Business matters were discussed. The officers of last year were all re-elected: Pres., Mrs. Nelson Kirk; Vice-Pres., Mrs. Thos. Wiggins; Sec., Mrs. A. E. McConnell; Treas., Mrs. Mrs. Caswell; Organist, Miss Ina Bradley. Collections amounted to \$1.50. One new member joined. The February meeting is to be held at the home of Mrs. Ed. Stafford. Rev. Laycock closed the meeting with prayer. The hostess served a dainty lunch, assisted by Mrs. Chas. Rowe, which brought an enjoyable afternoon to a close.

EUGENIA

Those on the sick list are nearly all better. There was a larger attendance at church on Sunday. Rev. McNeill chose for his subject: John's estimate of Jesus Christ. The previous Sunday his sermon was Christ's estimate of John. (In recording this last week your correspondent made a slight error stating "Paul" instead of "John"). The pastor preached a brief but emphatic sermon on John's attitude to Jesus. We gather from his sermon that it was Jesus who laid hold upon the hearts of His land and time, and our real deliverance from the Depression will come when Jesus' teachings are impressed in the hearts of the people and the people will become His followers. There are still foul spirits to be exercised from our modern life by the power of Christ, corrupt imaginations, lewd literature, obscene stories and allusions, vile plays and motion pictures, which befoul our civilization.

The late Mrs. Thos. Wilson

Mrs. Thos. Wilson passed away at her home in Durham on Thursday, Jan. 5th, after a prolonged illness with dropsy. She was in her 75th year. Her maiden name was Miss Elizabeth Sherwood and was born in King, Ont. She was first married to Mr. Eber Smith and lived in Kimberley for many years. By this union there were four daughters and one son, all surviving but one daughter. Her husband predeceased her many years ago. She was twice married. Her second husband was Mr. Thos. Wilson of Durham, who survives her. She also leaves three brothers, Joseph, Peter and John, all in Eugenia at the present time. The funeral was held on Saturday afternoon, Jan. 7th, to Durham cemetery, services being conducted by Rev. W. C. Almack. The pallbearers were neighbors: Messrs. Lumsden, J. Matthews, W. Erwin, Sr., G. McKay, A. Baird, J. Snell and G. Becker.

Friends from a distance were: her brother, Mr. Joseph Sherwood of Eugenia; Mr. James Porteous, 8th line Artemesia and Messrs. Gordon and William Wilson of Hanover.

We extend our sympathy to the bereaved relatives.

On Friday evening a very enjoyable time was spent at the home of Mr. and Mrs. Ben Shortt in the village. A number in the village and on Mr. Shortt's mail route had contributed enough money to purchase a robe and the donors assembled at his home and spent a few pleasant hours. Music was supplied by Mr. Kilbourne Hawkins, who is quite an accomplished violinist. Lunch was served at midnight, to which all did ample justice. The presentation was made by Mrs. Thos. Fenwick and the address read by Mrs. Chas. Martin. Mr. Shortt was quite surprised and made a neat reply, thanking the donors heartily for the gift which he appreciated very much. He told of having had his two good coats stolen and an old robe left in their stead in his cutter, while he was in Flesherton one time not very long ago.

Following is the address: Eugenia, Ont., Jan. 13th, 1932.

To Mr. Shortt.—We your many friends in the village and patrons on the mail route have assembled in your home this evening to spend a few pleasant hours. We are very sorry there are a number unable to join us this evening to participate in this event, but are absent owing to illness.

As a mail courier, Mr. Shortt, you have been very obliging to the people in the village as well as on the route. These obligations we sure appreciate and are very grateful for. To show our appreciation in a small manner, we ask you to accept this robe, which we hope will help to keep you warm on your routine these cold winter days. If the robe could contain all the

warmth from our hearts, you sure would have a warm time, nevertheless we hope it suffices. You, Mrs. Shortt, see that you get your share of its use too.

Our best wishes for a year of health, happiness and prosperity go along with the robe.

Signed on behalf of your many friends,

Mrs. T. Fenwick
Mabel Williams
Mrs. C. H. Martin

That the citizens of Riverdale will soon be privileged to enjoy the comforts and conveniences of their city friends is more than a romantic dream. For according to reports two young men residing at Midway in Western Ontario have recently achieved one of the greatest accomplishments in electrical science and research since the invention of wireless telegraphy and radio. These two young electrical wizards in Bruce County, it is claimed, can extract electrical energy from the atmosphere and transmit it through space and have already given a demonstration of the feasibility of their marvellous discovery by putting on twenty-five electric lights at a distance of nearly two miles. What will be the outcome of this sensational scientific discovery remains to be seen. But we sincerely hope that the day may not be far distant when the enterprising citizens of Riverdale will be in a position to consign their kerosene lamps and lanterns, wood burning heating stoves and ranges to the junk pile and turn on the electrical juice.
