

### Schedule of Services at the House of Refuge for 1928-30

Mr. St. John—Nov. 28; Jan. 23;  
 Mar. 20; May 15.  
 Mr. Pherrill—Dec. 12; Feb. 6;  
 Apr. 3; May 29.  
 Mr. Couts—Dec. 26; Feb. 20;  
 Apr. 17; June 12.  
 Mr. Mills—Jan. 9; Mar. 6; May  
 1; June 26.  
 Services are held on Thursday but  
 ministers are requested to consult  
 with the Matron of the Home as to  
 most convenient day and hour of  
 meeting.

### Berkeley United Church

Rev. R. J. McCarter, Pastor  
 Sunday, November 24, 1929  
 10:30 a.m., Sunday School.  
 11:30 a.m., Morning Prayer.  
 7:30 p.m., Evening Prayer.  
 The Ladies Aid Society of the par-  
 sonage on November 14th with nine  
 members and one visitor present.  
 Meeting opened with a hymn, fol-  
 lowed by the singing, reading by  
 Mrs. McCarter, from St. John 14:1-7.  
 The main business of the meet-  
 ing was making arrangements for  
 the bazaar and Bible sale which is  
 to be held on the afternoon of Nov.  
 20th in the Organ Hall, Berkeley.  
 The bazaar closed with a hymn and  
 the benediction. The hostess served  
 lunch at the close. The December  
 meeting will be held at the home of  
 Miss Mary Ritchie.

 Headache, Indigestion, Nervousness,  
 and all ailments of the blood. Price  
 25c. Sold by all druggists. Write for  
 particulars. THE WOODS MEDICINE CO., TORONTO, ONT.

### News and Information for the Busy Farmer

Ontario Department of Agriculture  
 Royal Winter Fair, Toronto—  
 November 20-28.  
 Guelph Winter Fair—December  
 10-12th.  
 Ottawa Winter Fair—December  
 10 to 14th.  
 Ontario Beekeepers' Association  
 Toronto—Nov. 26, 27 and 28.

**Substitute Feeds**  
 Certain by-products and miscel-  
 laneous feeds are now receiving in-  
 creasing attention in reducing the  
 cost of milk production. Pumpkin  
 seed a good supplement for all of  
 winter winter feeding but their  
 nutritive value is not nearly as high  
 as some other feeds. It is a safe practice  
 to add small quantities to rations provid-  
 ing they are not fed too heavily. Apples  
 and apple slices, the by-product of  
 cider and vinegar manufacture, is  
 one being sought and profitably used  
 by many dairymen.

**Here and There**  
 Some interesting extracts from the  
 reports of the agricultural repre-  
 sentatives in the different counties  
 are presented herewith:  
 Wellington—A total of 20,000 in  
 each was paid for geese at the Arthur  
 Wankersley Fair. The price ranged  
 from 21 to 25 cents per pound. We  
 expect about 150 tons of chicken in  
 the crate-fed condition for the  
 Christmas market. Some of this  
 should bring 35¢ a pound.

**Mantoulin**—The subject of tur-  
 key is now everywhere discussed.  
 Whereas we used to think 16 and 17  
 pounds good weight for young gob-  
 bers, they now run 20 and 25  
 pounds. Local stores are offering 40¢  
 per pound for dressed turkey. The  
 bulk of the crop, however, will be  
 shipped alive.

**Algonia**—Good 2 year old steers  
 sold the farmers from \$65 to \$70  
 or head according to size. Lambs for  
 \$9 to \$10.50 per head.  
 Brant—Small quantities of red  
 clover being marketed at 35¢ per bushel.

**Dufferin**—Digging of turnips has  
 been completed. The crop is below  
 average in yield and quality.  
 Dundas—A great deal of ditching  
 has been done and is being done. The  
 dry weather this fall has been par-  
 ticularly adaptable for drainage work.

**Durham**—Some of our larger  
 poultry farms are getting 60¢ and  
 better per dozen for their eggs.  
 Kent—A decided drop in the  
 number of cattle to be fed appears  
 probable. Hay was a splendid crop,  
 but barley and oats were light and  
 the general feeling seems to be that  
 it is rather speculative to feed cattle  
 with present high prices of grain.

**Lambton**—Sugar beets are of a  
 large size and more free from disease  
 than they have been for the past two  
 years.  
 Dr. Christie, president of O. A. C.,  
 states that a total of 1935 students,  
 including those in the short courses,  
 will have attended the college during  
 the current year.

**School Fair Climax**  
 As a climax to all School Fair work  
 in Renfrew County, championship  
 public-speaking, singing and harmoni-  
 ca contests were held recently. Win-  
 ners in these contests from each of  
 the school fairs were eligible to com-  
 pete. Silver trophies were awarded to  
 the winners and medals to each of  
 the contestants. The competition  
 proved very keen and the program  
 was heard by an audience of 400.

