The Toronto Hospital for Incurables, in affiliation with Bollevne and Allard Hospitals, New York City, offers a Three Year's Course of Training to Young Women, having the required education, and desirous of becoming nurses. This Hospital has adopted the eight-hour system. The pupils receive uniforms of the School, a monthly allowance and travelling expenses to and from New York. For further particulars write or apply to the Superintendent.

DON'T SUFFER WITH DANGEROUS **INDIGESTION**

Do you suffer after meals with a belching, from sour and acid stomach? Many believe they have heart trouble and tremble with fear, expecting any minute to drop dead. This condition can be prevented, likewise relieved.

Take Carter's Little Liver Pills after meals and neutralize the gases. Sweeten the sour and acid stomach, re-lieve the gas and encourage digestion. The stomach, liver and bowels will be cleansed of poison, painful and dangerous indigestion disappears and the system enjoys a tonic effect. Don't delay. Ask your druggist for a 25c pkg. of Carter's Little Liver Pills. could well undergo investigation by a

India and the Empire

Bombay Times of India: The notion that India would by giving preference Go thou to the sea and die; to some other part of the Empire Die in battle or at sea, merely be doing a good turn to some- But-remember Flamberd, me." one who perhaps never did her a good Then the Norseman breathed his la turn is fallacious. The Empire is a collection of nations held together not only by sentiment but by considerations of their own advantage. That is 000,000 worth, in Africa £62,000,000 how India should regard her position as an integral part of it. Directly she ent £43,000,000 worth. The Imperial does so she will perceive how friendly field offers the Mother Country by far | business bargaining between her and other Dominions is a matter to be regarded both directly and indirectly in her interest because it is in the in terest of the British League of Nations whose strength and her's are bound up togethers,

General Smuts Sydney Bulletin: The cables report South Africa, is mentioned as a probable Governor-General of Australia. If any such idea is really entertained, it should be dropped at once. . . . Much as we might desire to oblige South Africa, our first duty is to preserve Governor-General is held in Australia; and to do that there must be no suspicion of partnership in any holder of it. General Smuts, coming to Australia, might forget that he ever was a partisan. But others will not forget it, and thereby irreparable damage may be done to the high regard in which the office should be held and thus far has been held.

Forgetfulness

Stranger than remembering, Stranger is forgetfulness, Softening and making less Every sharp and precious thing. If the rebel thirst had burned

After springs too beautiful, Imperceptibly it learned How to drink the bitter pool If there is a room that must Not be entered any more,
