How a Dream Made Her Taste Attractive
Not once upon a time but a real Mrs. Average Homemaker wanted to make her table particularly attractive she served Dream. The care of these many different kinds of Dreams for this particular one is a sandwich—deliciously palatable and easy-to-make.
You too will wish to serve Dreams. Light, delicious sandwiches made of Good Bread and you will wish to serve many different kinds.
For the next few weeks, in this newspaper, we are going to publish some famous sandwich recipes.
Clip them—paste them up in a book. You will have a list of sandwich recipes that will make you at once the envy and despair of everyone who only knows two or three stock ways of serving sandwiches.
Another beauty of our sandwich recipes is their practicality. They are just mighty good ways of making mighty good sandwiches. Watch this newspaper—for the Dream Recipes.
