Mercer for Reeve

To the Electors of the Village of Markdale

Ladies and Gentlemen,—Having been nominated as a candidate for the Reeveship of the Village I am asking for your votes and support. I have had several years experience in the Council and, being one of the heavy taxpayers, I think I have the ability to finance and conduct the affairs of the municipality to the advantage of all. I will not be able to make a personal canvass and therefore ask all to give me their support.

If elected I will see that your money is spent properly and not wasted.

If elected I will keep the taxes as low as possible and take advantage of every opportunity to secure funds from any source for the benefit of the taxpayers.

If elected I will endeavour to provide employment for the working men, and do my utmost to further the interests of Markdale so that all may benefit. I will do my very best without fear or favor.

With best wishes for a Happy and Prosperous New Year to all, and again soliciting your support in my behalf, I am

Yours respectfully,

J. C. MERCER.

Elect Reburn as Reeve

To the Electors of Markdale

Ladies and Gentlemen,—I am a candidate for the Reeveship of Markdale for 1931.

During the coming year our Main street, and we hope Toronto street, will be paved. This means extra work for the Council and particularly the Reeve.

I have served, in all, eight years on the Council, and three years in the County Council, and can fairly claim that I am familiar with problems that must be dealt with this coming year. During my eighteen years residence in Markdale I have tried, in my own way, to help forward every movement in the general interests of Markdale. I may not always have been able to please everybody. I may have made mistakes, but I can honestly say that I have tried in every case to do the best I could for Markdale as a whole.

I am prepared to pledge my best efforts, both with the County Officers and with the Government at Toronto, to look after your interests in connection with the important work that is ahead of whatever Council you elect this year. I can do the work and I ask your vote. If you think that someone else is capable of doing better I will retire without ill feeling to anyone. I am still anxious to do whatever I can to forward the best interests of Markdale and its citizens.

Wishing you all a Happy and Prosperous New Year, I am

Yours sincerely,

T. H. REBURN.

Vote for Borinsky as Councillor

TO THE ELECTORS OF THE VILLAGE OF MARKDALE:

Ladies and Gentlemen,—At the solicitation of a number of the ratepayers I am a candidate for Councillor for 1931.

I am in favor of a policy which will make Markdale a better place in which to live and a better place in which to transact business. I will favor the procuring of estimates for a reasonable program of improvements to be submitted to the property owners for their indorsement. My interests are all in Markdale and I want to make it one of the best little towns in Ontario. If you like my policy I solicit your votes on Monday next.

Sincerely yours,

HAROLD BORINSKY.

Re-Elect Stewart as Councillor

TO THE ELECTORS OF MARKDALE:

Ladies and Gentlemen,—I am again in the field for the position of Councillor for 1931 and I solicit the support of the electors on my behalf. You have my record in the Council during the past two years and I promise you that I will give you my best service if re-elected. I am in favor of advancing the best interests of the municipality and will do all I can in that respect. During the past year I have been Chairman of the Hydro Committee and I would refer you to the financial statement of that department for information regarding its standing.

Best wishes for the New Year.

Yours sincerely,

E. B. STEWART.
