STOP means STOP The STOP signs on streets and highways are there for your protection. They protect you and all other drivers only to the extent that you obey them. There's a STOP sign at every intersection of The King's Highway and at intersections of many other main highways and streets. Be sure you heed them. If you do not, and an accident results you are responsible. You cannot depend on other drivers. While you may have complied with the law by coming to a full stop, you should still exercise care in entering the traffic stream of a main highway.
