

Mrs. Sylvester Martin

The death on Friday of Mrs. Sylvester Martin at her home here came as a great shock to her family and friends. She was in her usual health and was about as usual on Friday morning when she was seized with a stroke, from the effects of which she never regained consciousness passing away about three o'clock in the afternoon in the presence of her husband and children.

The late Mrs. Martin, who was in her 66th year, was a daughter of the late Mr. and Mrs. James Strickland and was born at Port Hope. After the death of her father her mother married the late John Graham and the family moved to Euphrasia and resided on the seventh line. As a girl the deceased was known as Mary Lucy Graham. She was married to Edward Foy and for some years resided in Euphrasia, but later moved to Glenelg where Mr. Foy passed away nearly 24 years ago. Two sons and two daughters were born to this union, namely: George J. Foy of Markdale; Basil M., who died in 1921; Mrs. N. A. Sanderson of Orangeville and Mrs. R. V. Murphy of Owen Sound. About 22 years ago she was married to Mr. Sylvester Martin of Glenelg. A few years ago they retired from the farm and moved to the village.

The deceased is survived by four sisters: Mrs. Fred Moser of Rostock; Mrs. Ed. Weiss of Watburg; Mrs. Geo. Smith of Bimley, Mich.; Miss Lella Graham of Stratford, and one brother, Mr. Geo. Graham of Watburg. Two brothers passed away at Port Hope.

The funeral took place Monday morning at St. John's cemetery, Glenelg. Service was held in St. Joseph's Church, Markdale, where requiem High Mass was sung by Rev. Father McHugh. The deceased was a faithful member of the Roman Catholic Church. The pallbearers were Messrs. Michael Foy, Otto Foy, Elmer Foy, Ernest Quinn, N. A. Sanderson and R. V. Murphy.

Among those from a distance here for the funeral were Mr. and Mrs. N. A. Sanderson of Orangeville; Mr. and Mrs. R. V. Murphy of Owen Sound; Mr. Geo. Graham and Mrs. Ed. Weiss of Watburg; Mrs. Fred Moser of Rostock; Miss Lella Graham of Stratford; Mr. and Mrs. Jos. Martin, Mrs. Philip Martin and Mr. Alfonso Martin of Owen Sound.

Many Mass cards and floral tributes were placed on the casket by sorrowing friends and neighbors.

P. H. Thibaudeau

Mr. J. B. Thibaudeau of this place received the sad news on Friday last of the death on Thursday of his brother, Mr. P. H. Thibaudeau, B.A., of Stettler, Alberta. The telegram gave no details more than it was by accident.

The late Mr. Thibaudeau was born 63 years ago in Glenelg township, near Markdale. He attended Markdale Public School, Owen Sound Collegiate, Collingwood High School and Toronto University obtaining his degree at Queen's University about 30 years ago. He taught school at Townsend Lake, Mattawa, Uxbridge and Wetaskiwin, Alberta, and when Alberta became a province 26 years ago he was appointed as one of the three Public School Inspectors. On Sept. 1st of this year he was superannuated.

In 1902 he married Miss Margaret McDonald of Pentice township who with two sons mourn the loss of a kind husband and father. A daughter, Jean, lost her life in a fire when but a child.

The deceased was a fine stamp of man and held the respect and esteem of many friends. He was an active worker in the cause of temperance and manual training and took an active interest in clean sports. The sympathy of all goes out to the bereaved relatives in this locality.

The information came Wednesday by letter that Mr. Thibaudeau was accidentally shot while hunting.

Donald James Gilchrist

Mr. and Mrs. Chas. Gilchrist of Orange Valley have the sympathy of many in their bereavement by the death of their little son, Donald James, aged two months and four days. The little fellow had been ill for about ten days and death relieved his sufferings on Sunday. The funeral took place on Monday to Markdale cemetery. Rev. A. Mills had charge of the services. The pallbearers were Alvin McFadden, Elmer Love, Frank Iretton and Clarence Tibbutt. The floral tributes were carried by Mary Tolton, Betty Tolton, Velma Alcox, Verna Russell, Muriel Teeter, and Jean Lerer.

