Splendid, beautiful, massive and filmed at a cost of \$2,500,000, "The King of Kings" is incomparable. Endorsed by hundreds of celebrated divines and scholars and the press and public of the continent and of Europe as being the most reverent picture of the supreme tragedy of the ages. "The King of Kings" is at once an epoch making, unrivalled film epic, and undeniably without a peer in cinema history. Eighteen Stars, and 5,000 persons take part in its stupendous scenes and with a beauty, splendor and massiveness of investiture that amaze and charm, this Cecil E. De Mille screen masterpiece stands alone.

The bride-to-be of this week, Miss Myrtle Stafford, daughter of Mr. and Mrs. A. Stafford of Berkeley, was very pleasantly feted at a miscellaneous shower given in her honor by friends and relatives at the home of Mrs. E. Cook, Detroit, Mich.

**Traverston**  
(intended for last week.)  
Mr. and Mrs. Ed. Embury of Greenbank are visiting this week at the home of Mr. and Mrs. W. J. Cook.

Miss E. Wisler of Hanover and Miss Nellie Stinson of Crawford spent a few days recently with Mrs. Clifford Cook.

Mr. and Mrs. Philip Harrison and daughter, Irene, of Spinton Park Sundayed at the Nelson home.

Miss Sattelle, R.N., of Detroit spent a day last week at the Edwards home.

Mrs. Frank Twainley and son, Murray, of Welbeck spent a few days at the close of the week at the McCluskin home. Mrs. Mark Wilson and Mr. and Mrs. Jas. Wilson of Flesherton spent last Thursday at the same home.

Messrs. Ivan and W. H. Edwards spent the first of the week at the parental home.

Mr. and Mrs. Albert Kleis and family of Walkerton Sundayed at the Davis home.

Messrs. Malcolm Black and R. T. Edwards paid a business trip to Guelph last Friday.

Mrs. Will Laurence of near Durham spent the week-end with Mr. and Mrs. J. Cook.

The play entitled "Old Fashioned Mother," which was presented at Zion last Thursday evening by the Crawford folk, was a real success. The audience also enjoyed a solo by Miss Elsie Boyce and a splendid recitation by Mrs. Edgar Boyce. The proceeds of the evening amounted to \$42.00 and was equally divided between the two societies.

We suffered from extreme heat last week, then the weather turned bitter cold, but it is moderating some this week.

(This week's items) Despite the nightly frosts, fruit prospects are good.

Most farmers are a fortnight later with farm work than on average years.

Corn, mangels and potatoes were consigned to the soil last week; mixed barley and buckwheat is being sown this week on a wider acreage than usual.

The trustee board of S.S. No. 5 met one evening lately, and re-engaged Miss Edna M. Lyons for the coming teaching year at an increased salary. Miss Lyons has been wonderfully successful and the pupils are deeply attached to their teacher. (There are others, too.)

Mr. Wm. Paylor was operated on in Durham hospital on Friday morning for hernia and is progressing favorably. Dr. D. B. Jamieson operating.

Reeve T. H. Brodie and members of the Council are to be congratulated on securing a meeting of the Municipal Railway Board to be held in the township hall on June 25th, to settle knotty problems about rebuilding of three destroyed bridges on the Big Saugeen. The reeve is ever alert to the best interests of the township and the holding of the Board's meeting is largely due to his influence and foresight.

Mr. Charles McClocklin received the sad message on Sunday morning of the death of his brother, Edwin, of Durham, who passed away during the night. He has been in poor health all through the winter months.

R. T. Edwards, wife and Miss Mina with Mr. and Mrs. Ivan Edwards of Shelburne, motored to Toronto on Thursday to attend the graduating exercises of the university and to witness their son and youngest brother, William H., receive his degree of B.A.Sc. The trip through the country and around the city was a most enjoyable one; instructive as well, besides renewing the social ties with many kindred and friends. It pays to get away from the farm occasionally, though it may cause a certain amount of "tiredness" for work for a day or two. We found there were worse places than old Glenelg and some a good deal better.

Mr. R. J. Torrey, son of Mr. and Mrs. George Torrey, was operated on in Durham hospital last week for hernia and is getting along well.

Mr. James Atkinson, former resident of Glenelg and well known throughout the township, passed away at the home of his daughter, Mrs. B. Coutts in Bentinck on Saturday night. He was an uncle of Mrs. Jos. R. Edwards.

Mr. and Mrs. Ray McCrae and baby boy of Palmerston were visitors at the home of Mr. and Mrs. J. R. Edwards the first of the week.

Little Henry Williams, of Hayward's Falls has been a sufferer with jawbone trouble for sometime. An X-ray last week disclosed a tooth crosswise and two grown together.

Zion young people are to give their play, "Mother O' Mine," at Crawford in Bentinck.

Mr. and Mrs. Hugh McArthur

spent the first of the week with Mr. and Mrs. Jas. Crutchley of Dornoch. Mr. Crutchley had the misfortune to fall off his driving shed on Saturday evening and fracture a couple of ribs.
