Here and There

Practically an egg a day is eaten by every man, woman and child in Canada. The average per capita yearly consumption of eggs in the Dominion is 361, the highest of any country, according to an official computation.

Canada's gold production in 1931 reached the new high total of 2,682,776 ounces valued at \$55,457,900. This is 27.6 per cent above the 1930 production. Of this total the province of Ontario accounted for 2,079,752 ounces valued at \$42,992,268.

New Brunswick can now claim the rare distinction of producing a white squirrel. The animal was caught by Jack Felsing of Fredericton who trapped it near the village of Lincoln. It has been bought by the government and will be mounted and placed on exhibition.

Hon. Cairine Wilson, Canada's only woman Senator, arrived recently at Quebec on board the Empress of Australia, from a trip through Europe. While in London she visited the House of Lords, but could not make comparisons with the Senate since the House was not in session.

Western plains have been given a boost by the rains of the last days of April and farmers of the prairie provinces are cheered by the government and good prospects of crop success, according to information summarized by the Canadian Pacific agricultural department crop report.

Following the announcement of reduced ocean rates on Canadian Pacific ships on the Atlantic, one of the largest parties ever to leave Toronto at this time of year for the Old Country sailed recently aboard the Duchess of York. There were 275 in the party drawn from all parts of eastern Ontario but mostly from Toronto.

The first cases of roses and shrubs from France for Grand Pre Park, Nova Scotia, arrived there recently. They are from Chateaufort, France, the gift of the mayor of that town. Chateaufort is one of the places in France where the exiled acadians settled after the Grand Pre expulsion.

Four stretches of New Brunswick trout and salmon waters were sold at the Department of Lands and Mines recently for prices totalling \$8,850. These leases for a term of 10 years are on the Kedgewick, Kedgewick, Matapedia and Big Sevogee Rivers and prices paid are the annual rental charges.

Daylight saving time, commencing in Quebec and Ontario provinces May 1, occasioned little confusion on Canadian Pacific travel. Travellers have nowadays learned that the railways remain on standard time and govern themselves accordingly. The railway announced a number of train time alterations prior to the introduction of daylight saving.

From little Norfolk Island in the South Pacific, one of the smallest units in the British Empire, an excellent sample of beans for exhibition at the World's Grain Exhibition and Conference to be held at Regina July 1933, has just arrived. Norfolk Island is the scene of the punishment of the mutineers of the "Bounty" in 1856 but it has long ago changed from a penal to a prosperous settlement. (541)

Here and There

Anticipations are that there will be an attendance of 500 Rotarians at the district convention to be held at the Cornwallis Inn, Kentville, N.S., June 1 and 2. It is expected that Sir John Bennett, of St. John's, Newfoundland, will address the convention.

Hon. Gordon S. Harrington, premier of Nova Scotia, accompanied by Mrs. Harrington, left Halifax recently for Montreal where they boarded S.S. Duchess of Bedford for a short holiday in the Old Country. During his absence, Hon. Percy C. Black will be acting premier of the province.

"It is not too much to say that any improvement in the revenues of the railroads will immediately make itself felt in all channels of trade and that the maintenance of railroad solvency will do more than any other domestic factor to restore strength to the nation's institutions," says an editorial in the Charleston, S. C., Post.

The "career open to merit" in railway affairs is well illustrated in the case of Charles H. Ewing, a railroader for 49 consecutive years, recently promoted president of the Reading Company. In 1883, at the age of 17, Ewing began his railroad career as a rodman in the employ of the Philadelphia & Reading Railway, now the Reading Company.

There were 417 moose and 9594 deer shot in New Brunswick last year, according to figures contained in the annual report of Chief Game Warden H. H. Ritchie to the provincial Minister of Lands and Forests. There was also a very successful partridge season with a bag of 41,469 birds.

Warmer weather and generally favorable conditions point to normal development of the western wheat crop, according to the report of the agricultural department of the Canadian Pacific Railway. Virtually all of Manitoba's seed is in and Saskatchewan and Alberta seeding will be completed by the end of the third week of May.

Two famous globe-trotters, Dr. Roy Chapman Andrews, noted anthropologist, and Bob Davis, New York Sun's world-girdling correspondent, came together at Victoria recently on Canadian Pacific liner Empress of Canada, the former on his way to Peking and the latter travelling with Mrs. Davis to Honolulu.

Success attending the inaugural cruise of S.S. Princess Alice last year to northern British Columbia and Alaska has led the British Columbia Coast Steamship service to provide another special Alaska cruise with the S.S. Princess Charlotte, leaving August 9 from Vancouver. It is announced by E. F. L. Sturdee, general passenger agent, Canadian Pacific Railway.

Capital, labor, the learned professions, diplomacy and business were all represented in the passenger list of the Canadian Pacific liner Empress of Australia on arrival at Quebec recently. The list included Sir Charles Gordon, president of the Bank of Montreal; Tom Moore, president of the Trades and Labor Congress of Canada; F. E. Meredith, K.C., Dr. Moser, consul-general for Czechoslovakia and Colonel Hercule Barre, Canadian Government Trade Commissioner in Paris.
