

C. R. Itic Visits Rocklyn

Dear Mr. Editor and Readers,— I neglected last week to tell you about a visit I made to Rocklyn a week ago last Friday. It happened this way: Jimmie Bradley and I have been "quite chummy" since I helped him get the race track fixed up for the fair and as he was going to Rocklyn to attend the Euphrasia Council meeting he invited me to come along. Jim has a brand new car and he drives it well. As a matter of fact I don't believe there is a more careful driver in the whole county. But this is not a recommendation for James Bradley so I better get to my story.

After Jim had given me the invitation I slipped over home to see the little woman to get her permission to go. She was a little reluctant in giving her consent as I haven't very much insurance on my life but I finally persuaded her to let me go. I wasn't long in getting my Sunday clothes on and Jimmie and I were soon on our way to the capital of Euphrasia township.

When we arrived in the village we left the car at Alonza Smith's garage. We then went over to the Township hall where the Council was in session. I hadn't been at a meeting of the council for a great many years and very few of the old timers were present. Harry Thompson, the Reeve, occupied the big chair at the end of the table and to his right sat Nat Curry, the Clerk. Around the table with them were Councillors Sandy Cook, Herb Parker, Jim Gilchrist and Joe Halbert. Art Pledger, the Treasurer, was on the job with a big bunch of cheques to pay the orders passed by the Council.

Earl Kirkpatrick, the road superintendent, was on hand and gave the members of the council a good deal of information regarding the road improvements. I wasn't there long when my old friend Bill Wright came in. Bill and I have been quite chummy for a great many years and I was mighty glad to have an opportunity of spending an hour or so in his company. Forbie Gott and Harold Kerr were there in their official capacity, the former as Weed Inspector and the latter Tax Collector. Dave Binns, who has done the assessing for several years, was also on the job and appeared to know everybody.

I had time to call at Charlie Taylor's store where I met my old friend Mike Foy. Mike and I used to supply the music for dances when we were a bit younger than we are today.

While knocking around I met George Welland, the painter, Geo. Curry, Bill Burrell and a few others. I missed my good old friend, John Miller. John was always present at the council meetings in the good old days and I was hoping that I might meet him there again. Jimmie and I made good time coming home and the little woman was quite relieved when I walked in all in one piece.

The paving work still continues but I am not on the job much, as the weather is not too good and I don't enjoy standing around in the rain.

Yours truly,
C. R. Itic.

Charles F. S. Craven

On Wednesday, Oct. 14th, 1931, one of the pioneers of Grey County in the person of Charles Franklin Stewart Craven passed away at his home in Holland township. He was in his 82nd year and was born in London township. When a young man he moved to Chatsworth where he was married to Miss Ann Sowerby. They resided in Sullivan township for a few years before settling on the farm in Holland now occupied by his son John. Mrs. Craven passed away 33 years ago. He is survived by four sons and four daughters, namely: Thomas and Charles of Nipawin, Sask.; Emerson of Holland Centre, and John on the homestead; Mrs. Jas. Kirk (Maggie) of Derby; Mrs. Thos. Bentham (Jennie) of Flesherton; Mrs. John McMullen (Maud) and Mrs. Jos. McMullen (Ruth) of Holland Centre. One sister, Mrs. Kate Blair of Detroit also survives.

The funeral took place on Friday to the Anglican Cemetery at Berkeley. Rev. C. O. Pherrill of Markdale conducted the funeral services. The late Mr. Craven was a devoted member of the Anglican Church for the past 45 years.

The deceased was a man of upright character and was held in the highest esteem by all who knew him.

Wm. Stuart Killed When Car Skidded

Wm. Stuart of Powassan, brother of Mr. Fred Stuart of town, was instantly killed at Richmond Hill when the car he was driving skidded on the wet pavement and crashed into a moving street car early Wednesday evening. With him at the time was his brother, John of Burk's Falls, who was seriously injured. He suffered a crushed breast bone and face and wrist lacerations and was taken to the Toronto General hospital. His condition is considered very serious and his brother Fred left Thursday morning to be at his side in the hospital.

The late Wm. Stuart was the eldest son of the late Mr. and Mrs. Jas. Stuart of Kimberley. There are five brothers and one sister surviving, Jasper of Meaford, Fred of Meaford, Fred of Flesherton, Robt. of Thornbury and Charles and Mrs. T. Ellis of Kimberley.

Much sympathy is extended to the family upon the sudden bereavement they have experienced.—Flesherton Advance.

Royal's Publicity Car

The Royal Winter Fair Publicity car—a pullman of the King's highways—in the course of its tour of Central Ontario is visiting Markdale and district on October 23rd. The sole purpose of the tour is to bring the Royal home to rural Ontario. By close personal touch it gives everyone interested in Canada's leading agricultural show an opportunity of learning at first hand the Royal's wide-spread aims for higher standards of agriculture.

Everybody is welcome to hear the story of the Royal from the official in charge. They will find him courteous and friendly—a cheery son of Old Man Ontario.

The rosy outlook for the forthcoming Royal Winter Fair has prompted the management in taking this novel step to bring interest in the Royal to the very doors of its supporters. The co-operation being given by farmers and agriculturists all over the Dominion has never been more wholehearted than this year. It is quite plain that they are determined that rough times abroad in the big world shall only spur them on to greater achievement at home.

The Royal is commemorating the tenth year since its "birth", not to "toot" about its youth or age, but in these uncertain times to recall, as an encouragement to the Canadian people, the great strength and confidence it gave to agriculture when it was founded in the depressed after war years.

Readers of The Standard are cordially invited to visit the car. And, as special railway rates of a fare and a quarter will be available, everyone is invited, also, to visit the Royal Winter Fair during its eight-day show, November 13-26.

Advertise The Home Town

No business in any town should allow a newspaper published in his town to go without his name and business being mentioned in its columns, says the American Banker. This applies to all kinds of business or professional men. It does not mean that you should have a whole, half or even a quarter page advertisement in each issue of the paper but your name should be mentioned, if you do not use more than a two line space. A stranger picking up a newspaper should be able to tell what business is presented in the town by looking at the paper. This is the best possible town advertisement. The man who does not advertise his business does an injustice to himself and the town. The life of a town depends upon the live, wide awake and liberal advertising business man.
