The Vanishing Black Bear

By W. S. LONG. One of the commonest, best known, and least understood of the North American animals is the ordinary black bear.

One of the most curious and interesting habits of the bear is that of hibernation.

Britain's Trouble - Palestine Plague

Who's Who in Holy Land is the Hard Question to Decide

A HEAVY LOAD. The outbreak of racial and religious fury in Palestine started all nations of the British press and inspired some of them to question whether the British Government is administering the Palestine mandate competently or, indeed, whether England ought ever to have accepted the mandate.

DO NOT NEGLECT YOUR LITTLE ONES

At no time of life is a baby more neglectful than at birth. Do not neglect your little ones. The baby who is neglected at birth will be a problem throughout life.

Hunting Up to Date

In a previous article with the title "The Christian Science Method points out that many human beings in Britain are discarding the gun and the gun in favor of the camera. It goes on to say:

Father Time

Dr. Edgar Fisk in the American Review of Reviews. Time is not a thing. These modern physicians have found Father Time of his hourglass, his watch, his long slow hand, and have left of him nothing—poof! He is gone, and yet he is with them still.

For Sprains—Use Minard's Linctur

The horse took longer to get you here, but you didn't have to drive half-way back to hitch—Publishers Syndicate.

AERIAL FOREST FIRE

Aerial patrol of the Forest Service in the summer of 1924 covered approximately eight thousand acres of country almost daily.

EXTENSIVE WOOD TEST

At the Forest Products Laboratory of Canada, Department of the Interior, 70,000 tests have been made on one product: The Physical and Chemical Properties of Wood.

LUXO FOR THE HAIR. Ask Your Barber—He Knows. Just a tasteless dose of Milk of Magnesia in water, an alkali, effective, yet harmless.

our Stomach

our Stomach. The stomach does not work unless it receives the proper food. If the stomach is not kept in good health, the whole system suffers.
