### Chinese Financier

Chinese people are beginning to realize the value of currency and are learning to handle it systematically. The financial position in China is better today than it was a few years ago. The Chinese people are beginning to realize the value of currency and are learning to handle it systematically. The financial position in China is better today than it was a few years ago.

### One Scotland Yard For United Kingdom

Memories of One of the First Big Five Officers and Their System

Yard Has Nothing To Learn From Foreigners

The need for a national detective force and the continuance of hanging and the lash to deter crime and desperate modern criminals were in an interview by Mr. Charles Arrow, sole survivor of the five detectives who, following reorganization constituted in 1906 the First Council of Five police headquarters.

### DO YOU FEAR A HEARTY MEAL?

Dr. Williams' Pink Pills Will Tone Up Your Stomach Making Mealtime a Pleasure

Are you afraid of meat-time? Does eating distress you? Would you rather go without food? That is the condition of many due entirely to indigestion. There can be no perfect digestion—hence no enjoyment of meat-time—unless you are healthy and your stomach and make it capable of properly digesting the food.

### Novelties Bring Sophistry

Materials Bring Symmetry of Line and Harmony

Feminine imagination will receive pleasant stimulus in the fabric surprises of the spring season. Many and delightful are the novelties in the materials and the manner of their use.

BABY CHICKS—WE HATCHED 250,000 last year in four varieties. Write for free catalogue. A. H. Switzer, Granton, Ont.

The Wealth of India  
Calcutta Englishman: The general public, pathetically unversed in economic and exchange, do not realize the immensity of India's natural resources. They do not understand that wealth remains; that though at long intervals and corrupt and inefficient administration may mar the winning of this wealth by the Indian and European hand in the future than it has been in the past, the wealth remains and demands the application of ever better capital and labor. Whatever the result of the struggle for the wealth of India, the wealth of India is the wealth of the world.

### A Chinese Magna Charta

It will prove to be an important step towards constitutional government, hitherto significantly lacking in China. It is discerned by some political students in a Bill of Rights which has been jointly sponsored by Mr. H. H. Kung, Minister of Commerce and Labor, and Mr. Y. S. Li, a prominent legislator. This Bill of Rights is widely pointed throughout the press, and has attracted much attention both in the West and in China and both the Government and the people are anxious to dispatch it as early as possible.

process of law. No one is to be subject to the jurisdiction of military courts except those in the service of the army, navy, or aerial forces engaged in war or in areas of occupation.

The principle of freedom of speech and of the press is affirmed by another article, which declares that everyone has the right, within the bounds of the law, to express his views by word of mouth, by writing or drawing, or by any other method that may be prescribed. It is also provided that while the limits set by the law the people shall have the right to assemble and to organize. The right of privacy, as regards the mails, telegrams, telegraphs and other means of communication is guaranteed.

### Training Spiders For Commerce

The British spider is being trained to work in the mines and in the factories. The spider is being trained to work in the mines and in the factories. The spider is being trained to work in the mines and in the factories.

Mr. Arrow said: "I firmly believe that there should be one Scotland Yard for the United Kingdom. By that I mean there should be one detective headquarters to which the best men of the country and city constabularies should be sent to be trained."
