

Markdale Bakery

During the formative years of childhood and adolescence nature's plan provides for storing up bodily resistance. This is needed in adult life to pull us through periods of sickness, worry and fatigue. Thinking parents are not blinded by claims of selfish interests, who urge that stimulants replace the known nutritive value of good food.

Going Home for Dinner

What Will Your Home-going Be Like Ten or Fifteen Years from Now?

The subject of the above sketch made proper preparation in youth by getting a thorough Business Education at the Northern Business College. This enabled him to meet the problems of life successfully and enjoy the fruits of his labor later on.

A man will go no further than his head will let it. A young man or a young woman will go no further than his or her head will allow. People do not succeed by chance or by luck but by getting a practical education and using their knowledge.

The very best place to go to get up-to-date Business Education is the Northern Business College, Owen Sound, where thousands of young people have been educated for successful business careers.

Walden - English

A wedding of interest to Markdale and vicinity took place quietly at 10.30 Wednesday morning, July 21st, in Knox College Chapel, when Miss Eva Lavinia English, daughter of Mr. and Mrs. Richard English, became the bride of Rev. B. L. Walden. The Reverend Professor J. D. Cunningham officiated in the presence of only immediate friends of the bridal pair. There were no attendants. The bride wore a becoming frock of beige lace and georgette with hat and shoes of a shade to match. The bridal couple left for a short wedding trip after the ceremony.

Rev. and Mrs. Walden will take up residence in Glenora about the first of September.

Mrs. R. S. McLaughlin

The sudden passing of Mrs. R. S. McLaughlin of Hartwood came as a great shock to her family and many friends in this locality, few of whom had heard of her illness. The deceased, who was seventy-three years of age, was in her usual health until Wednesday evening of last week, when intestinal trouble developed quite suddenly. Heart weakness, adding to the gravity of her condition, she gradually sank until the end, which occurred about 9 o'clock on Monday evening, July 29.

The late Mrs. McLaughlin was a daughter of the late William Bentham of Enniskillen, County of Durham, where she was born and lived until her marriage some forty-two years ago, since which time she and her husband have lived on a farm in the Hartwood district. She was a woman of retiring disposition and strong Christian character, one whose friendships were close and lasting. For many years she was a member of Hartwood Methodist church, now united.

Surviving are her surviving husband and son, Lloyd, on the home place; also two sisters and a brother, Mrs. John Nidery, Forest, Ontario; Mrs. Sarah Bennett and Mrs. Robert of Thornhill, Ont. The two latter also were on a motor trip to visit their sister in Ontario, and did not get home until the day of the death.

The funeral services were held at the home on Tuesday evening at 8 o'clock. A large number of relatives and friends were present. Rev. W. C. Pearce, conducted the services, the funeral readings from the words, "To me it has been Christ; to the dead it is life." Phil. 1:21, made a strong plea for deeper truth, Christian living and more highly of the life and faith of the departed.

The body was taken by motor on Wednesday morning to the family burial plot at Downsville, where interment was made.

Those from a distance who attended the funeral were Messrs. Will Bentham and Amos Bond, Miss Sabina Bentham of Thornhill, Ont.; Mr. and Mrs. Jack Maitland and Mr. John Nidery of Forest, Ont.; Mrs. Tom Bentham, Mr. and Mrs. Richard Bentham and Mrs. Wilcox, Plesherton, and Mr. and Mrs. George Cairns, Cayton; Rev. and Mrs. W. C. Pearce, Innesville.

Beautiful floral tokens bore their message of love and sympathy.

Barhead Women's Institute

Barhead Women's Institute met at the home of Mrs. John Hamilton on Thursday evening, Cherry Grove members were entertained. The meeting was opened by singing "The Maple Leaf Forever" and reciting the "Lord's Prayer." The Roll Call was answered by "Ways to help children form good habits." There were thirteen members present and ten visitors. A letter of thanks was read from Mrs. Geo. Bowles for the treat sent to her during her illness. The meeting was then taken charge of by the Cherry Grove Institute. They opened their programme by Community Singing, the first number being "A good time to get acquainted." Mrs. Bowen then favoured us with a recitation entitled "The Farmer's Life," which was a true description of his life. Mrs. E. Bradley with the violin and Mrs. Dickie on the mouth organ, accompanied by Mrs. W. E. Bradley on the piano, favoured us with a selection. A paper was then read by Mrs. Ward on "Unexpected Company." She showed there was no need for worry if we served our own family with a meal good enough for company. Every farmer's wife should have a company shelf in her pantry so that she could not be found unprepared by company. Master John Harvey and Miss Jean Dickie in costume sang a duet entitled "Put on your old grey bonnet." A paper entitled "Why and How to use Milk" was read by Mrs. Ray Bradley. She showed the strength of a nation depends on the health and strength of its individuals and this depends on the food they eat. Milk is a perfect food and is healthful, efficient and economical. The audience was then favoured by an instrumental by Mrs. Boyce and Mrs. E. Bradley, accompanied by Mrs. W. E. Bradley. Mrs. Irving then gave a reading on "Holiday Season" and brought out the fact that it is a rest season which has been carried out ever since

Jesus was on earth. A valuable paper was given on "Waste" by Miss L. Abercrombie. We waste our time, energies and opportunities on every hand by reading poor literature, by poorly constructed homes, etc. Mrs. E. Bradley and Mrs. Dickie favoured us with two duets and Master John Harvey and Miss Jean Dickie sang "Billy Boy" which was enjoyed by all. Community singing was then indulged in by all, after which the meeting was closed by singing "God Save the King."

