Now doctors say a draft can't cause cold feet, though.

This troubled dream? They would not understand. They'd go their way. Or, if they spoke at all, They'd surely say:

French Peasants

These going home at dusk Along the lane,

After the day's warm work,

Do not complain.

What is it all about.

Were fou to say to them,

What does it mean?

"Dawn is the time to rise, Days are to earn Bread and the midday Dusk to return;

"To be content, to pray, To hear songs sung, Or to make wayside love. If one is young.

"All from the good God comes, All then is good; Sorrow is known to Him, . And understood."

One who had questioned all, And was not wise, . Might be ashamed to meet Their quiet eyes.

All is so clear to t'em, All is -so plain: These who go home at dusk, Along the lane.

New Trout Tanks

Sault Ste. Marie, Ont - A shipmen of 2,000 parent speckled trout from the Normandale hatchery arrived in he Sault recently and were placed in large tanks nearing completion just north of the city. The trout are the first to reach this new rearing station, the largest in the Dominion Another carload is coming in shortly it was stated by the Superintendent of Provincial Hatcheries, A. W. Mc-Leod, who accompanied the sh.pment It is announced that George Gerow of Normandale will manage the new hatchery.

#### Canada's Leading Manufactures

In total capital invested, the pull and paper industry of Canada was London-British scientists have power plants in 1929, and in total numsecond only to electric light and ber of employees second only to saw mills. In the distribution of wages of manufactured products, the pulp 'd paper industry headed the list of a.l Canadian industries in 1929.
