WHAT CHANCE AGAINST FIRE
HAS A ROOF LIKE THIS?

MODERN BUILDING—for permanence, low upkeep and appearance—sounds the death knell to wooden roofs. The dangers of fire to the building itself, to other buildings and to human life is rapidly being banished by metal roofs of high quality.
RE-ROOF WITH RIB ROLL
The appearance of the roofing alone has saved thousands. Whenever a roof of this material is laid in any district, it immediately secures a preference, and other who are roofing any kind of building, whether it be barn, house, garage, shop, or warehouse insist on Rib Roll.
It is made to famous Council Standard specifications.

EASY TO LAY NEW ROOFS OR OVER OLD ROOFS.
The cost of laying Rib Roll is lower than that of nearly all other types of roofing. Any man who is handy with a hammer can put it on. Its handsome appearance adds many dollars to the value of your roof.
Sendridge and rafters requirements of roof or roofs in question. Get the estimate of cost.
