Mercer - Macalister

Moosejaw Times-Herald
A very pretty wedding was solemnized at St. Andrew's Church on Monday, October 16th, at 3:30 o'clock, when Mary Anderson (Mollie), second daughter of Mr. and Mrs. T. W. Macalister, of this city, became the bride of Wallace Kendall Mercer, elder son of Mr. T. L. and the late Mrs. Mercer of Markdale, Ontario. The church was beautifully decorated for the occasion and the ceremony was performed by the Rev. J. A. MacKeigan, pastor of St. Andrew's Church. The bride, who entered the church on the arm of her father to the strains of the "Bridal Chorus" from Loheingrin, played by G. T. Veary, A.R.C.M., A.R.C.M., was becomingly attired in an ankle length gown of beige embroidered net, with picture hat in corresponding tones and accessories of Coral blush, and carried a sheaf of sweetheart roses, white heather and maiden hair fern. Miss Elsa Macalister, in an ankle length gown of stargold silk lace, silk transparent velvet turban and accessories in harmonizing tones, carrying a bouquet of pale yellow carnations, attended her sister and Dr. Harris S. Johnstone attended the groom. Mr. Hugh Thompson Jr. and Mr. Archie Macalister, brother of the bride, acted as ushers. During the signing of the register Dr. F. C. Harwood, in his usual pleasing manner, rendered a solo, "My World." As the bridal party left the church a plane from the Moose Jaw Flying Club, of which the bride was an active member, circled over the church at a low altitude. Immediately following the ceremony a reception was held at the home of the bride's parents, who received with the bridal party. The bride's mother chose a gown of black georgette and lace with smart black velvet hat with capucine trimmings and a corsage of tea roses. Miss Agnes, sister of the bride, wore black chiffon velvet with hat to match and a corsage of roses. The table, covered with a beautiful cloth of hand-made lace, was centred with a three-tier wedding cake, banked in pink tulle and roses, with bud vases and pink tapers completing the decorations, from which Mrs. M. C. Norrington poured tea and the Misses Mabel Norrington, Arlie MacBain and Agnes Macalister assisted. The Rev. J. A. MacKeigan proposed the toast to the bride, which was fittingly responded to by the groom. Mr. and Mrs. Mercer left on a motor trip through the United States and Eastern Canada. The bride's traveling costume was a smart blue suit with fox trimmings with hat and accessories of blue. After November 1st they will be at home to their friends at 104 James Street, Brockville, Ontario.

Stevens - Risk

A quiet but pretty wedding was solemnized at the parsonage in Dundalk on Saturday, October 15th, by Rev. Edward Baker, when Luella Jessie, second daughter of Mrs. Risk and the late John Risk of Epping was married to Ellwood Victor Stevens of the East Backline, Artemesia, second son of Mr. and Mrs. A. Stevens of Victoria Corners.
The pretty young bride looked lovely in a handsome gown of Spanish blue silk and lace with matching accessories. The young couple were unattended and left on the 4:30 train for Toronto and other points. After a short honeymoon they will reside for a time with the groom's parents, later going to their own farm near Flesherston.
Best wishes are extended to the young couple by a host of friends.
The home of Mrs. John Risk at Epping was the scene of a merry gathering on Thursday night, Oct. 20th, when about seventy-five friends and neighbors gathered to do honor to Mr. and Mrs. Ellwood Stevens. A most elaborate shower of useful and beautiful gifts showed the esteem in which the young bride is held here where she has spent most of her life. The evening was spent in cards and dancing and at the mid-night hour the newly-weds were called to take chairs when the following address was read:
Dear Luella:
We are here to-night to spend a social evening with you before your removal from our midst. While you have not always been here during the last few years, we feel that you still belong to us and we are very sorry that you are going so far away.
However we ask you to accept these gifts, not for their value, but because we hope when you see them you will think of the friends and neighbors whom you have left here.
All join in wishing you a long, happy and prosperous married life.
Signed on behalf of the community.
J. W. Cornfield,
Clifford Ward.
Mr. Stevens, in a few well chosen words, thanked one and all for their gifts and kindness and invited all to visit them in their new home near Flesherston.

Orange Hall Dedicated

Successful Fowl Supper and Degree Competition Conducted
Friday was a big day for Markdale Orangemen and their friends. The new hall was dedicated, a fowl supper was given and the inter-county degree competition was conducted at which many from out of town were present.
The dedicatory ceremony was conducted by Lieut.-Col. the Hon. T. Ashmore Kidd, Grand Master and Sovereign of the Grand Orange Lodge of British America. The lodge was opened at five o'clock and the grand Master was received and introduced to the brethren present.
After the dedication the lodge was closed and all adjourned to the armchairs where the fowl supper was served. Following the supper a short program of addresses was presided over by Mr. W. J. Sutherland of Owen Sound. Lieut.-Col. Kidd gave a splendid address in which he told of his visit to Ireland during the summer. He was followed by Mr. L. C. Saunders, Past Grand Master of Ontario West, who gave a stirring address on Orange principles.
The officers of the County Lodge of East Grey then took charge and the Inter-County Degree Competition was conducted. Four teams were supposed to compete but North and South Grey lodges were not represented. Massie lodge, representing West Grey, was awarded the shield with 97½ points with Maxwell for East Grey a close second with 97 points. Mr. J. J. Matheson was in charge of the winning team and Mr. H. W. Kernahan of the Maxwell brethren. The work of both lodges was almost perfect and they were congratulated by the judge, Mr. Saunders, on their efficiency.
Before closing it was decided to have a competition in the Blue Degree in Markdale on the evening of the third Friday in October of 1932.
All parts of the county were represented at the gathering which from every point of view was considered most successful.

