County Paving Work
 (Flesherton Advance)
 Considerable discussion has taken place the past several weeks as to the paving of the County roads in the village of Flesherton and Markdale, and the town of Meaford. A statement was given by the County Road Superintendent of the cost to the County of about \$75,000, but it was not accurate as to the ultimate cost to the County. The provincial share and the shares of the municipalities where the paving took place were to be taken from the amount. The figures supplied by the County Engineer in figuring the cost to each municipality shows that the total payment for cost of pavement would be \$19,120 and the share of Osprey would amount to the sum of \$1,013.36, the payment of which would be spread over a period of 20 years. Artemesia's share of this expenditure would be approximately \$1,032.77.

In comparison take the cost to the County of the black base pavement in the village of Dundalk. According to the engineer's figures the cost was \$22,250 and the township of Osprey was obliged to pay \$1,179.25 and Artemesia's share would be approximately \$1200.

The County this year was fortunate in securing the paving at a cheaper price than ever before and we pay less than those who had the pavement laid previous to this year. However, the paving in the village and towns is now completed and the only county pavement construction will be the remainder of the Garafraza and No. 10 highways.

Why so much fuss over this year's paving should be raised against the towns and villages when the construction is finished, is beyond us.

In Memoriam
CORNFIELD—In loving memory of our dear son, Eddie, who passed away, Dec. 29th, 1929.

Two years gone by, no one can tell
 The loss of a son we love so well.
 Short and sudden was the call
 Of one so dearly loved by all.

The blow was great, the shock severe,
 We little thought his death so near.
 And only those who love can tell
 The pain of not saying a last farewell.

Sadly missed by Father, Mother,
 Brothers and Sisters.

More advertising means more business.

Unique Christmas at Banff

was witnessed recently at the Banff Springs Hotel when Hilda Banff Rocky Mountain Goat, 36-hour-old Stony Indian pupose (inset) was christened in the courtyard of the hotel in the presence of around 500 guests and with A. H. Devenish, manager of the hotel, and Mrs. Devenish, acting as God-father, and Godmother. Left to right the group shows: Noah Rocky Mountain Goat, father; Mrs. Devenish, holding pupose; Mrs. Devenish, holding pupose; Mrs. Devenish, holding pupose; Mrs. Devenish, holding pupose; Mrs. Devenish, holding pupose.