Thomas Fee Dead

Mr. Thomas Fee, one of the most highly respected residents of Holland township, passed away at his home near Holland Centre early on Wednesday morning, Sept. 15th, after an illness of several weeks. The funeral will take place from his late home to Markdale cemetery on Thursday afternoon. The service will be held in the United Church at Holland Centre at 2 o'clock p.m.

George S. Mathers Laid To Rest

The funeral of the late George S. Mathers, whose death we reported last week, took place from the home of Mr. A. W. Sproule on Thursday afternoon last to Markdale cemetery. After a short service at the house the remains were taken to Christ Church where Rev. C. O. Pherrill conducted the Anglican burial service and preached a comforting sermon. The pallbearers were Messrs. W. E. White, J. A. Crowston, R. L. Stephen, J. J. Richardson, P. J. Thompson, T. H. Wilson, Alex. Smith and Wm. Jackson. There were a great many floral tributes from sorrowing relatives and friends.

The sympathy of the community is extended to Mrs. Mathers, Mrs. J. C. Henry, sister of the deceased, and other relatives in their sorrow.

Alex. Matthews, Shelburne, Dead, Result of Auto Crash

Mr. Alex. Matthews, Shelburne garage owner, died early Tuesday morning in the hospital at Orangeville as a result of a motor crash which occurred on the highway a little south of Corbetton and Gordon W. Long of Toronto is in the Western hospital, Toronto, in a serious condition.

Mr. Long was driving north on the highway when an axle broke and Mr. Matthews came from Shelburne with a wrecker to take the disabled car to the garage. The car was parked on the east side of the road and the wrecker was turned in order to hitch to the back of the car. This left the wrecker on the wrong side of the road facing south.

Earl Hannah of this place, coming home from Toronto with Mrs. Hannah and little child, drove along and ran into the side of the wrecker. The lights on the wrecker were facing south and near the centre of the road and Hannah, thinking he was meeting a car which was driving too far to the left of the road, pulled well over to his side. The machine was on an angle with the road and he struck it on the side knocking Matthews and Long some distance. Hannah's car was thrown into the ditch but not much damaged. He got the injured men into his car and took them to Shelburne where they received medical attention and were later taken to the hospital.

Mr. Matthews, who was 40 years old, was raised at Shelburne where he was held in high esteem. He is survived by his wife and four daughters as well as his father, one sister and one brother.

Mr. Matthews is one of the Hydro employees here and a son of Mr. and Mrs. Abe Hannah of Mt. Pleasant. He is suffering from the shock of the unfortunate accident although no blame can be attached to him. With the lights of the wrecker facing him he thought he was meeting a car and pulled well over to the right in order to avoid hitting it.

Barrhead Women's Institute

The regular monthly meeting of Barrhead W. I. was held at the home of Mrs. J. Hatton on Thursday, Sept. 3rd. The president was in the chair. The meeting opened in the usual way with the ode and prayer. The secretary, Mrs. McNicol, read the minutes of the last meeting which were found correct. The roll call was answered by your birthstone and its meaning. Mrs. Earl Smart gave a splendid report of the convention held in Chatsworth. Mrs. McNicol gave a paper, "The Cost of a Meal". A riddle contest was then given. Mrs. Will Boves winning the prize. A dainty lunch was served by the hostess assisted by Mrs. McNicol and May Boves.

Ebenezer Ladies' Aid

The September meeting of the Ebenezer Ladies Aid was held at the home of Mrs. Russell Freeman on Tuesday afternoon, September 15th. Several items of business were discussed. Miss Hawkens was present and gave a splendid talk on missionary work in Northern Alberta. Mr. Warren also addressed the meeting, after which a dainty lunch was served by the hostess, assisted by Mrs. Knight, Misses Dorothy Coburn and Myrtle Freeman. Members present 19, visitors 5, children 14. Collection \$1.85.

