Love is Like Measles

low, love and measles, you'll agree.

You can't say: "I'll have measle

And measles, when you're yery young

Are very much the same;

You either get them, or you don't,

And no one's much to blame!

Nor yet: "I'll be in love!"

However bad they feel to you, You live again to sing.

The danger of it starts;

To older people's hearts.

But when you get them older, then

And love does very much the same

And some by measles are attacked

But once; some twice, and more.

You can't say: "Well, I've had it no

Vhen-whew!—the symptoms sta

And round the place you moon.

t goes and comes just as it will

so don't ask what he sees in her.

There's just one thing to say-

Cutting wages to stimulate business makes one ponder the economic wisdom of an old adage, brought thus up

to date. "Don't starve the geese that

both lay the golden eggs; and also

That love, like measles, lightly co

Nor why does she love him!

At Cupid's tricky whim;

And lightly goes away.

So no'er again!" I'm sure.

You think you are immune,

Well, isn't love like that? It is!

Are not a fatal thing;

The choice is solely in the hands Of gods who dwell above!

STURDY CHILDHOOD

. The sturdy child—the bright, active little chap is the one everybody loves. It is only the sickly, treful child who of every child to be stundy and well-to be able to make everyone admire him. Therefore, mothers, if yours is not altractive it's your fault, not his He must be ailing and it is up to you to see that he gets relief—that he is given a medicino that will quickly make him well and keep him well. Baby's Own Tablets are especially designed for infants and young children. There is nothing to equal them for correcting the irregularities of the stomach and bowels-the cause of most of the ills from which little ones suffer. The Tablets, are sold by medi-