In Memoriam

BURTON—In loving memory of my dear husband John Burton, who passed away, Oct. 26th, 1931.
A tribute of love and remembrance to one I will never forget. Sadly missed by his wife.

Clark - Murray

A very pretty wedding was solemnized at the home of Mr. and Mrs. John Murray, of Goring on Saturday, October 15th, at 12 o'clock, when their daughter, Laura Edna, was united in marriage to Henry Maurice Clark, son of Mr. and Mrs. F. Clark of Goring, Rev. Mr. Lowry of Walters Falls, officiating.
The bride, who was given in marriage by her father, looked charming in a gown of maize georgette. She carried a bouquet of sweetheart roses. Miss Dorothy Beckett played the wedding march. The groom's gift to the bride was a beautiful wrist watch, and to the pianist a silver compact.
Immediately after the wedding dinner the happy couple left on a motor trip. The bride travelled in a green coat trimmed with seal collar and accessories to match.
Jack Miner in Markdale
Jack Miner, the noted Canadian birdman, appeared in the Armouries here Monday afternoon and evening under the auspices of the local branch of the Canadian Legion and was greeted by good sized audiences at both appearances.
In the afternoon he talked to the school children in particular and his address was most interesting. The pictures shown made his talk very clear and instructive. In the evening there was a good turn out and all enjoyed his address.
He told of his early life in Ohio before the family moved to Essex County. Here he worked in the brickyard on his father's farm where he first conceived the idea of getting closely acquainted with the Canadian wild goose. He has trained many of them and tags have been placed on the legs of thousands of them. He feeds them on their way south in the fall and on their return in the spring. This year it took 10,552 bushels of corn and 500 bushels of other grains to satisfy the great numbers which came to his place. He is a most interesting speaker and his knowledge of birds is simply wonderful.

Grey Deanery Meeting

The fall meeting of the Grey Deanery held at Chatsworth on Wednesday of last week was largely attended by members from all over the county. The fall meeting is held in the interests of the Sunday School and the Anglican Young People's Associations throughout the county.
The meeting convened at 10:30 in the morning with Holy Communion at St. Paul's Anglican Church with Archdeacon Doherty of London, in charge. He preached a fine sermon, taking as his text, "This is a day of good tidings and we hold our peace." He emphasized the numerous advantages of this country when compared to conditions in other countries at the present time and urged all to count their blessings. The Archdeacon was assisted by Rural Dean Hurford of Shelburne, and the church rector, Rev. J. G. White. Rev. W. H. Dunbar of St. George's Church, Owen Sound, also assisted.
The laymen met at 1:30 in the afternoon. Mr. J. H. Hartman of Meaford, former lay commissioner, spoke at the meeting. Dr. Thompson of Meaford, also addressed the gathering. The clergy held a meeting of the chapter in the afternoon as well.
The general meeting opened at 3 o'clock with Rural Dean Hurford as chairman. Rev. Painting of Meaford, who is the Sunday School and A.Y.P.A. superintendent, gave the report of these two classes of work which showed an increase in attendance in the Deanery over that of 1931. Rev. H. A. McMaster of Orangeville, gave a fine address on the Young People of the church, presenting their problems in a very interesting manner.
Rev. Gallaher of St. Thomas Church, Owen Sound, also addressed the meeting on Sunday School Work. He emphasized the fact that Sunday School teaching in the present day is creative, whereas in the older generation it was transmissive. Our aim is wisdom, theirs was knowledge. His idea was to educate the young to use the world to its proper end. His second point was the fact that religious education is child-centred, while in the past it was material-centred.
An interesting event took place at Walters Falls Anglican Church in the evening when Rev. W. G. Bugler was inducted into the church by Archdeacon Doherty. The sermon was preached by Rev. W. H. Dunbar who was assisted by Rev. Gallaher. A large congregation was present. Rev. Bugler is a former curate of St. James' Church, London.

