily tired, anemic people are surprised how Vinol gives new pep, sound sleep and a big appetite. Delicious. R. S. Stephen, Druggist.
