

Wodehouse

The garden party held here on Wednesday last was a decided success from beginning to end. At six o'clock the two ball teams, Cherry Grove and Vandeleur, gathered for the game with a large assembly of onlookers. The game was closely contested. Vandeleur seemed to be faring not so well until near the last when the tide turned and they sallied ahead a few scores but in the last round Cherry Grove won by one score. This was followed by a sumptuous supper served by the ladies. Then the evening ended by the three act play "Marrying Anne" which was much enjoyed, seemingly, by all. Everyone had their part well practiced and are deserving of much credit. The door receipts amounted to \$52 and the booth receipts were in the vicinity of \$10.00, net.

Many from this vicinity attended the auction sale of Mr. Ross Hutchinson's, Heatboote, on Friday last. Many of the friends of Mrs. Clive Dolon and babe of Detroit, formerly Miss Olga Lawson, were pleased to have her with them at the garden party here on Wednesday.

After supper a baseball game was played between Holland Centre and Keady. The Holland Centre boys won by 20 to 15. The full nine innings were played and the crowd had a run for their money. The Boys' Band of Owen Sound furnished the music on the grounds and gave a varied program of music in the hall. A boy of 12 years rendered a cornet solo and was loudly applauded. Rev. Sydney acted as chairman. The attendance was not so large as last year but the Ladies' Aid have quite a large sum in the treasury after paying all expenses.

One of the large transports passing through the village with an extra high-piled load, caught the hydro wire, breaking it and causing quite an excitement for a few minutes. However no damage was done excepting to the wire.

Every person in this world is of some use, even if it is nothing more than serving as a good example. It takes two kinds of powder to make the world go round. One kind goes off with a bang and the other goes on with a puff.

We notice by an item in The Dundalk Herald where a hen belonging to Rev. Joseph Jarvis of Bognor laid a chocolate coated egg. There is nothing strange about that. We have hens here which lay white eggs with yellow centres.
