Sir Michael O'Lwyer, formerly Lieutenant-Governor of the Punjab, is one of the best-informed and most accomplished critics of Indian affairs.

Recent inform on he has received has tended to confirm that -as he shows in the special articl below-Communist activities in India such as have lately re-sulted in riots and deaths, are or-ganized largely, it is mainly,

When the German War Lords, in April, 1917, transported Lenin "in scaled truck like a plague bacillus from Switzerland to Russia, they se cured the speedy wnfall of Tsarist of Russia from the Allied cause an the establishment in Russia of he ruthless Communist tyranny un which she is groaning to day.

But effective as German move was at the time. ti War Lords did not then realizenigh Ludendorff ruefuly admitted later-that t would recoil, on the Fatherland as boomerang. Recent cables from Berlin described vividithe Communist "according to rising which beg plan" under Moscov instructions on May 1st, and led to "state of siego!" with all the panoply of armored cars machine duns, barr ades, arsenals of arms, etc., attending a flangerous revolutionary outbreak

The quebreak is Asseved to be dir ected by a Bolsholist leader, three on Moscow and Red Army, Doubtless German efficie: n past years, against, the forces of world revolution; but some man see in the presalt disorders a vetroution for having in the world the poisonous propaganoa of the Third International. is the advanced from there the International is bei g effectively dissominated East and est and in partienlar over the British Empire.

A Nest of Indian Revolutionaries the war, by not before, a idian revolutionnries was established in Berlin, and active, a d well-subsidised the Gern Foreign Office. Their function was to keep in touch seditions dia itself, to corrupt and prisoners -at Judia, to incire the Indian Princesto whom alluring I ters prepared by ludian experts wer tuo signature of the -to revolt, and generally to prepare the Indian masses for revolution

authorities here and India: they are still active. The co lapse of Germany in the war for a time spastrated their igns. The new German governent had no direct Indian revolutionaries offered it their and supply the Soviet Union Workers hatch allegiance, which was readily ac with his technical manufacturing vessel ous in Berlin has cruits from India others by corrupting many Indian stude ts sent to Germany for technical struction. Some w of these men are probably genuine Communists: the cause tempted by e lo it that they carn their pay: They are just the type ant, possessing brains and knowledge of Judia, but lacking any moral. ense or moral retraint. Most of them are Madrasis or Bengalis.

The julicial findings in the many recent conspiracies against the British Government in India prove that brains and direction are largely ntred in Berlin.

he mysterious gure of the Bengali, M. N. Roy. (a prominent member of the Third International), flits across the stage between Berlin and working the controls which produce murders and anarchy in in-dia; and it is well known that the German Government has been giving hese Indian revolu ogaries whether ignorance of the designs or notmy inities for moving from one adquarters to another.

hese frequent trikes and sabot in Indian mills and railways, and the sanguinary out reaks in Bombay, re Pebruary have cost 200 lives. The murder of Me Saunders at La ne a few months \$50 and the bombs which wrecked the pelhi Assembly last month are cla med by them as work of the organization they direct; they even whom these and of living. individuals by petpetrated. no secret of programme. which, as advertised by the organ of their Moscow vaa and Isvestia paymasters, the P eaflets scattered "red" readcast in the I hipay strike area id the Delhi Ass bly, is to create throughout India a spirit of defiance of British authority Up to this point h the Indian Congress Swarajists, no, under the direction of Messr. Gandhi and Moti Lal Nehru, have plicly announced that there will be a general revolt against the law u ass their prepos-

cember 31 next. Lessons of the 1919 Risings Here it may be thed that Moti bel and his son, Jawal Lal, who openly and unchecked proch the subversion of British rule, las year visited Berlin on their way Moscow. The deflance of ne law will, it is hoped by the Berli conspirators, prerising on the day, cometime in 1932,

conceded by De-

terous demands ar

it not earlier, when war breaks out etween the British Empire and So Riots Is Revealed viet Russia, and the bulk of the Brit-Punjab and N. W. Frontier to resist invasion from the north.