**Clean Spray Outfits**  
 W. G. Evans, practical spraying  
 expert in the Department of Botany,  
 O. A. C., emphatically recommends  
 that all spray outfits be cleaned up  
 before being put away for the season  
 if the best results are to be obtained  
 next year. They should be carefully  
 overhauled, the tank being filled with  
 water to soften the spray residue and  
 after a soak of several days, the  
 machine should be started and the  
 water forced through the pump and  
 hose so that any collection of spry  
 material will be carried away. As the  
 water leaves the gun it should be  
 used to wash down the exterior parts  
 of the machine. After emptying the  
 tank the drain plugs should be re-  
 moved and the engine run for a few  
 minutes. It is important also, to see  
 that the different parts of the pump  
 are protected by a coating of oil to  
 prevent rust.

**British Apple Market**  
 Fruit growers will be pleased to  
 learn from the report of Andrew  
 Fulton, overseas representative of the  
 Ontario Fruit Growers' Association,  
 that the British market for Canadian  
 apples has been most satisfactory  
 during October, due chiefly to a  
 light offering of transatlantic apples.  
 "Ontario apples have been of exceed-  
 ingly high quality with correspond-  
 ingly satisfactory prices," remarks  
 Mr. Fulton. Ontario red apples were  
 well competed for and some excellent  
 McIntosh Reds sold at good prices.  
 However, in a cable on Nov. 9th, Mr.  
 Fulton announced that Ontario apple  
 prices were falling off somewhat on  
 the English market. The cause was  
 attributed to a large number of off-  
 condition apples from all sources  
 while British apples were plentiful.  
 It is expected that the demand for

red apples will be very high before  
 Christmas and shippers are warned  
 to go easy on Greenings and Stacks  
 before that time.

Ontario apple growers should give  
 close attention to packing, especial-  
 ly in securing a tight pack for the  
 British market. Recent arrivals over-  
 seas have shown an excessive quantity  
 of slacks amounting in some cases to  
 over fifty per cent. of the shipment.  
 Ontario beekeepers should ap-  
 preciate the fact that the finest and  
 most completely equipped Depart-  
 ment of Agriculture in America is at  
 their disposal at the O. A. C.

The horseshoes that were laid a-  
 side when the Port replaced Old  
 Dohpin are being resurrected all over  
 the country for horseshoe pitching  
 is spreading like an epidemic. Wide-  
 spread interest is already being ex-  
 hibited in the contests that will be  
 staged in connection with the Royal  
 Winter Fair.

**Good Top**  
 The largest yields of winter wheat  
 have been obtained in the experi-  
 ments at Guelph in those years in  
 which winter wheat entered the  
 winter in good condition with a  
 strong, uniform growth. This is an  
 excellent suggestion for sowing  
 winter wheat at the right time in  
 autumn.

In a contest for agricultural repre-  
 sentatives, Mr. H. L. Trauman,  
 the representative for Grenville  
 County, was awarded first place, for  
 the soundest soil improvement pro-  
 gram adapted to the requirements of  
 his county. The award entitles him to  
 a free trip to the American Society of  
 Agronomy meetings held in Chicago,  
 Nov. 13 to 15.

**Warm Water a Benefit**  
 Good feeders have long recognized  
 the value of liberal quantities of  
 water to all classes of livestock. Hogs  
 do better and are more thrifty and  
 cows, undoubtedly give more milk  
 when they are watered freely. Ex-  
 perimental station tests have estab-  
 lished beyond a doubt the value of  
 warm water for stock during winter  
 weather. In an actual test with fall  
 pigs, the use of automatic heated  
 waterers saved \$1 per pig in feed  
 costs. A cow producing five gallons of  
 milk a day will drink 20 gallons of  
 water. If she is compelled to drink  
 that much ice water, her energy is  
 required to heat it to body tempera-  
 ture and her production suffers.

**An Expensive Secret**  
 As an example of the correspond-  
 ence which reaches the Ontario De-  
 partment of Agriculture the follow-  
 ing is of interest:  
 "Being so many cases of chicken  
 stealing throughout the province, set  
 me thinking and I stumbled to an idea  
 which I honestly believe would be in-  
 creasing every case a sure and final  
 tracing, and conviction of the ones  
 who are doing such work.  
 But it would need government as-  
 sistance, and control, and the co-  
 operation of all poultry dealers or  
 certain compulsory registration of all  
 poultry handled.  
 "I am too busy to do anything to  
 this myself, but rather than keep it  
 secret (if it could be made a benefit  
 to the province) I would make my  
 plans or ideas known for \$500."  
 "Mr. W. Dawson, managing editor  
 of the Ontario Farmer, referred me  
 to you. I await your reply with  
 thanks."

