

Hockey

Orangeville 6 - Markdale 1

In a Georgian Bay High School Hockey League fixture here on Friday evening last between the Orangeville and Markdale High School teams, the latter went down to defeat by a score of 6 to 1.

In the first period the visitors grabbed off a two goal lead, although the local students played a good brand of hockey and put up a good fight. In the second canto the boys in orange and black came back strong and held the Dufferin County Town students down to one goal while they also counted one, making the score 3 to 1 at the end of the period. By this time it was quite evident that the visitors would be the winners as the Markdale squad, who were playing without reserves, were showing the effects of the continuous struggle against the two complete forward lines of their opponents, who were still comparatively fresh.

The final round saw the homesters completely fade from the picture as the visitors took advantage of their extra forward line and skated the locals almost dizzy. The wonder of it was that the score was not bigger, but the red and black men only secured three counters.

In the face of the great odds the local intelligence squad did well to avert a shut-out, Reg. Warren coming to the rescue with a neat tally near the opening of the second period. For Orangeville Walker was outstanding, scoring three of their goals. Abern, Campbell and Griggs accounting for the balance.

The Line-up: Orangeville—Goal, Harrison; defence, Kearns, Campbell; centre, Walker; wings, Sawyer, McMillan; alternates, Abern, Griggs, White.

Markdale—Goal, Dundas; defence, Bob Berry, Noble; centre, T. D. Berry; wings, Warren, Alton.

Durham 6, Markdale 0

Markdale's miscellaneous junior hockey team took a trip to Durham on Monday evening and played a game with the junior entry, in the Northern League, from that town.

The locals, who had not played together before, were mostly strange to each other's style of play and showed the effects of same. They had not even practiced together and so were lucky to hold their opponents down as well as they did, especially as the Durham squad had been playing together all winter and on this occasion displayed the best form of the season.

The black and white aggregation hope to display a different brand of hockey in the return fixture at the local arena and hope to at least win the game, although they realize the futility of counting on overcoming the six goal lead which their opponents piled up.

On the game the locals were sadly outclassed, but with a good workout together they count on re-yeating the results of the next encounter, as individually they have an excellent team in every department, and if they don't win we'll wager that the Durhams will realize that they've been facing a re-inspired bunch of puck chasers when the final curtain has been rung down.

High School 4, Bankers 1

The curtain riser at the rink on Wednesday evening of last week was a second game between the High School boys and the Bankers in which the former won by 4 to 1.

The game went the full three periods and was an interesting contest. The Bankers were not in condition for a strenuous game and were "all in" long before the finish. The players were:

Bankers—Goal, G. Colgan; defence, J. Orr and A. McQueen; forwards, A. E. Hunt, C. Walker and M. McMillan.

High School—Goal, B. Dundas; defence, A. Noble and B. Berry; forwards, T. D. Berry, R. Warren and C. Alton.

Referee—J. C. Mercer.

Northerners 2 Southerners 1

In the broomball game the same night the north side of the village, captured by Bob Down, put it over the south side (G. S. Dundas, captain) by two goals to one. It was a real contest. There were no stars performing on either side and the "co-operation" between the players was not at all times perfect. Among those performing for the winning side were Constable Johnston in goal. C. R. King, H. H. Lucas, P. Sims, R. Down, H. Merriam, J. Elliott, A. E. Hunt, P. York.

The southerners were represented by George Dundas, Dick Lucas, Harold Bowler, Geo. Alton, C. E. Armstrong, Stanley Kidd, J. C. Mercer, W. N. Burnside.

Dr. L. G. Campbell was referee.

