Mrs. Catherine Walker

There passed away on Tuesday morning, June 11th, at the home of her niece, Mrs. John Wilson, Catherine Walker, widow of the late Geo. Walker, at the age of eighty-four years. The deceased had been in failing health for some years, but was not confined to her bed until a few days previous to her death.

The late Mrs. Walker's parents were Mr. and Mrs. John Walker. At the age of sixteen years she came with the family from Ireland. They settled on a farm northwest of Berkeley. Some years later she married Mr. Geo. Walker, their home being on the west back line, some miles nearer Markdale. Having farmed successfully, they retired to the village about thirty years ago. For some time after Mr. Walker's death, which occurred ten years ago, she lived alone, but later with her sister, Mrs. Andrew Love. Both becoming somewhat feeble a year ago, they closed the house here and went to spend the remainder of life with Mrs. Love's daughter and husband, Mr. and Mrs. John Wilson of Lauriston. The late Mrs. Walker was well known and highly esteemed by her many relatives and friends. There were no children. One brother, Mr. Charles Walker of Chatsworth, and a sister, Mrs. Love, survive.

The floral tributes were beautiful, showing the high esteem in which she was held by her many relatives and friends.

The funeral took place on Thursday afternoon to Markdale cemetery. Rev. A. Newton St. John conducted the services, assisted by Rev. A. Mills. The pallbearers were Mr. John Love of Toronto and Messrs. Will Love, John Whyte, John McFadden, Stephen Dineen and John Wilson.

Wodehouse

(Intended for last week.)

Mrs. E. Wilcox had a narrow escape from being seriously injured one day last week. While in the stable walking one of the cows, she fell and knocked her under the animal's standing hind leg, when the two kicked and trampled on her body. Had it not been that the servant Miss Wynne came to the scene and with good luck got hold of Mrs. Wilcox and pulled her out of reach of the animal's heels, she would in all probability have been fatally hurt. As it was she was confined to the house for several days, but at time of writing is improving, which is good news to her numerous friends here.

The annual meeting of the New England W.I. was held at the church on Thursday of last week for the election of officers and other routine business for the ensuing year. Mrs. E.