Martha Ann Bowes

Miss Martha Ann Bowes, daughter of the late Mr. and Mrs. James Bowes of St. Vincent, passed away at her home on the 11th line on Saturday, Oct. 22nd. She was born and spent all her life on the farm where she died. She was a member of Trinity United Church, was an active member of the Ladies' Aid and a teacher in the Sunday School.
Five brothers and three sisters survive, namely: Wm. S. of Markdale; John of St. Paul, Minn.; Victor of St. Vincent; Lewis in British Columbia; Mrs. Wm. McLoughry and Mrs. David Foster of Markdale and Mrs. John Hurd of Flesherston.
The funeral took place on Tuesday to Lakeview Cemetery at Meaford.
\$12.50 Saved
Farmers and others having fowl to sell should be careful in dealing with strangers. Many city buyers are going through the country picking up fowl at a way less than their value. We were told the other day of one transaction where a farmer was paid \$12.50 more for his fowl because of the timely arrival of one of the Markdale dealers. The city buyer had arranged to take 33 chickens, 14 hens and eggs valued at \$3.00 and to pay for them with \$34.00. The local dealer convinced the owner that he should sell by weight and assisted in the weighing. When they were figured by weight the amount paid for them was \$46.50, just \$12.50 more than the price first named. Local dealers buy by weight only and are paying the market price in Toronto which is a guarantee that full value will always be given.

Miscellaneous Shower

Previous to her marriage to Mr. Maurice Clark on Saturday, Miss Edna Murray was tendered a miscellaneous shower at the home of her parents, Mr. and Mrs. John Murray, Goring, on Tuesday evening last. Over a hundred guests were present and the many lovely gifts were unwrapped and the accompanying good wishes read by Messrs. Raymond Rennie and Bert Parker, who were the sponsors of the evening. The bride and groom expressed their thanks gracefully and the groom's father, Mr. Foster Clark, and the bride's mother also made short but happy addresses. Refreshments were served and the remainder of the evening pleasantly spent in games and dancing.

Bible Society Makes Appeal

The announcement that the annual collection for the Bible Society is now being made recalls something of the immense service which this strange organization renders to Christendom.
No undertaking in which the Christian churches of the world have joined has prospered as has the Bible Society. The story of its effort, extending well over a century and a quarter is the story of a successful and ever growing effort of Christendom to provide the Scriptures in all languages spoken throughout the world. To have distributed the Scriptures in over 650 languages, and at the rate of a million copies a month is an accomplishment, the magnitude of which will not readily be understood.
Apart however from this stupendous labour involved from a literary standpoint there is the consideration of the Society's spiritual power in this undertaking to send to the furthest corners of the earth the Scriptures in the tongues of the people. The Bible Society has come to be an integral part of all Christian Missionary enterprise. No church could succeed in its missionary work without the Society's help. In addition to this, it is itself a great distributing agency, employing over one thousand colporteurs to carry the Book to the very ends of the earth.
There has existed for many years a successful branch of the Bible Society in Markdale. The present officers of which are: Messrs. W. J. Messenger, President and F. J. Ritchie, Secretary-Treasurer, and the Society has always had the warm support of the community. No undertaking which appeals to us for help is more worthy, nor more far reaching in its effects. The collectors should meet with a friendly and generous reception.

Engagement

Mr. and Mrs. Wm. Smart of Euphrasia wish to announce the engagement of their second eldest daughter, Alice Muriel, to James Edwin Boyes, second youngest son of Mr. and Mrs. George Boyes of St. Vincent. The marriage to take place quietly in November.

Barrhead W. I.

The October meeting was held at the home of Mrs. Wesley McNeill Oct. 20th. The meeting was opened in the usual manner with 14 members and 6 visitors. The roll call was answered by "My one superstition." After the minutes had been read and adopted the business part of the meeting took place. It was decided to send a delegate to Toronto Convention, Miss Mary McNeill being chosen. Mrs. Allen White gave a very valuable paper on "Our Dominant Mood." We all enjoyed community singing. The next feature was a debate, "Resolved that it is better for a girl to engage in Domestic Science than to work in an office or factory." The affirmative was upheld by Mrs. Will Bowles and Mrs. Lawson Whitehead, Mrs. T. Torry taking Mrs. Whitehead's place. The negative was taken by Miss Catherine Davidson and Miss Mary McNeill. The judges were, Mrs. Ritchie, Mrs. Joe McKee and Miss Tidy. Though many good points were brought out on both sides it was decided the negative upholders had won. Miss Alma Wilson gave the current events, which brought the meeting to a close by singing God save the King. After this the hostess served lunch, assisted by Mrs. A. White, Miss Catherine Davidson and Miss Mary McNeill. Next meeting is to be held at the home of Miss Emma Littlejohn on Nov. 17th at 8 o'clock.

Vandeleur W. I.

The October meeting of the Vandeleur Women's Institute was held at the home of Mrs. Harold Knight. After the usual opening with Ode and Prayer, the minutes were read and a discussion followed on the purchase of seats for the Institute. It was decided that the Institute buy five. No delegate is being sent to the convention in Toronto this year. Dr. McArthur was present and gave a very interesting address on "Sterilization." This talk was very helpful and instructive. The roll call was answered by the members and visitors telling stories of pioneer days. The singing of the National Anthem brought the meeting to a close.
Lunch was served by Mrs. Thos. Freeman, Mrs. Frank Taylor and Mrs. Harold Knight.
Next month the meeting will be held at the home of Mrs. Dane McGee.
