Mr. and Mrs. Daniel Telford of Holland Centre 60 Years Married

On Tuesday, Jan. 7th, Mr. and Mrs. Daniel Telford, of Holland Centre were the happy recipients of congratulations and best wishes of a host of friends and relatives on the occasion of their Diamond Wedding. Their home was hospitably opened to their friends during the afternoon, and the large number who came was evidence of the good will of all. The house was beautifully decorated for the occasion. Mr. and Mrs. Telford are both in the enjoyment of good health. Surrounded by their children, grandchildren and great grandchildren, they had reason to be very happy.

Among the messages of congratulations was one from Mr. R. R. McKillop, Divisional Superintendant of the C. P. R. Mr. Telford spent over thirty years in the service of the C. P. R., twenty-eight of which he was section foreman at Holland Centre, being superannuated nineteen years ago.

Mr. Telford came with his parents from Scotland to Canada when only three months of age. Mrs. Telford, whose maiden name was Margaret Sinclair, came with her parents from Scotland when she was but five years old. They were married at Chatsworth in 1870. The wedding anniversary was also Mrs. Telford's eightieth birthday.

Mr. Telford has been a member of the Orange Order for sixty-four years, and is Financial Secretary of L. O. L. No. 740, Holland Centre, during the past year he has been especially successful. During the afternoon, Mr. and Mrs. Telford were presented with a beautiful woollen comforter by the Lodge and an address in which appreciation was expressed for his long and faithful services as the oldest member of the Lodge.

Among other gifts was a purse of gold from the family with deep appreciation of the past and heartfelt wishes that they might be spared many more happy years together. The members of the family are as follows: Mrs. Frank Troughton of Holland Centre; John, of Toronto; Peter, of Holland Centre; Robert, absent in the West; Miss Annie, of Oshawa; Alex., of Roblin, Lennox County; Miss Euphernie, at home and William at Massie.

In the evening a presentation was made on behalf of the community. Rev. R. J. McCarten read an address, and Mr. James Dixon and Mr. Thos. Troughton presented the honored couple with two handsome chairs. Mr. Telford replied and expressed his thankfulness for this evidence of kindness and good will from the people where he had spent so many long years. The following is the address:—

To Mr. and Mrs. D. Telford,
Holland Centre, Ont.

Dear Mr. and Mrs. Telford,

On behalf of your many friends of Holland Centre we come to bring congratulations on the Diamond Jubilee of your wedding day. We rejoice with you that you are in the enjoyment of such good health and strength after these many years. We rejoice more in the fact that by your unselfishness and by your interest in the welfare of the community you have won the respect and appreciation of a host of friends. You have been regular attendants at worship in the House of God on the Sabbath Days. Seldom did rain or storm keep either of you away. Your presence has been an inspiration and encouragement to us all.

As secretary of the Bible Society for thirty-three years, you, Mr. Telford, have played a worthy part in the work of that splendid organization. You have not only acted as secretary but even at eighty-four years of age have gone out and done the canvassing. And while your activities, Mrs. Telford, have been more in the home, your influence has reached far beyond the circle of your own home, and it has always been so good and so helpful.

Your family of the first, second and third generations have been highly favoured in having you spared through these many years to ..d the mellowing influence of your ..experience in a boneficial way ..on their lives.

While you are among the favored few to be spared to see their Diamond Jubilee we hope and pray that your good health may continue, and that we may be privileged to have you with us for many more happy years. We know sixty years is a long time to wash dishes and to prepare kindling wood, but where love reigns in the home even these daily tasks are sanctified by the Spirit of Him who came not to be ministered unto but to minister. May God's blessing continue to rest upon you and may the ever-time of life bring that calm and peace that comes at the end of a perfect day.

We would ask you to accept these chairs as an expression of the kindly feeling and goodwill of your Holland Centre friends. May they continue to bring you happy memories of this day.

Signed on behalf of Holland Centre friends.
