Think what Punishment a Roof must stand

One month it's rain, another brings blizzards, and then comes blistering sun. So in swift succession are the forces of the elements martialed against your roof.

Brantford Roofs have been pitted for years against the severities of Canadian weather. Year upon year they emerge from the battle with colours rich and mellow.

They have done and are ready to keep on doing their job of protecting the interior of your home from damage. It is this quality of stubborn defence against the onslaught of storm and sun that has helped to build the reputation of Brantford Roofs.

Choose the treatment most suitable for your individual requirements at your nearest Brantford dealer's. He will help you and estimate how little it costs to give you the beauty, fire-safety and weather protection of a Brantford Roof.

The regular monthly meeting of Barrhead W.I. was held on Thursday evening at the home of Mrs. Whitehead. Twelve members and three visitors were present. The meeting opened by singing the Ode and repeating the Lord's prayer in unison. The roll call was answered by naming an oriental shrub. Miss Mary McNicol, a delegate to the girl's conference held at Guelph gave an excellent report. Mrs. Hutton gave a paper on chiropody. The current events were given by Mrs. Earl Smart. Mrs. Eva Foster gave a reading "Words of Wisdom." They all joined in community singing. The meeting was closed by singing God Save the King. The hostess served dainty lunch, assisted by her two daughters, Mary and Dorothy and Miss Mary McNicol.

The next meeting will be held at the home of Mrs. Earl Smart.

Destroy the Weeds

The Ontario Weed Control Act states:

Clause 3—Every occupant of land, or if the land is unoccupied, the owner, shall destroy all weeds designated noxious by the regulations as often in every year as is sufficient to prevent the ripening of their seeds.

Clause 6—In the absence of any owner or occupier or upon refusal after notice to comply with the requirements of the Weed Control Act, the Inspector may cause weeds coming under this act to be cut down and destroyed and may charge the cost of such work against the property to be collected in the same manner as taxes.

NOXIOUS WEEDS—Bladder campion, ox-eye daisy, sow thistles, white cockle, wild oats, Canada thistle, blue weed, chicory, ribgrass, docks, common ragweed, hawkweeds, burdocks, stinkweed, tumbling mustard, wild carrot, wild lettuce.

Signed,
Frank Meagher, Weed Inspector.
