mission had mounted up. He had a lucky one in the world. He had thought little put by against the inevitable that all the had luck bundled itself rainy day: "for it will come," he told together and came his way, but now bimself, "sure enough it will come he was not so sure. Poor little thing, my way." only he had been certain of his joi (of course, he was certain about it, though in the wrong way; thanks to with sunflowers, and eyes like flax, her great-aunt, it would mean the sack She was a blue and golden personality, on Saturday), he would have said, and she was walking along disconso—"Let's share." But you can't do that lately with the most dreadful, fat old on sight. More especially you can't do it if you are losing your job.

They talked and the evening grev

late. "What about Sunday?" he asked.

fat old woman. "It is simple to work, "Tre never been there," she said, efficacious, and altogether the best of and her eyes sparkled. Flax flowers in the sun! That was it.

Saturday brought the sack all right. He had guessed that accurately. The manager talked the usual prating talk, manager tarket the usual prating tark, "rude to customers," "giving offence," 'can't afford to send people away in a hufi," 'business bad," and all the rest of it. He planked down the week's

Jim gathered it up again. Rather Im gathered it up again. Rather rotten, just when he had met Elf, he thought, and she so attractive and is sweet. The old routine—tramping from place to place, searching in the same endless, fittle way, searching and finding just nothing at all—looking through newspaper columns rathing through newspaper columns rathing the popular way. They were talking to the small boy, are undoubtedly due to be popularly. Well assess the popular way all their lives. Jim was shivering, we would not be punt. Those who scoff at the rocket as a fantastic instrument, of no possible use except as a Fourth of July delight they had known each other for a revision of their ideas in the very all their lives. Jim was shivering. "Yes, you'll praise it up, buy I don't sweet. The old routine—tramping suppose it would do. How much is it? from place to place, searching in the old, much too much—ridiculous."

Industry, and sale so detailed and suppose it would do. How much is it? from place to place, searching in the same endless. It ill way, searching the sale of the same endless.

you, madain, out they don't pay in the shoulder the responsibilities again, long run. Now, I can assure you—." And the day dawned girriously fine. "You're most impertinent,' said the it was one of those exquisite days old woman, going red in the face, and when the sun rises in a heat haze, she started talking so loudly that the when the river is too lazy and merely department the sun rises in a heat haze, and the started talking so loudly that the when the river is too lazy and merely department the sun rises in a heat haze, and the sun rises i department manager came up.

Jim knew what that meant.

soul sank within him.

where the river is too lazy and merely invoves along, dallying with every reed, and willow trees. She was wearing a little soul sank within him.

Long afterwards, when the storm white frock, and at the throat there had blown over, and the fat woman had swept away with the disdainful too. He still thought of her as blue peke under her arm, and the manager had thrown out hateful hints, Jim saw the heart to tell her that he had lost the circl again. She came un shyly. "I

once stately princesses had walked They peered into the Tudor kitchens dim and cool; they wandered round great-aunt, and I wish she wasn't. I'm and the peace of the place engulfed just a sort of charity child living on them.

"Let's go into the fields and walk by the river?" he said, for he knew that he wanted to be alone with her, he wanted to tell her some of those things that lay nearest to his heart. They found the fields, and hedges were tangles of eglantines and Can I interest you madam. . (oh, ash the beastly knife machine!)"

They had tea in a cafe across the down under a willow, silvery and green.

"Tell me about yourself," she said. "Oh, I'm a dull person, an ordinary

"I don't believe you. You can't be half so dull as I am. I have had a dull life—" She listened. "What is that

ound?" "That must be a weir round that

punt, and, sitting in it was a large and fat old man busily reading a Sunday newspaper. A girl was punting.

"Father and daughter," said Jim. "Or niece and great-unclelaughed, and a celicious dimple dented her cheek.

"No, you are the only person in the world who lives with a great-aunt or uncle. Others are much too wise."
"I am thinking," she said, "of chucking it, and taking up a sensible posi tion as housemaid."

"I've chucked the knife-cleaner job or, rather it has chucked me-There, it had slipped out.

Then, on the very instant, he heard queer sound, and turned just in time o see the punt hit the bank violently, while the girl slid down the pole, which had stuck in the mud, into the water. The fat old man shouted.

In moments like that you do not stop to think. In an instant, Jim had thrown off his coat and shoes and had flung himself into the water. struck out for the girl. She could not

## TEETHING makes HIM FUSSY

One of the most important things you can do to make a teething baby comfortable is to see that little bowels do their work of carrying off waste matter promptly and regular-ly. For this nothing is better than Castoria, a pure vegetable prepara-tion specially made for babies and tion specially made for battles and children. Castoria acts so gently you can give it to young infants to relleve colic. Yet it is always ef-fective, for other children, too. Remember, Castoria contains co aarsh drugs, no narcotics—is absolutely harmless. When your baby is fretful with teething or a food ipset, give a cleansing dose of Castoria. Be sure you get genuine Castoria with the name:

Chart Fletcher.

CASTORIA CHILDREN CRY FOR IL

## TIKED AFTER 10 HOURS SLEEP

After Lunch Would Sleep 3 Hours

NOW SHE HAS "THAT KRUSCHEN FEELING"

Everyone knows the meaning of the famous phrase: "That Kruschen feeling." Well, here is a typical instance of the extreme reverse of that condition. This woman had a perpetual tired feeling. See how it affected her:
"I am 31 years old, and the mother of two small sons. So my life is a very busy one. Ever since I can remember, I have always suffered with a feeling of tiredness, and never felt ready to get up in the morning, even after 10 hours sound sleep. I have often felt so tired after lunch, that I have slept for 3 and 4 hours, having to do the work in the evening. I cook Kruschen Salts for a fortnight—and lost the tired feeling completely. I feel fresh and wide warke, and I have never felt better in my life."—Mrs. E. M. W.

fortnight—and lost the tired feeling completely. I feel fresh and wide make, and I have never felt better in my life."—Mrs. E. M. W.

Millions of men and women all over the world take Kruschen Salts daily—not because they are really sick, mind you—but because they are really sick, mind you—but because they are really sick, mind you—but because they are really sick, mind you —but because they are really sick, mind you —but because they are really sick, mind you want joyous health and glorious vigor—to sleep soundly and arise in the morning fit and refreshed—if you want to work hard and enjoy your day. Millions of people are enjoying their daily labours, thanks to the little daily dose of Kruschen.

People who take Kruschen Salts every morning don't have headaches, and are always free from constipation, Drug Stores at 45c, and 75c, per bottle,