C. R. Itic Prepares To Go Into Business

Dear Mr. Editor:—I have had a strenuous week of it and I will have to be brief in my remarks. It all happened since The Standard came out last week with the announcement of the sale of the estate of the late Orr Minnis. You see I have a notion of buying the saw mill at the sale and the little woman and I have been talking the matter over and we solicited the advice of a few of the neighbors. The news soon spread and I have been plagued with applications from the unemployed for work. The first to interview me with a view to securing a job was Wesley Bowler. I have known Wesley for a long time and I knew he would be a good man but I didn't want to grab him off too fast so I suggested that he might not be able to give his undivided attention to the mill business as I knew he had a good many little jobs to look after round home. He said he had been pretty busy keeping the snow shovelled so that his little

business get to the clothes line each week but that he had overcome that difficulty by buying her a pair of snow-shoes to wear on wash days and that since then he had not had any shovelling to do. Well after a little dickering I was able to secure Wesley as head Sawyer. I have been able to secure the services of a pretty good bunch of men as I had plenty of applications to choose from. Those whom I have already engaged are George Snell as buy and log inspector; Joe Erskine as foreman over the lumber piling gangs; Herb Purvis, yard manager and cutter; Jim Bradey, timekeeper and cashier; Bill Burnett (he wanted an easy job) shovelling the sawdust away from the saws; Johnnie Burton, in charge of the fuel department; George Sewell, edger; George Gorley, canter; Willie Carter, filer; Johnnie Sutherland, oiler; Jack McDuff teamster; Ben Walden, sales manager; Tom Reburn, engineer, and Jack Noble, stable manager and blacksmith.

I may need a few more men when things get going properly but with these on the job the unemployment situation in Markdale will be pretty well taken care of. There are a few others whose names are on the waiting list including, Hughie MacDonald, Eph. Brodie, Jim Magee and Jim Hill. Of course I will have to be on hand at the sale next Monday afternoon in order to get the highest bid in or the whole thing will fall through.

I was somewhat disappointed the other night because I wasn't able to get out to help the boys in the broomball match. I had promised Bob Down that I would be there to help the northerners in their battle for supremacy and had borrowed Pat York's sweater and Sanford Ward's knickers so that I might appear in uniform. I was all set for a strenuous game when the little woman informed me that she was going out that evening and that I would have to remain at home to look after the youngsters. Our side won in the game and I am satisfied but I feel sure had I been on the team we could have had at least six or eight of a lead. Barring Isaac Elder, the senior, I was the best broomball player at Berkeley in my younger days.

Hoping to see a good bunch of you at the big sale on Monday, I am
Yours as ever,
C. R. Itic.

William Stinson

Mr. William Stinson, for many years a highly respected resident of this locality, passed away at the home of his brother-in-law, Mr. W. J. Lyons, at Harkaway on Thursday, Feb. 19th. He had been in failing health for several years and for several months was practically an invalid.

The late William Stinson was a son of the late Mr. and Mrs. James Stinson and was born near Kingston 77 years ago. In 1880 the family moved to the eleventh line, Euphrasia, and here the deceased continued to reside until 1913 when he retired to the village. Seven or eight years ago he went to reside with his sister at Harkaway. His wife, formerly Miss Emma Williams, passed away about 30 years ago.

He is survived by four sisters namely: Mrs. Robert Mercer of Rosedale, B.C.; Mrs. John Beckett of Milverton; Mrs. Jas. Elliott of Strongfield, Sask.; Mrs. W. J. Lyons of Harkaway.

The funeral took place on Saturday from the home of Mr. and Mrs. W. J. Lyons to Markdale Cemetery. Rev. C. O. Pheerill conducted a short service at the house before the remains were brought to Christ Church where the funeral service was conducted. After the service at the chapel in the cemetery the members of Saugeen Lodge No. 327, I.O.O.F. and of L.O.L. No 1045 circled about the casket and conducted the burial service of the Odd Fellows. The deceased had been for a great many years a member of both lodges. The pallbearers were Messrs. J. A. Halbert, John Gratam, B. H. Walden, Thos. Mercer, Harry Shaw and W. J. Hamilton.

Among the floral offerings were wreaths from Mr. and Mrs. W. J. Lyons, Saugeen Lodge No. 327, and No. 1045; sprays from Mr. and Mrs. J. Elliott, Mrs. John Beckett and daughter, Mrs. T. L. Tye, Mr. and Mrs. Lloyd Lyons and the Harkaway Ladies' Aid.