That game was tried in the spring of 1919 when the revolutionaries shrouded their designs behind Gandhi's Civil Disobedience. It failed then because the internal risings in Bombay, Delhi and the Punjab were sup pressed before the Afghan and tribal offensive was ready.

But the revolutionaries and their Bolshevist masters will profit by that esson, and, as in 1919, the extremis political leaders in India are consciously or unconsciously playing into their hands.

Meantime they are elaborating their plans and vigorously pushing their Bolshevist propaganda from their safe Berlin .- Montreal Stan-

Loneliest Village With Six Names

One Dart-Board One Radio Set and One Motor-

Bike Nayland, Suffolk, Eng. The lonel est village in England, which can boast of six names-Wiston, Wissington, Wisson, Wisseen, Wiseton and Whiston and one motor-cycle, one inn, and one dart board, has just bre found by a reporter.

This little village, surrounded by cornfields and towering trees, has hardly changed since the old cottages were built hundreds of years ago. The village was in existence in 1066. It has no electric light, gas, or water supply, shops, telephone, or meeting hall. There is not even a village green. It shares a policeman

with three neighboring villages.

Many of the inhabitants have never been more than ten miles from home, Fore and the majority of the old farmers sy and discipline and laborers have never been inside a cinema or theatre; some have never ridden in a railway train or heard a the wireless broadcast

There is one old man who has stead- real fastly refused invitations to listen in, though hazardous 16-day voyage from declaring, with all seriousness and conviction, that wireless is the work of the devil, and that evil is bound to pulp the Ranenfjord was caught if nda of the Third befall those who have anything to do a big with it:

> Youth a State of Mind "Youth is not a time of life, it is state of mind. It is not a matter of ripe cheeks, rod lips and supple knees. It is a temper of the will a quality of the imagination, a vigor of

the emotions. "Youth means a temperamental predominance of courage over timidity, of the appetite for adventure over the love of ease. This often exists in a man of 50 more than in a boy of 20. "Nobody grows old by merely living a number of rears; people grow old only by deserting their ideals.

"Years may wrinkle the skin, but to give up enthusiasm wrinkles the "Worry, doubt, self-distrust, fear and despair-these are the long. long

years that bow the heart and turn the greening spirit back to dust. "Whether 60 or 16, there is in every human being's heart the lure of won-

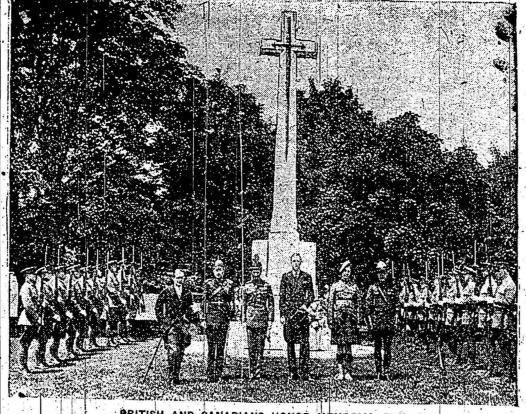

der, the unfailing, childlike appetite "We are as young as our faith, as old as our doubt; as young as our self-confidence, as old as our fear; as young as our hope, as old as our des

The Wheat Crisis

Quebec Evenement (Cons.): (Presi dent Hoover has used \$100,000,020 of treasury money to buy a hundred million bushels of wheat at a dollar a bushel. The President's policy is not a new one, for it dates from the time of Joseph, son of Jacob and Rachel, who profited by seven years of abundance to accumulate great stores of wheat to preserve Egypt from the seven years famine which he foresaw. But we have to admire the practical mind and clear vision of Mr. Coolidge's successor at Washington. By buying one hundred million bushels of wheat Mr. Hoover is not only pro tecting the American farmer, but later on he will be protecting the consum-

pare the way for Mespread Internal . To be an optimist, you have to think you have arrived before the start.