VOTERS' LIST, 1931

Notice is hereby given that I have compiled with Section 7 of the Voters' List Act and that I have posted up at my office on the 8th day of September, 1931, the list of all persons entitled to vote in the said municipal elections and that such remains there for inspection. And I hereby call upon all voters to take immediate proceedings to have any errors or omissions corrected according to law, the last day for appeal being the 29th day of September, 1931.

N. L. Curry,
Clerk of Euphrasia.
Dated September 15th, 1931.

Arrowsmith - Culliton

Miss Mary Monica Culliton, daughter of Mrs. S. J. Culliton and the late John Culliton, DeGoraine Avenue, Toronto and Mr. Samuel James Arrowsmith, younger son of Mrs. M. Arrowsmith and the late William J. Arrowsmith of Priceville, were married Tuesday morning at 9 o'clock in the Church of the Blessed Sacrament. The solemn high mass was celebrated by Rev. Father G. F. Culliton, assisted by Rev. F. Pennington and Rev. Felix McHugh as deacon and sub-deacon. The bride who was given in marriage by her brother, Mr. Wilfred Culliton, wore a gown of pink moire made on princess lines, with matching picture hat and bouquet of Tulleman roses. Her sister, Miss Rose Culliton, was her attendant in a frock of white taffeta with touches of baby blue, white felt hat with blue velvet trimming and bouquet of Premier roses. The best man was Mr. A. D. McAuliffe of Durham. Mr. Matthews Cary sang during the signing of the register and Mrs. Under played the wedding music. The reception was held at the home of the bride's mother, who received her guests wearing a gown of black lace with black felt hat and corsage of sweet peas. Mrs. Arrowsmith, mother of the groom chose a gown of black satin with matching hat and corsage of violets.

Cost of Pavements

There is considerable speculation as to the cost of the pavements in Markdale and we have gone to some trouble to figure out the estimated costs in the several sections of the town. Our figures are based on the Engineer's estimates to which ten per cent was added in order to cover all extras. The estimated costs cannot be absolutely correct but they will not be far out and our figures will give property owners an idea as to what they may expect to pay. Property owners pay half the cost of the pavements over twenty feet opposite their property, but as there are property owners on both sides of the street they will pay only one quarter of the cost of the extra width of pavement. This will be spread over twenty years and our figures are based on five per cent. debentures.

The estimated cost of the whole work to the village is \$20,738.64. The village as a whole must pay the full cost of all intersections, catch basins, etc. and it is only fair to estimate that the corporation's share will be about 60 per cent. of \$26,738.64 or \$12,473.18. The amount required annually for twenty years to care for this would be \$997.85 or a little less than three mills on the present assessment but less money will be required for street maintenance in the future and at most a two mill rate should be ample to cover this cost. A property assessed at \$1000 would pay \$2 per year in the general rate for pavements. We know that these figures are high because the general rate in Dundalk has been increased only two mills because of the pavement there and they constructed a great deal more than we are doing.

On Toronto Street, south of Victoria Avenue, the frontage tax on a 50-foot lot at the engineer's estimate would be \$3.43 yearly for twenty years. From Victoria Avenue to Cavan Street the annual payment on a 50-foot lot would be \$4.84. From Cavan street to Hill street the payment would be \$3.47.

On Main Street from the East end of the pavement to Walker Street the annual payment for fifty feet figures out at \$3.98. From Walker to Toronto \$4.43; from Toronto to Queen \$7.52; Queen to Centre \$4.78; Centre to end of wide pavement at Creamery \$3.18; to end at C.P.R. tracks 37 cents.

In order to figure out your own annual payment divide the figures representing your territory by 50 and multiply the result by width of your lot. We are in the territory on Main Street between Toronto and Queen streets thus \$7.52 divided by 50 and multiplied by 35, the width of our lot, makes our annual frontage payment \$5.27.

Born

BUCHANAN—In Owen Sound on Saturday, Sept. 12th, 1931, to Mr. and Mrs. S. H. Buchanan, a daughter.

