How I Was Freed of Hemorrhoids
after 25 years of suffering

"I had protruding piles or hemorrhoids for over twenty-five years," writes Dr. H. S. Hussell, Graduate Veterinary Surgeon, of Upper Chaslo, N.B. "I bought medicines from all parts of the world and went under the knife twice—at Portland, Maine, and Sherbrooke, Que. I had spent hundreds of dollars and was about to go to the hospital at Campbellton, N.B., for another operation, but was in such a weakened condition that the doctor advised me to wait a few days.

"My wife happened to pick up Dr. Chase's Almanac and read about someone being freed of piles by using Dr. Chase's Ointment. I got a box, was so much better next day, that I ordered three more boxes. In one week I was able to resume my practice. It is now four years since I have felt any effect of the piles, so I feel justified in believing the relief permanent."

Dr. Chase's Ointment is the standard, time-proven treatment for piles or hemorrhoids. Dr. Hussell's experience is similar to that of many thousands of people who have been positively freed of piles by this soothing, healing, antiseptic ointment. All dealers or The Dr. A. W. Chase Medicine Co., Limited, Toronto, Canada.
