Miss Dorothy Mann visited with friends in Shelburne over the week-end.

We are all going to the "JAMES" Rainbow Room in Owen Sound to dance.

Don't miss the knife and fork supper in Annesley Church, May 19th. This is the best yet.

Mr. and Mrs. N. Walton and Miss Ruth of Mt. Forest were visitors in town one day last week.

The Ladies Guild of Christ Church will hold a bake sale and afternoon tea at the home of Mrs. Thos. Lemmon on Saturday afternoon, May 9th.

Mr. J. Sharpe, who makes his home at the Haskett residence, suffered a severe stroke on Sunday evening and is in a serious condition.

Keep Thursday evening, May 14th open. The event of the season, a grand photographic concert by local and outside talent in Cooke's Church.

Mr. and Mrs. Wm. Jackson, Mrs. H. March and son Billy arrived home from Florida on Monday. They had spent the past four months in the sunny south.

Mrs. J. A. Crowston went to Flint, Mich., to be present at the graduation of her daughter, Miss Merrill Crowston, who has completed her training as a nurse. Mrs. J. P. Robinson of Meaford accompanied her.

Miss Grace Miller, who is attending Queen's University in Kingston, is home for the summer vacation and is visiting with her parents, Rev. and Mrs. T. O. Miller.

Week-end visitors with Wilson brothers in Glenelg were: Mr. A. J. Murray and sons George and Jim and Mr. Jardine of Hespeler; Mr. and Mrs. McLean of Priceville; Mr. Duncan and Mr. John Watson and son Bill of Owen Sound; K. McInnis and Dan McDonald of Irish Lake.

Mr. and Mrs. George Richardson of Redwing, accompanied by Mr. and Mrs. Victor Brodie motored to Toronto and spent the week-end with Mr. and Mrs. Emerson Richardson. Mr. Richardson is making satisfactory recovery from the injuries received in an auto accident a couple of months ago.

The Vandeleur W. I. will hold a meeting in the Orange Hall, Vandeleur, on Thursday, May 14th when the summer speaker, Mrs. Myers of Hamilton, will address the meeting. These meetings are very interesting and all the ladies in the surrounding community are welcome. Members will please bring lunch.

On Monday last Rev. T. O. Miller received an anonymous letter which read as follows: "Dear Sir,—Kindly accept the enclosed amount for the benefit of Cooke's Presbyterian Church in Markdale as an offering from a former member." The letter was post marked at Preston, Ontario and contained a \$10.00 bill.

At a meeting of the returned soldiers held in the office of the Department of Agriculture here on Wednesday evening of last week a branch of the Canadian Legion was organized. There were sixteen present and Mr. A. G. Robertson presided. Officers will be elected at a meeting to be held this (Wednesday) evening.

F. T. Hill & Co.'s store at Alliston was robbed on Friday night of last week when thirteen overcoats, nine suits of clothes, twelve shirts and several suits of underwear were taken. W. J. Sutherland's garage was also broken into and a few coppers taken from the till. The lock on the door of a drug store was broken but the visitor failed to gain entrance.

There is a movement on foot in some quarters to have the office of the Department of Agriculture moved from Markdale and one suggestion has been made that two offices be opened, one to be located in Owen Sound and the other some place in the south of the county. To do this would double the expense and make little, if any, improvement. Fourteen of the sixteen townships in the county can be reached from Markdale in less than 20 miles and a more ideal location for the office is impossible. The members of the County Council will hardly agree to shoulder the added expense which will result if two offices are established.

Owing to impurities in the water in town the Board of Health has ordered that water used for drinking purposes be boiled. The Council has had the stream at the filter bed cleaned and it is expected that the report from Department of Health in Toronto on the sample sent the first of the week will be that it is a gain pure.

Mr. and Mrs. Gerrard Scott went to Toronto on Saturday with their daughter, Verna, who has been seriously ill for the past two or three weeks. In Memoriam

SCHILL—In loving memory of our dear mother, Mrs. I. R. Schell, who died in Stouffville, just seven months ago. (Sunday, Oct. 12th, 1930.)

M is for the million things she gave us;
 O means that she was only growing old;

T is for the tears she shed to save us;
 H was for her heart of purest gold;
 E was for her eyes with love-light shining;

R means right, for right she always was.
 She was such a dear good mother,
 So patient, so kind, so true.

There never was a cloud so heavy or dark
 But she saw the sunlight through.
 She seems to be so near
 That we, her dear voice can hear
 Saying "Do not grieve, children,
 I am here, never fear."

Death cannot divide us from mother
 Nor sever the cards of love.
 She is just resting sweetly with Jesus
 In that beautiful home above.

Harmony that mingles Beauty with Stamina

Brantford Asphalt Slates are unequalled in the richness of their colour combinations.

They are made in a wide range of treatments to harmonize with the outside of your home and its surroundings.

Yet for all their beauty Brantford Roofs have a ruggedness that can absorb years of constant warfare with the weather and come out unscathed even after the worst conditions of climate.

Probably you know their reputation for fire-resistance. That Brantford Roofs are not ignited by, nor give off, sparks or flaming brands is a well-known fact.

Brantford Asphalt Slates combine the three essentials of fine roofs—beauty, fire-safety and weather-resistance. Yet they cost little and do not require upkeep or repairs. Ask your dealer for an estimate.