FOY—In Markdale hospital, on Tuesday, September 15th, 1931, to Mr. and Mrs. Almer Foy, a son.—Hugh Eugene.

GILLESPIE—In Toronto on Wednesday, Sept.—9th, to Mr. and Mrs. J. W. Gillespie, a daughter, Shirley.

Card of Thanks

We desire to express our sincere thanks to all those who were so helpful and sympathetic in our recent sad bereavement. The kindness of our neighbors and friends will never be forgotten.

George J. Foy.

C. R. Itic Keeps House

Dear Readers,—I had a busy time last week looking after the children and doing the cooking. The little woman got the idea into her head that she should have a holiday as she has kept on working away in spite of the fact that I have been unable to get anything to do. I had never thought of it in that way until she told me she was going to take in the exhibition in Toronto for a few days and that I would have to do the housework and take care of the youngsters. Like most other men I have never appreciated the fact that a woman's work is never done but I know a little about it now.

She got away on Monday morning and as that is the regular wash day at our house I knew that there would be no break in the program. I got the tub full of soft water in spite of the fact that I have been unable to get anything to do. I had never thought of it in that way until she told me she was going to take in the exhibition in Toronto for a few days and that I would have to do the housework and take care of the youngsters. Like most other men I have never appreciated the fact that a woman's work is never done but I know a little about it now.

I got along fairly well at preparing the dinner although I neglected to put tea in the pot and the youngsters refused to drink the hot water which I poured from it. The wait for the making of the tea delayed the meal a little and when I had washed the dishes, fed the hens and watered the cow the wash-water had got cold and I had to start all over again. By the time I had everything ready to begin operations one of the children came along with the information that the cow had broken

out of the pasture field and I had to leave the washing and go after her. When I got the fence repaired and back home it was time to get supper and this I did. After I had finished the dishes and got the children safely to bed I went at the washing. This time I didn't bother to heat the water. I finished hanging the washing out about one o'clock on Tuesday morning and then I decided that the little woman deserved the holiday which she was getting. For the rest of the week I confined my efforts to the getting of the meals and the care of the youngsters. The little woman received a real welcome when she arrived home on Friday night. As a result of my experience I have resolved to give her all the assistance in the performance of her household duties from this time henceforth.

I haven't made much headway at the horseshoe pitching and am afraid that I am not going to be able to get into the championship class in time for the fall fair, but I'll be there to get all the pointers I can from the fellows who have mastered the art of ringer-getting.

Yours truly,
C. R. Itic.

Card of Thanks

Mr. and Mrs. Chas. Gilchrist desire to extend thanks to all who were so kind and helpful during the time of their recent bereavement.

Abolish County Councils

"The first place for the people of Ontario to effect economy and lower taxes is in the county councils," said an Ontario government official to The Herald Monday. "Shorn of practically all their functions," county councils are now scarcely more than eucure clubs. If the people would only seriously look into the uselessness of these bodies and realize how many hundreds of thousands of dollars they squander every year the county council would speedily be relegated to the past. It is too much to expect because when Mr. Ferguson sought to abolish the individual school section and substitute the consolidated school the people would not consider the proposition at all. Had that been done ten years ago there would have been a much lower school rate in the townships today," our informant observed.

There appears to be a settled conviction among the senior members of the civil service in Toronto that the county council is a superfluity. This is particularly true of officials having constant contact with the county administrative bodies. And when these men outline their point of view it must be admitted there is reason in their arguments.

The county council spends a lot of time on roads and bridges which, according to highway department officials, could be entirely eliminat-

In Memoriam

GARDNER—In loving memory of our dear wife and mother, Mrs. Robt. Gardner, who died three years ago today—Sept. 18th, 1928.

Gone is the face we loved so dear
Silent is the voice we loved to hear.

When days are dark and friends are few
Dear mother how we long for you.

A loving mother kind and true,
No friend on earth like her we knew;

For all of us she did her best,
And God gave her eternal rest.

Some day we'll meet her face to face;
Some day, we know not when, the golden gate will open wide, some day.

Husband and family.