The late Mr. Stinson was held in the highest esteem and his passing is deeply regretted by a wide circle of friends.

Mrs. Hartley Blackburn

The whole community was profoundly shocked and saddened last week when the news was received of the death of Charlotte, beloved wife of Hartley Blackburn, and daughter of Mr. and Mrs. Charles Boland of Vandeleur. The remains were brought to her parent's home, from where the funeral took place on Wednesday, February 18th, to Markdale cemetery. The services, which were largely attended, were conducted by Rev. H. S. Warren, who spoke very fitting words of comfort to the bereaved ones.

She was borne to her last resting place by Arnold Harbottle, Kendall Teeter, Gordon Wyrill, James Allen, Harry Aitkens, and Willis Coburn. The following floral expressions of sympathy were received: wreaths from husband and babe, father, mother, sisters and brothers, grandpa Blackburn, Mr. and Mrs. A. Blackburn, Mr. and Mrs. W. J. Blackburn, and Mr. and Mrs. T. S. Fisher. Mr. Milton Ramsey, Mr. Egerton Carson and Miss Mary Bell of Chatsworth; sprays from Mr. and Mrs. George Blackburn, Lola and Everett Blackburn, Dr. and Mrs. Murray and Shirley Murray; Mr. and Mrs. R. J. Blackburn of Toronto, Mr. and Mrs. White, Tena and Mabel Henderson of Waubesa, Mr. and Mrs. W. Swanton and family, Mr. and Mrs. F. R. Boland and daughters, Mr. and Mrs. Frank Taylor and Jack, Mr. and Mrs. Glen McGee, Mr. and Mrs. Will Rafellie, Mr. and Mrs. Stanley Blackburn, Harold Allen and Miss Hannah Barnette of Toronto, Mr. and Mrs. Geo. Buchanan, Katharine and Florence Davis, Mr. and Mrs. Lundy Johnson, Mr. and Mrs. Frank Davis, Mrs. Ready and Mrs. Cachrane, Mr. and Mrs. James Harbottle and family, Mr. and Mrs. Grocock of Port Credit, Mr. and Mrs. E. L. Newman of Lakeview Beach, Mr. A. Hanna of Lakeview Beach, Gabriel and Muriel Hawthorne of Lakeview Beach, Mr. Richard Allen and family, Mr. and Mrs. W. A. Hawken, Mr. and Mrs. James Dixon of Holland Centre, Mr. and Mrs. D. L. Weber and family and Mr. John Weber, Vandeleur Ladies' Aid, Vandeleur Women's Institute, Harkaway community. The flower bearers were Jack Taylor, George Swanton, Harry Richardson, Gordon Wilcox, Harry Baker, Will Rafellie, Gordon Irwin, Steve Sutton, Norman Genoe, and George Allen.

Hosts of friends sorrow deeply and sympathize sincerely with her bereft husband and babe, and with her parents and brothers and sisters in their grief.

Man
Man that is born of woman is of few days and full of trouble. He cometh into the world without his consent and leaveth against his will. During his stay on earth his time is spent in one continuous round of misunderstandings. In his infancy he is an angel, in his boyhood he is a devil, in his manhood he is everything from a lizard up; if he raises a check he is a thief; if he raises a family he is a chump; if he raises a poor man he is a poor manager, and has no sense; if he is rich he is dishonest; if he is in politics he is a grafter and a crook; if he is out of politics you can't place him as he is an "undesirable citizen"; if he goes to church he is a hypocrite; if he stays away from church he is a sinner; if he donates to foreign missions he does it for show; if he doesn't he is stingy and a "tightwad." When he first comes into the world everybody wants to kiss him; before he goes out they all want to kick him. If he dies young there was a great future before him; if he lives to a ripe old age he is in the way, only living to save funeral expenses. The Lord be with us till we meet again!—Ex.
