

The Strain of Modern Civilization

Falls most heavily upon the eyes—the hardest worked and most delicate organ of the body. If your back, arms or teeth ache, you do not neglect those tell tale signs of trouble. Be at least as reasonable with your delicate, overworked eyes.

CREAM

With spring approaching and another cream season at hand we again ask you for your patronage and in return we promise entire satisfaction.

During our time of operating the Markdale Creamery, on the beginning as well as to-day, our aim was to give the farmers of the community a Creamery Service that cannot be duplicated.

Our system of receiving and gathering is so arranged that it is possible for every farmer to sell much or little, summer or winter, with the least time lost after the cream leaving your place until it is received for grading, thereby receiving best results as to grade, weight and price.

Our method of pasteurization is the most satisfactory as we employ the latest privileges and advantages of the modern process. You will be convinced of this when you find your cream is as rich and pure as that of any other.

Our cream is delivered to your door as soon as the day's production is ready. It will be as fresh as the day it is produced.

For order and information refer your cream to The Markdale Creamery and Produce Co.

FOR SALE BY F. T. HILL & CO., LTD.

"You can buy my paint for much less," says the joker. But it sounds too good to be true. And it is. You do make a saving. But it doesn't last long. For it takes more than half as much again of cheap paint to finish your job than would be required with fine old S.W.P. You may pay less for the Joker's paint, but very soon you find you require much more of it. In that respect you may break even. But cheap paint doesn't stand the weather. It cracks. It peels. It doesn't last. The colors fade. Because the body—the quality—isn't there. And in two years you do the same job all over again. The cheap paint joker gets your money. He has the longest laugh. Through Paint Headquarters however, you can have the laugh on him. For here you may buy quality S.W.P. which will give you long and satisfactory service.