**School Fair Winners**  
 Winners of Specials at Grey County  
 School Fairs in 1929 are as follows:  
 Where points are the deciding factor  
 they are awarded 6 points to a first  
 prize; 5 points to a second prize; 4  
 points to a third prize; 3 points to a  
 fourth prize; 2 points to a fifth prize;  
 1 point to a sixth prize.  
 A certificate of Honor goes to the  
 child winning the highest points in  
 each school. 225 of these will be dis-  
 tributed.  
 The first prize winners receive a  
 Silver Cup donated by T. Eaton & Co.  
 The second prize winners receive a  
 book "Three Centuries of Canadian  
 Story" and the third receive an  
 edition of "Famous Canadian  
 Stories".

**Winners of Silver Cups are:**  
 Edward Patton, Flesherton, Ar-  
 temesia; Harold Tuttle, No. 2, Ben-  
 tinck; Elaine Graham, No. 8, Col-  
 lingwood; Elaine Waddell, No. 3,  
 Derby; Roy Pottage, No. 6, Euphrasia;  
 Ruth Gardner, No. 14, Egremont;  
 Glen Moore, No. 1, Glenelg; Reta  
 Kennifick, No. 4, Holland; Jack  
 Rydall, No. 2, Keppel S. Lake; Hazel  
 Sims, No. 4, Keppel-Wildsey; Alex.  
 Semple, No. 2, Markdale; Elvera  
 Eldt, No. 9, Normandy; Doris Clark,  
 No. 2, Osprey; Dalton Scott, No. 13,  
 Proton-Ventry; Elida Winslade, No.  
 5, Proton-Cedarville; Doris Cavell,  
 No. 1, Sarawak; Mildred Loucks, No.  
 17, St. Vincent; Leslie Bye, No. 14,  
 Sydenham; Laurier Laitso, No. 13,  
 Sullivan.

**Winners of "Three Centuries of  
 Canadian Story"**  
 Leslie Seeley, No. 17, Artemesia;  
 Walterina McFarlane, No. 7, Ben-  
 tinck; Lorne Thompson, No. 5, Col-  
 lingwood; O. Brown, No. 2, Derby;  
 Verna Greenaway, No. 6, Euphrasia;

Wallace Lewis, No. 3, Egremont;  
 Margaret Edge, No. 3, Glenelg; Ernest  
 Altken, No. 10, Holland; Olive  
 Shoultice, No. 7, Keppel-S. Lake;  
 Elmer Merchant, No. 11, Keppel-  
 Wolsley; Bert Armstrong, Markdale;  
 Markdale; Nelda Kreller, No. 13,  
 Normandy; Merle Buckingham, No.  
 9, Osprey; Ellen McNalty, No. 12,  
 Proton-Ventry; Lloyd Harris, No. 8,  
 Proton-Cedarville; Audrey Boye, No.  
 4, Sarawak; Margaret Henderson,  
 No. 7, St. Vincent; Eric Showell, No.  
 13, Sydenham; Ida Bestward, No. 1,  
 Sullivan.

**Winners of "Famous Canadian  
 Stories"**  
 Joe Gibson, Flesherton, Artemesia;  
 Gordon Schmidt, No. 2, Bentinck;  
 Dorothy Erwin, No. 12, Collingwood;  
 Alice Abra, No. 5, Derby; Earl Hod-  
 gkinson, No. 19, Euphrasia; Marjorie  
 Kerr, No. 1, Egremont; John Vassio,  
 No. 2, Glenelg; Mary Lee, No. 2, Hol-  
 land; Ruth Noble, No. 2, Keppel-S.  
 Lake; Mae Wakefield, No. 5, Keppel-  
 Wolsley; Margaret Davidson, No. 18,  
 Markdale; Hilda Barstman, No. 1,  
 Normandy; Charles Winters, No. 11,  
 Osprey; James McEneaney, No. 7,  
 Proton-Ventry; Harley Dunn, No. 15,  
 Proton-Cedarville; Max Huston, No.  
 2, Sarawak; Bleannor Boves, No. 10,  
 St. Vincent; Viola Stephens, No. 11,  
 Sydenham; Elgin Price, No. 2, Sul-  
 livan.

**Boys Speaking Contest**  
 Gold watch presented by Board of  
 Trade, Meaford.  
 Teddy Dickson, Flesherton.

**Girls Speaking Contest**  
 Gold watch presented by Board of  
 Trade, Meaford.  
 Olive Flarity, No. 1, Keppel-  
 Wolsley; Margaret Davidson, No. 18,  
 Markdale; Collection of Wood Seeds  
 Special donated by Martin Bros.  
 Markdale.