The Barhead ladies served a dainty luncheon at the close of the meeting. The next meeting will be held on September 5th at the home of Mrs. E. Smart.

Presentation

A week ago Saturday evening several of those in the Barkeley school section called at the home of Miss Eva English, former teacher, here, and presented her with a clock and a table cloth accompanied by the following address:

To Miss Eva English,
Teacher S.S. No. 6, Holland Tp.
Dear Miss English,—

During the time you have been our teacher we have found how much you have been interested in helping us all to use our school days to prepare for later life. You have helped and guided us in our daily lessons and taught us by your own industry, kindness and unselfishness the great lesson of all—how to live a useful life. We have perhaps not always realized your interest in our welfare but we have learned to so respect you that we were confident you knew what was best for us. The success of the classes is ample evidence of your splendid work as a teacher. We are very sorry to part with you and shall always remember you not only as our teacher but as one of our best friends.

We wish you a happy and prosperous life in the place that may be yours in the future. We would ask you to accept these gifts from the pupils of S.S. No. 6, Holland, with the love which not only of the pupils but of the section.

Stated on behalf of the section,
July 27, 1929

Halbert Re-union

Halbert Re-union, held Saturday, July 27th, the attendance being about one hundred and eighty. The day was fine and everyone present had a most enjoyable time. After the sport, which consisted of base ball, horseshoe pitching, foot races, etc., the gathering was called to order by chairman R. H. Halbert, ex-M. P. of Uxbridge. The following officers were appointed for another year: President, R. H. Halbert, Uxbridge; sec.-treas., F. Halbert, Shelburne; committee—E. J. Halbert, Toronto; S. J. Halbert, Alliston; Leonard Halbert, Shelburne; Mrs. T. Henderson, Rosemont; Mrs. Harry Baker, Markdale; Mrs. John McLenn, Honeywood; Miss Mary Halbert, Alliston. Speeches were then delivered by Rev. Alex. Halbert, King City; Edgar Jamieson, ex-M. P. of Collingwood; E. J. Halbert, B.A., Toronto; H. A. Halbert, B.A., Toronto; R. H. Halbert, Uxbridge. After this everyone enjoyed lunch together in the beautiful park. It was decided that the re-union be again held in the Alliston park next year. A vote of thanks was then tendered to the town of Alliston for the use of their park, after which the crowd journeyed to their homes feeling that the day was well spent and that there will be some new features brought into effect for the 1930 re-union.

Clarksburg to Vote on Electrical Purchase

(The Review-Herald)

At a late hour last Thursday evening the contract was signed in the office of G. G. Albery, Mayor, whereby the Village Trustees of Clarksburg purchased the transmission equipment of the electrical system of Mr. Nowell Clendenan for the sum of \$5000. The final step in the transaction will be the ratification of the contract in a vote to be taken by the village ratepayers, on Monday, August 26th.

Messrs. W. O. Neely and E. Brown signed the contract, on behalf of the village of Clarksburg, which gives it possession of all poles, wires, meters, etc., and also provides for buying electrical current from Mr. Clendenan at \$50 per h. p., a much cheaper rate than the price offered by the Ontario Hydro Commission.

The money By-law, which appears elsewhere in this issue, was considered at the meeting of the Clarksburg Township Council on Friday last. The amount of the By-law was set at \$6000 which provides for a working capital in addition to cost price. There doesn't appear to be any doubt as to the outcome of the vote, owing to necessity of getting power plant and system in operation before winter sets in.

on behalf of Mr. Edmund Greenfield of Alliston and his two children, Thomas and Edna, who last October 24th, suffered damage when a pump after which he was in a bad way and on his way to the hospital, the Greenfield family were notified in regard to the damage done to the pump. The pump was destroyed by the fire. The pump was destroyed by the fire. The pump was destroyed by the fire.

How to Pick a Wife

When you begin the search for a wife, you should watch her peevish, clinging and boiling potatoes. If she peels the potatoes, cutting thick rims, she is extravagant. If she leaves the eye-balls, she is lazy. If she uses a great deal of fat while cooking vegetable substances, and if she allows it to burn, she is negligent. On the other hand, if she is a good cook, she is a good wife. The saving of these revealing pitfalls, the man should marry her whether she be poor, or poor or pretty, for she will prove a good friend and wife, and bring him prosperity and happiness.

Must Stay With Your Bid

After bidding on an article at a farm auction sale the purchaser cannot change his mind. He must take it and pay for it. This is in effect, the ruling of Judge Tompkins in the Division Court at Whitby recently. Edgar Storey, sued Chris. Yakely for the price of a potato digger which had been sold by auction to Yakely.
