Agnes Anna Montgomery

A life-long resident of Brantford passed away on Sunday, February 17th, in the person of Miss Agnes Anna Montgomery. The deceased lady was about seventy years of age and was a prominent member of Wellington Street United Church. She was the only daughter of the late John Douglas and Catharine Montgomery. Three brothers, James A., Robert H. and Geo. A. Montgomery live in Los Angeles, California, where the sister was a frequent visitor. For a number of years her home had been the residence of a few masters of the Brantford Collegiate and Vocational Institute staff. Of the latter, Mr. R. W. E. McPadden, Science Master, had resided in the home for fourteen years. The funeral, which was very largely attended, took place in the family plot, Greenwood cemetery, Brantford, on February 18th. A brother, Jas. A. Montgomery, came from Los Angeles for these last rites.

Newton St. John, for his faithful services and at the same time an unanimous invitation was extended to him to remain for a fourth year.

Large Quantity of Logs at Rock Mills

Logging in this district has been at the best years of history and the main purchaser of logs is the Dominion Lumber Co., who owns the mill at Rock Mills. Having of logs was discontinued at the mill on Saturday after about one and a half million feet had been stacked in the yard. Mr. John Foster, the manager of the mill, informs the Standard that 222 loads of logs were loaded, unloaded and piled at the yard on Saturday, the largest previous number being 195 loads on Friday. He also states that 907 loads were received last week making about half a million feet. To say that the logging industry has died out in East Grey is far from the truth, judging by the amount coming into the mill each spring. The cutting of lumber will proceed as soon as the spring opens up in Fisherton Advance.

A happy silver wedding anniversary was held on Saturday, February 16th, when relatives to the number of about thirty, taking them by surprise, celebrated with Mr. and Mrs. W. J. Plewes the twenty-fifth anniversary of their marriage. Feb. 7th was the correct date, but as their son, Cosby, who is attending Toronto University, and daughter, Miss Helen, also in Toronto, could not be home for that date, it was held the following day when they were present. Owing to illness, the eldest daughter, Mrs. Percival Douglas, St. Vincent, was not able to be one of the party. Many beautiful gifts were received, among them a wrist watch for the bride, and a silver mounted case for the groom, from the children.

To Markdale by Moonlight

It is not often we hear of a moonlight excursion in the winter time, but two plucky Markford girls—Misses Alma Purvis and Mae Corley, of the Hill store—set out on Saturday night about nine o'clock for Markdale by moonlight. Their only companions were a horse and cutter and an ample supply of fur coats and they skirted over the hills in record time and reached the home of the former's parents about one o'clock on Sunday morning. Neither of the girls knew the road and neither of them ever drove a horse before and the way the moon guided them without mishap or delay is one of the secrets not yet known to Amos and Andy of the Fresh Air Taxicab Company Incorporated, who every time they turn have a prohibition on their hands. The young ladies returned on Sunday evening about 7:30 o'clock. Markford Express.
