## BOYS

At last, the Steam Engine is here, with  
Buzz-saw, Grindstone and Trip Ham-  
mers, all ready to steam up.

We regret that some of the boys misunderstood  
our first advertisement as there is only one  
steam engine given away, but Oh Boy,  
it's a dandy and is valued at \$6.50.

HOW YOU GET IT

Ask your parents, relatives and friends to gather  
up all their watches, clocks and jewellery that  
has been lying idle, and have them repaired and  
to vote for you

For every cent they spend on these repairs you  
will be given a vote. For example: A ten cent  
repair, 10 votes; a fifty cent repair, 50 votes,  
and so on.

Likewise you can make votes on any purchase  
they may make. For example: Ten cents worth  
of sewing machine needles, 10 votes; \$1.75 watch  
175 votes; a \$35.00 china dinner set, 3500 votes,  
and so on.

### RULES

Be sure and have your name and address entered in the  
contest book at our store.

Be sure to tell them who to vote for, giving your full  
name.

Be sure to tell them where to come.

No one must stand at our door to solicit votes as this will  
disqualify him.

We have held the contest back in order that the rural  
boys will have the same chance as the boys in town, so come  
on boys and get your votes started.

See the complete engine in our window.

## Your Jeweller, H. McInnis

The date for the end of the contest will be announced later, as  
we may add a second and third prize if you boys make this a  
good contest. Winner must have 3000 votes. The standing  
of the three highest competitors will be announced each week.

## Tinker! Tailor!

The Butcher, The Baker,  
The Candle-stick Maker

No matter what your vocation—

Whether Tradesman, Clerk, Labourer, Banker  
or Lawyer, you are, almost without exception,  
dependent on your local community for your  
living. The more you are dependent on local  
support, the more you should support the com-  
munity yourself.

If you are selling, either goods or service, you  
cannot expect to get full confidence and support  
if you are buying elsewhere, the things you can  
buy at Home. You cannot put the assurance  
and pep into your talk and advertising if you do  
not practice what you preach.

You would benefit; the whole community would  
benefit.

**J. E. ENGLAND**

THE BAKER, would benefit.

We are not asking for your patronage merely  
for sentiment. The Quality and Purity of  
everything is guaranteed.

### Eugenia

On Monday evening there was a  
splendid meeting of the Conserva-  
tive party, although there was not  
a large turnout owing to the fact  
that the meeting was not advertised  
very thoroughly. Several did not  
know that there was a meeting until  
it was over. It is a meeting that  
had been sent to each school and  
distributed to the children to take  
home, the meeting would have been  
well advertised. The first speaker  
of the evening was Mr. Winslow  
Kernahan of Owen Sound. This  
young man delivered a remarkable  
speech. We give Winslow credit for  
the interest he takes for the best  
government. He spoke on the many  
good things that have come from the  
Ferguson Government, as: "Good  
roads, reduction on farm loans from  
6% to 5%, old age pension (for  
those who really need it) etc. He  
explained Hydro extension. He said  
Gov't Control had its defects but to  
give them another term to correct  
those defects. The O.T.A. had a term  
of 10 years, then it was turned down  
by the people for Gov't Control.  
Premier Ferguson has promised to  
make the C. C. without a flaw if  
possible. Talk about so many car  
accidents under Gov't Control; but  
these accidents are not all due to  
liquor, no not all. Compare the  
number of cars now to the number  
during the regime of the O.T.A. Why  
wouldn't there be more accidents if  
there was no liquor? There are  
many drivers pay no attention to  
speed. The speaker said the only  
way we would have an influence  
with the Gov't was to send a man  
that would have the leader and the  
majority at his back and that was  
to vote for our Conservative candi-  
date, Mr. Nelson Perdue, who is a  
strict temperance man and a farm-  
er. The next word from was Dr.  
Zambell of Markdale, who spoke  
well on the Ferguson policy. He said  
that Markdale has improved greatly  
since the Gov't Control came in  
force; there was one empty bottle  
found there to twenty during the  
days of the O.T.A. He said that  
people now get liquor by permit  
whereas they had to lie to get it  
under O.T.A. Mr. Stewart of Mark-  
dale delivered a brief but emphatic  
address. Under the Conservative  
Gov't we have Hon. J. Martin, Minis-  
ter of Agr., with whom no fault can  
be found, as he uses untiring efforts  
to bring agriculture to its best. Mr.  
Perdue was the last speaker and did  
not give us a long address as it was  
late when he arrived from Kimberley  
where he had held a meeting. He  
spoke on development of the Prov-  
ince under Conservative Govern-  
ment. In referring to L.C.A. he said  
that when it was proposed the ac-  
cidents could not be seen in advance  
and those defects which arose could  
now be corrected and to give it a  
trial as long as the O.T.A. had, and  
if it was not effective in every way  
to discard it for something more suit-  
able. All speakers said that they  
would like everybody to vote for the  
Gov't which was for the betterment  
of the Province and that was the  
Conservative Gov't.

We are sorry to report Mr. J. H.  
Duckett very ill at time of writing.

"What a friend we have in Jesus,"  
followed by prayer by Rev. Mr.  
Wakefield. Scripture reading, 103rd  
Psalm. Minutes of last meeting

the roll call. Eleven members and  
four visitors were present. The pro-  
gram committee appointed for the  
Bazaar was as follows: Mrs. Jas.  
Rodman, Mrs. Chas. Thompson, Mrs.  
D. L. Binns and Mrs. Will Hawken.  
Two letters of thanks were read from  
the McLachlin family and Miss A.  
Meadley for eggs received at the  
Saugeen Mission. Mrs. McCarten  
gave another of her very interesting  
talks on the book "Drums in Dark-  
ness." These talks are well worth  
listening and very clearly explained by  
Mrs. McCarten. Meeting closed with  
the watchword. Mrs. Hawken, as-  
sisted by several of the ladies, served  
a dainty lunch. Tea money, \$1.75.
