RED SCHOOL HOUSE PAINT
 FOR BARNS, FENCES AND OUTBUILDINGS

They Thought it Would Never Happen

A FLYING EMBER from a nearby burning house set their roof ablaze. Just a cruel prank of the wind and in a twinkling Fire, the Destroyer, had taken an unshakable grip.

No matter how careful you are to safeguard your home from the inside it will not help you when your inflammable roof is threatened by a nearby fire. Turn that over in your mind NOW, when there is still opportunity to rid yourself of the old-fashioned fire-inviting roof.

Brantford Asphalt Slates give positive protection against sparks and wind-blown embers. They reduce insurance premiums and protect your home and family against the ever-present fire hazard.

Brantford Roofing designs are renowned for their colour harmonies and handsome appearance. Their beauty adds immeasurably to the value of your home.

Permanent resistance to the weather under the most varying climatic conditions is another famous feature. Brantford Asphalt Slates will not peel, warp, shrink or bulge, and give years of sturdy service.

For summer or town homes—for schools, churches and public buildings, Brantford Roofs are equally desirable—not only for security but also for economy and easy application.

Write for a copy of the booklet "Beauty with Fire Protection". It suggests to you what the proper type, design and colour of your roof should be.

In Memoriam
 LOUCKS—In loving memory of Mrs. Pliny Loucks, who died May 23rd, 1929.
 Husband and family.

"Skinny! I Gained 11 Pounds in 8 Weeks and a Boy's friend"
 "After trying several tonics tried Ironized Yeast. In 8 weeks gained 11 lbs., new complexion, round limbs; best of all a boy's friend."
 S. M. Salino.
 Men and women are amazed at gain of 5 to 15 lbs. in 3 weeks. Ugly hollows vanish. "Bony limbs round out. Sallow, bleached skin gets clear and rosy like magic. Nervousness, indigestion, constipation disappear overnight. Sound sleep. Now pep from very first day.
 Two great tonics in one—special weight-building Malt Yeast and strengthening Iron. Pleasant little tablets. Far stronger than unmoderated yeast. Results in 1/2 day. No yeast taste, no gas.
 Don't go round "skinny", ugly, unattractive. Get Ironized Yeast from druggist to-day. Feel great to-morrow. Money back from manufacturer if not delighted with results.
