**Died**

BLACKBURN—In St. Joseph's hospital, Toronto, on Monday, Feb. 16th, 1931, Charlotte May Boland, beloved wife of Hartley Blackburn, aged 22 years.

**Card of Thanks**

To all those who were so kind and sympathetic during the time of our recent sad bereavement by the death of my mother, Mrs. H. D. McLoughlin, I desire to express my sincere thanks.  
Mrs. Bert Hutchinson.

**Card of Thanks**

Mrs. S. J. Bowles and family wish to acknowledge their appreciation of the many expressions of sympathy and kind acts of assistance at the time of their recent bereavement.

**In Memoriam**

PERRY—In loving memory of our dear daughter, Eldred Leoda May Perry, who departed this life on Feb. 18th, 1926.  
The moon and stars are shining on a lone and silent grave.  
Beneath lies one we could not save.  
Friends may think we have forgotten.  
When at times they see us smile,  
Little do they know our hearts ache  
That our smiles hide all the while.  
She had a nature you could not help loving  
And a heart that was purer than gold.  
And to those who knew her and loved her,  
Her memory will never grow old.  
Sadly missed by parents, brother and sisters.

**Eighteen Bags From One**

For two successive years Owen Sound has been the location of a successful potato club show, superintended by the Grey County Agricultural Representative, T. Stewart Cooper. In 1929 sixty-five boys took advantage of the free bag of certified seed of the Dooley variety. Of these nearly every boy brought a bushel to the Owen Sound Fair. The club was successful again in 1930, when over 50 boys engaged in the work. The highest yield was secured by Jack Bradey of Markdale, who from one bag of seed produced 1,675 pounds, or 18 bags and 55 pounds.—Farmer's Advocate.

**Setting New Standards of Dependability**

THE longer you drive the new Chevrolet Six the more you will appreciate its ruggedness and reliability. Its increased wheelbase gives added stability and freedom from vibration. The frame and axles have been strengthened. There is a stiffer crankshaft and reinforced cylinder block. The moulded brake linings give as much as 25,000 miles of service without relining.  
The new Fisher Bodies are not only smarter and roomier, but are also of hardwood and steel construction... the strongest known. The fine upholstery fabrics are specially selected for unusual durability. The non-tarnishing chrome-plated metal parts, and gleaming colors will retain their beauty indefinitely.  
The new Chevrolet Six is built to give you years of faithful service. And it sells at new low prices!

**WAITING FOR 8.30**

Mother and Anne had always been very close to one another. When Anne married and moved to another city, each missed the other greatly.  
But one thing more than any other has helped to keep them close—the telephone. Every Friday evening Anne calls her mother by Long Distance... after 8.30 p.m. when the low night rates are in effect. During the week they both keep memos of topics they wish to discuss. Then there is no time lost... and nothing forgotten.  
What if they are 120 miles apart! The telephone connection is made in about a minute—nearly always while Anne holds the line. Their voices are just as clear as on local, and the cost, after 8.30 p.m., is only 40 cents.  
Evening rates on "Anyone" (station-to-station) calls begin at 7 p.m. Night rates begin at 8.30 p.m.
