The Stock Market

Springfield, Republic. The fact is that, whatever the cause of the stock market's collapse, it has been so far from a point of view considered from the earlier point of view that the situation should be improved. The situation is changed even since the three the Royal and September. To the tariff bill would be a leap. Time is now needed for a careful and dependable of the new economic conditions before any revision affecting seriously the finances of the country judiciously undertaken. It is expected to ignore the coming annual measure of that legislation on the ment by him.

The Stock Market

Little Al. The fact is that, whatever the cause of the stock market's collapse, it has been so far from a point of view considered from the earlier point of view that the situation should be improved. The situation is changed even since the three the Royal and September. To the tariff bill would be a leap. Time is now needed for a careful and dependable of the new economic conditions before any revision affecting seriously the finances of the country judiciously undertaken. It is expected to ignore the coming annual measure of that legislation on the ment by him.

W. H. Stuyven

W. H. Stuyven the leader was criticizing the methods of certain prohibited. "These methods are simple," said Mr. Stuyven. "They make me trustful. They remind me of a missionary. This missionary, however, made, one day, a trip of inspection in a model box factory. What's the big idea, anyhow?" one factory hand said to another when the missionary started on his rounds. "The second gave a cynical laugh and answered: "It seems somebody told him the girls work in shifts."
