Appetites Mount In Outdoor Life

Or for a day or a month-in the car or hiking, boating, fishing after a few ours you will find food looms up as the biggest thing in the world. Scenery, es—but such appetites!

Of course milk, and plenty of it, is ssential for nourishing, appetizing ood—and for campers or picknickers Borden's St. Charles Brand Evaporated Milk is by far the best choice, providing plenty of pure, rich milk, regard-Right after lunch we always sweep less of weather conditions, long journeys, out-of the-way camping placesand lack of ice.

Because evaporated milk has had half the water removed, you can rely on its extra richness, which can be utilized to take the place of eggs or outter in many kinds of cooking. For instance, an old guide, famous for his fish fries, told me that in camp he always dipped the fish in undiluted evap orated milk before the final coating with cornmeal.

When evaporated is to be used in tead of milk in any recipe it should be diluted with an equal part of water. emember this simple rule and you will find it successful in your own re ipes. To "cream" your coffee, use i Speaking of Fish

A "fry pot" is used by Canadia guides for cooking large chunks. After dipping the pieces of fish, in evaporited milk and then in commeal drop nto the deep fat (very hot) and fry, until brown. And, by the way, take displaying their artistry in the dethis hint from seasoned camp cooksvery little fire of the right kind in coration of dishes coming to the table, a the right place (if possible sheltered rom the wind) will do the job better than a face blistering conflagration. A savory fish chowder is always welcome dish in camp, and it's easily made with evaporated milk.

course; of smoked fish, which is usual Fish Chowder ly wiped over with a damp cloth to Cut the fish in chunks and remove s many bones as possible. Cover the bottom of an iron pot with slices of fat salt pock and fry out part of the fat. Remove part of the north slines, then add a layer of sheet, raw pota toes, some sliced chions and a layer of fish, over with pieces of hard tack biscuit and season each layer, scanting the saft, for the pork is very safty Repeat the process until the pot two-thirds full. Add just enough water to cover to level of the fish. Cover the pot and simmer for one and one half Exceptions to these rules are turbot. ionys, or until the potatoes and fish are tender. Add one tall can of Bor-den's St. Charles milk. Bring just to mullet and smelts, which are usually

beiling, Serve. Easy Hot Breads Hot corn breads to eat with, the bacon, fish, or pork and gravy, are a huge success after a day in the open

Cornmeal Fiapjacks 1 cup cornnical, 1 cap flour, 4 teaoons baking flowder, 12 teaspoon salt, 1 cup Borden's St. Charles milk. 2 cup water, 2 tablespoons melted fat bacon fat may be used). Mix and sift the dry ingredients. Add the milk liluted with water, and heat well. Add

the fat. Bake on a hot, grease gridlle or frying par. They need a little nger cooking than wheat griddle .Camp Corn Dodgers Put one quart commeal into a bowl. Make a hollow in centre of meal and nto this put one tablespoon lard and one teaspoon salt. Pour over this equal parts Borden's St. Charles milk and water heated to scalding point, stir-

ring all the time until a dough is formed which can be molded with hands Cool slightly, form into cakes and cook slowly on a well-greased griddle. (The herb-book the other day. She must quantity of diluted milk needed de have been a vain old lady, for there pends on the kind of cornmeal used).

Here is a never-failing

Take Aspirin tablets and you'll avoid needless suffering from sciatica—lumbago—and similar excruciating pains. They do relieve; they don't do any harm.
