Rev. and Mrs. Wm. Couits were called last week to Parry Sound district by the serious illness of the latter's mother. Union services were conducted by Rev. A. N. St. John in Amnesey Church in the morning and in the evening in Cooke's church.
Mr. Lavergne, Walden, is home from Knox College, having completed his course, and we understand that he will be ordained in the course of a few weeks. He will go later to charge of the Presbyterian church services.
The Sunday School officers, teachers, and those who are interested in the Markdale, Plesherton and Artemesia Sunday Schools will meet for a social evening in St. John's church, Plesherton on Monday evening, April 15th, at 8 p.m. Ladies will please bring refreshments.

Rev. C. O. Pherrill arrived from Burford and is now settled in the rectory here. Mr. Pherrill had charge of the services in Christ Church for the first time on Sunday. His services were a great success, both morning and evening. In the morning the communion service was used.
Messrs. Alex. Aitken, C. K. Armstrong, D. Campbell, Chas. Fenwick, R. Mitchell, B. McKelvey, R. Russell, E. K. Russell and W. J. Seawright of Dundalk assisted the members of the local Old Folios lodge to confer the Third degree on a class of nine candidates at the regular meeting on Monday evening. Mr. Robinson of Flesherton, a member of a Toronto lodge, was also present and assisted in the work.
On Sunday, April 14th the pupils of Cooke's Church Sunday School from 12 to 20 years of age, who did not come to school on the previous day, were invited by the writing their second annual Bible Study Test, based on the past six months and general Bible questions. This test is prepared by a committee of the United Church of Canada to whom the answer papers are sent. They are marked and returned together with certificates to all who secure 60% or over. Last year a large percentage of the scholars wrote, and a good number of certificates were secured.

The rain, which fell in torrents, on Friday night caused floods which did considerable damage throughout Ontario, but locally the only result was that several gardens and lawns were flooded and an extra supply of water was added to that already in the cellars. There was some anxiety as to the safety of the several dams on the Saugen, but all stood the test. There was a washout on the 10th con. Glendg, at Harbord, but this was not serious. The damage to bridges and culverts in several of the townships in Grey County will run into many thousands of dollars. Markdale needs a drainage system that will take care of the water in such a storm and the responsible back to Council in any movement which will provide such drainage.
