A BARRIER TO FIRE STORM AND WEATHER

COUNCIL STANDARD

Crops, property and livestock destroyed by fire and lightning last year amounted to more than \$2,000,000 in Ontario. This is one of the reasons so many farmers are now using RIB-ROLL fireproofing. It defies the fiercest firestorm. It defies the fiercest lightning. It defies the fiercest weather. It defies the fiercest conditions. RIB-ROLL keeps every building on the farm safe and secure.

Use Rib-Roll Roofing and Protection. Let it do the work.