**Elda Winslade, No. 5, Egremont;**  
**Lloyd Harris, No. 5, Egremont;**  
**Nellie Hargrave, No. 14, Egremont;**  
**Winner of highest number of points**

at Championship School Fair.  
 Silver cup given by J. C. Tennant.  
 Doris Cavell, No. 1, Sarawak.

**Boy Winner of most points at Cham-  
 pionship Fair.**  
 \$5.00 presented by J. C. Mercer,  
 Markdale.  
 Glen Moore, No. 1, Glenelg.

 Silver cup donated by A. C. Stewart,  
 Markdale.  
 S. S. No. 12, Egremont.

**Boys Solo**  
 \$5.00 gold piece donated by Mar-  
 tin School No. 7, Sullivan.  
 Walter Clark, No. 17, St. Vincent.

**Girls Solo**  
 \$5.00 gold piece donated by Prod.  
 A. Ahrens, Wingham.  
 Betty Jackson, No. 7, Holland.

**Winners of the greatest number  
 of points won at the Township School  
 Fairs in the proportion to number of  
 entries.**  
 Gold watch donated by T.  
 Stewart Cooper, Markdale.  
 Glen Moore, No. 1, Glenelg;  
 Walter Clark, No. 17, St. Vincent;  
 Ben-tinck.

### Barrhead Women's Institute

The Institute met on November  
 7th at the home of Mrs. W. S. Mc-  
 Nichol. There were thirteen mem-  
 bers and two visitors present.  
 The meeting was opened by singing  
 "Maple Leaf Forever," and repeating  
 the Lord's Prayer in unison. The  
 Roll Call was answered by an idea  
 for Saturday Work, and some splen-  
 did ideas were given.

It was decided that we should  
 have a photo guessing contest at the  
 next meeting, when a prize would be  
 given to the one guessing the great-  
 est number. There is also to be a  
 display of Christmas Gifts, the value  
 of which must not exceed 25¢.

Mrs. Torry then gave an excellent  
 paper on "Why does a Farmer need  
 Education." She showed that the  
 farmer needed more education than  
 any other professional man because  
 he really was "king" of all and  
 others had to depend on him for  
 their business success. With the  
 advent of so many noxious weeds he  
 must have an education to combat  
 them. All our township councillors  
 are farmers and they must have an  
 education to keep account of the  
 expenditure and assets of the town-  
 ship. She proved that the farmer  
 need not be afraid to enter society  
 with men of all professions and that  
 his own education should be a  
 guarantee of his success.

In the absence of Mrs. Davidson  
 her paper on "Constructive Thinking  
 and Talking," was read by the pre-  
 sident. Our slogan should be "A kind  
 thought and a kind word for every-  
 one and everything." If we want  
 friends we must be cheerful. If we  
 would cultivate this art, indolence,  
 sleepiness, restlessness and des-  
 pondency would disappear. Sow

# Markdale 'Buy-At-Home' Campaign

COMMUNITY BUYING DIRECTORY AND BUSINESS GUIDE  
 The Merchants and Business men represented below are co-operating in an effort to present to the town and surrounding community that values equal to any of the larger towns, a series of educational "Buy-at-Home" editorials which will be reproduced in an individual write-up of each business. The benefit of Home Buying will be shown in the advancement and progress of the community. Read the editorials, take advantage of the offers by the merchants, and BOOST THE TOWN YOU CALL HOME.

### UNITY AND CO-OPERATION

A community is as big as the faith of the residents make it. This faith is evident in the unity which exists between merchant and buyer. If dissension invades the community and the people go to nearby cities to purchase their goods the growth of the town is retarded and it is ultimately relegated to the "has-been" class. When the merchant and the resident forget personal differences and unite their purposes for common trade, it is a certain sign that that community is listed among the "booming."  
 Think in terms of your local merchants, and decide to buy in Markdale. Petty personal grievances are things of too little significance to let them interfere with the progress of the town which you call home. If you trust your merchant he will prove himself loyal to you. The decision is yours to make. Shall you buy outside Markdale and see the town fall behind, or will you buy at home and witness this community advance?

Your patronage spells your confidence in your merchants who are responsible for the leading position your town enjoys. If you give them your support, merchant and resident will unite for the good of this town, and the result will prove that the only true way to success is by united effort. Your dollars which you pay to your local grocer, butcher, clothier or milkman, will stay in Markdale and will ultimately come back to you.

**Bulk Cocoa for the Cool Weather**
