FOUND BURIED IN BASALT feet below the bed of the Yakima estimated to be 12,000,000 years of ment of Agriculture at Washington. being bored under the river by the Arthur Koehler, expert on wood identification, designated the tree as a species of sequoia. It lay in solid basalt, believed to have been poured out of one of the Columbia plateau volcanoes.

Give Confidence

A simple and safe remedy for the common ills of babyhood and childhood should be kept in every home where there is either a baby or a young child. Often it is necessary to give the little ones something to break up a cold, allay fever, correctsour stomach, and banish the irritability that accompanies the cutting of

teeth. Experienced mothers always keep Baby's Own Tablets in the home as a safeguard against the troubles that seize their little ones so suddenly and the young mother can feel reasonably

safe with a box of these Tablets at hand and ready for emergencies. Baby's Own Tablets are a mild but thorough laxative that act without harmful drugs. They are sold by fingerprints, Dr. John A. Larson, Uni- medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

I CANNOT TELL

I cannot tell how all the stars Retain their rhythmic way,

cannot tell how this round earth Revolves about the sun, Or how the autumn's priceless worth From clod and clay is won-But I can tell how kindness may life with sunshine every day,

-A. B. Cooper in "Tit-Bits." PLAYING WITH TOTO

The old lady wa' sitting on a bench near the eighth green of the golf

Presently an unseen golfer hit a ball onto the green, and Toto, the old lady's dog, ran out and promptly

seized it. The next moment the golfer came over the crest of a hill and began

waving his arms and shouting indignantly. "Put the ball down, Toto," cried the old lady. "Here comes the kind gen-

tleman to knock it for you again." Among what is known as the "carpurchasing" class in Great Britain,

ten motor-cars are bought for every baby born.

Do You Value Your Health

If your health is poor; if you are pale, nervous and easily tired; if you suffer from headaches and backaches if your digestion is bad you may de pend upon it that these symptoms come from an impoverished state of the blood. That unless this condition is remedied a complete breakdown may follow. Dr. Williams' Pink Pills are a perfect medicine for any one in this condition. They enrich and Did he note the amount of the calorie purify the blood and thus promote

health and strength. Mrs. G. M. Andrews, Halifax, N.S. wrltes:—"I always keep Dr. Williams' Pink Pills in the house. When I was is easier to brush it apwards as wel a young, anaemic girl, they completely restored by health. After marriage my health broke down and once more these pills brought me back to health. He cheerfully chewed every species of My friends all tell me how well I look and for this Dr. Williams' Pink Pills deserve all credit." . .

You can get these pills at all medicine dealers or by mail at 50 cents a box from 'The Dr. Williams' Medicine Co. Brockville. Ont.

Too many vegetables are sometimes cooked in the best regulated houses. Far too often, also, these are thrown away as uneatable when, with a very little trouble, they could be made very

Cold greens, for instance, should be placed in a saucepan of boiling water and covered for two minutes. The water should then be strained from them, and when the vegetables are served they will be found to be as

good as when first cooked. It is quite useful to keep carrots ready dressed for use in an emergency. They should be cut in round pieces writer, and then he gave the following rots may also be cut into any shape to you can never be quite sure that the list:
1. The delusion that individual advancement is made by crushing others down.

Serve with ragouts or hashes, or they dust does not go back into the hair may be cut into narrow strips and again. Keep a special comb for your used in soups. To give parsnips a handbag, and a bigger and more improvement to worry about tordeper to worry about the second life they should be mashed portant one to keep your brush com-

with butter, milk, and salt, and heated in the oven in a small buttered basin. Onions, of course, do not look well likely to turn black. They will do sightly one. Keep a hair tidy of some nicely for flavoring soups or curry, however, provided that they are placed

in when the soup or curry is boiling. Potatoes can be served for a second time in a variety of ways. Mashed and mixed with a little milk and water they can be formed into buttered Hay, Fever shapes, floured and browned in the oven, or b fore the fire. When they are whole they can also be dipped in bacon fat or dripping, sprinkled with salt and floured, and baked in the oven in a tin. Another way to deal with potatoes when cold is to fry them in batter. To do this they should be cut into rather thick slices and dipped into a mixture made by beating an egg with a tablespoonful of flour and a tablespoonful of cold water, and then fried in plenty of fat.

Bobbed Hair Does Not Need Brushing?

It may be imagination, but with the coming and staying of short hair, the brush and comb seem to have fallen into neglect. A regrettable thing, for if these fall into neglect the hair falls one. Trushes and combs, like most into neglect, too, and is swift to show other falls accessories, are best kept if these fall into neglect the hair falls signs of it, just as it is swift to respond to care and attention.

Long hair always seems to receive more brushing than short hair, bu short hair has the advantage that as downwards. It is very good for the hair to brush it from the nabe of the neck upwards-the wrong way of the

hair, as it were. The stiff bristled brush is alway best for the hair unless the hair is exceptionally fine and comes out a good deal. Hair is apt to come cht in the spring and autumn when ney hair growing and the dead hair filliomat cally gives place to it, but this is not! ing to worry about. When heir comout habitually it is wise to abande anything in the way of vigorous brus ing for the time being; it is also wis to try to find some remedy, of course

Brushes should be washed as often as the hair is washed, or, more ofter if the hair is not washed every fort night or so. Clean brushes help keep the hair clean. Always rinse the brushes in cold water, standing the pristles downward in the water. This helps to keep the bristles stiff. When silver brushes are being washed car should be taken to keep their frame

out of the water. Best Out of Sight Combs must be cleaned even mor frequently, for with short hair the pany. Never on any account leave hair combings in your comb. It an unhealthy, dust-collecting habit when they are re-warmed, as they are besides being an extraordinarly undescription handy or, if you use waste paper basket in your bedroom
