GENERAL MOTORS CARS HAVE OUTSTANDING VALUE

PLEASE

There are a good many of the subscribers to The Standard who have let their subscriptions become in arrears and the sum of such arrearages makes quite a total. We need the money and would ask all those indebted to us to please make an effort to let us have a remittance at the earliest possible moment. The amount of each individual account when multiplied by four or five hundred means much to us.

Please let us have your little contribution.
