Cherry Grove W. I.

The regular monthly meeting of the Cherry Grove W. I. was held at the home of Mrs. J. Matthews on August 4th. It was opened in the usual way with ode and prayer in unison. The minutes of the last meeting were read and the reports from the different committees were heard. The main topic of discussion was a Leap Year Dance to be held at the home of Russell Boyce, August 12th, Derry Day. This promises to be a grand event and a nominal fee will be charged at the gate. Luncheon will be served. We hope to have a good crowd. A hearty vote of thanks was tendered to Mr. and Mrs. Jas. Penelton for their kind hospitality the day of our picnic. Our July meeting was held in the form of a community picnic in Mrs. Penelton's grove. It turned out very wet so we were invited to the home of Mr. and Mrs. Penelton to enjoy the afternoon under cover. Despite the unfavourable weather a very enjoyable time was spent. Two weeks later our branch was royally entertained by the Vandeleur Ladies at the home of Mrs. Wm. Swanton.

The program was opened with community singing. Following this Mrs. Dickie gave her report of the district annual convention held at Vandeleur in June. Then Mrs. Ira Schell and Mrs. Dickie favoured the crowd with a duet. Next Mrs. Arthur Bowen gave a paper on "The Woman on the School Board, is she needed? This was extra good and it is such a wide subject that it would be a suitable title for a debate. A number of the visitors then selected a song from the song sheet and community singing was enjoyed again. This was our educational meeting so the roll call was answered by an industry of Grey County and where it is carried on. A dainty luncheon was served at the close of the meeting by the hostess, assisted by her daughters, Miss Cora and Mrs. Bert Burrell. The next meeting will be held at the home of Mrs. Will Hodgson on September 1st.
