Markdale Wins Hockey Match from Flesherton

Fast Game Played Here Monday Evening

There was not much of a crowd at the local arena on Monday evening when Flesherton and Markdale played one of the fastest and cleanest games seen here in many moons. Markdale winning by a score of 7 to 6. The combination of both teams was good and most of the scoring was done on two or three-men rushes. They were very evenly matched and it was a contest right up to the finish.

In the first period Patton scored for the visitors within half a minute after the face-off. Both teams pressed hard and had a great many shots which looked like sure counters but both goalies were right on and it was just before the gong sounded to end the play that Tucker Berry took a nice pass from Singleton and beat Gibson for Markdale's first counter.

The home team took the lead early in the second when McCutcheon scored on a pass from Berry. Singleton added another when he passed the defence alone and lifted one over Gibson's shoulder. The locals added two more and the visitors one, making the score at the

end of this period 5 to 2 for Markdale.

In the third period the visitors tallied four while the locals added two making the final score 7 to 6.

The game was clean throughout and there was no rough stuff. One man got a penalty for tripping as did also one Markdale player while another got a rest for pushing an opponent into the boards. There were no star players on either team, every man doing his part well. The spectators got good value for their money and the players should profit by the experience they got in the game.

The players were:

Flesherton—Goal, Joe Gibson; defence, Reg Boyd and Harold Best; centre, H. McCutcheon; wings, Bill Patton and Dan Sied; sub, J. Johnston.

Markdale—Goal, E. Wright; defence, Bev. Johnston and Milt Perkins; centre, Tucker Berry; wings, Roy Singleton and Fred McCutcheon; subs, Bert Hamilton and Stan Kidd.

Referee—Arthur Orr, Markdale.

HERE AND THERE

A new dock and freight shed was recently opened at Midland.

Mr. John Wallace Irwin died at his home in Clarksburg on Feb. 12th.

The Meaford Express has completed 27 years of service in that town.

Morris Crane of Grand Valley had his right forearm sprained while cranking a car.

Mr. Robert Curry, an old resident of Orangeville died at his home there on Jan. 27th.

The members of the Masonic lodge in Meaford held their annual reception on Feb. 7th.

Ross' general store at Creemore was partly damaged by fire on Saturday night, Feb. 4th.

Twenty-four hundred dollars was spent for relief in Hanover from June 1932 to December 1932.

Mr. Wm. Blanchard of Meaford died at his home there on Feb. 6th, aged 83 years and 11 months.

Mr. A. A. Catton, a former Reeve of Durham, passed away at his home in Toronto on Monday of last week.

Mr. Robert Laing of Corbetton has purchased the general store at Primrose previously conducted by D. A. Scott.

Thirty cords of wood were stolen from the property of Mr. Harold Hartman at Camperdown, between Thornbury and Collingwood.

Cyril Becker of Durham has been charged with "assault with bodily harm" when he assaulted Queen

Ying, manager of a cafe there.

Hanover Masonic Lodge is donating \$50 to the welfare committee. This is the amount usually spent on a dinner on the official visit of the D.D.G.M.

IN DAYS OF YORE

February 16th, 1883

The railway was blocked by snow and no trains passed through Markdale for four days.

Moffat Bros. were building a steam engine for Armstrongs turning factory.

Flesherton Presbyterians decided to erect a church building.

February 16th, 1893

F. Jamieson sold his blacksmith shop to R. W. Horn of Durham.

Robert Lackey lost a hand in Mitchell's mill at Berkeley on Wednesday.

February 12th, 1903

Bill King, for 23 years in the draying business, sold to Thos. Wilson and was leaving for the West.

East Grey County Orange Lodge had decided to celebrate in Markdale on July 12th.

Edward Drinkwater of Berkeley died on Feb. 5th, 1903 aged 67 years.

Daniel Blaney, a pioneer resident of Holland township, died at his home in Markdale on Feb. 11th, 1903, aged 90 years.

OBITUARY

MRS. G. J. SEWELL

Mrs. George J. Sewell, a former resident of Markdale, passed away at her home in Owen Sound on Sunday, Feb. 12th. She had been in ill health for some time but had not been confined to her bed and was in Markdale a couple of weeks ago.

The deceased, who was 60 years of age, was a daughter of the late Mr. and Mrs. Richard Stonell of Euphrasia where she was raised. Thirty-eight years ago she was united in marriage to Mr. George J. Sewell and for several years they resided on the Stonell homestead, later moving to a farm on the West Backline in Glenelg. About thirteen years ago they retired to Markdale. After the death of her husband in July, 1931, Mrs. Sewell moved to Owen Sound. She is survived by one sister, Miss Annie Stonell, who resided with her, and a half-sister, Mrs. James H. Sewell, in Toronto. A daughter died in infancy and an adopted son, Albert Lawrence, was killed overseas. An adopted daughter, Mrs. Charles A. Roberts of Owen Sound, also survives.

The late Mrs. Sewell was a member of Annesley United Church here and since going to Owen Sound attended Division Street United Church. The funeral was held in Owen Sound on Tuesday and the body will rest in the mortuary chapel there until spring when interment will be made in Markdale Cemetery.

JAMES S. ROWE

From the Brantford Expositor of Saturday we get the following particulars of the death of Mr. James S. Rowe, who passed away in Brantford on Friday, Feb. 10th.

James S. Rowe, until recently principal of Dufferin school, beloved by thousands of pupils whom he taught, or over whose tuition he had supervision, loved and admired by teachers, fraternal men and others with whom he came in contact, has passed away. He died last night at his home in the Dufferin apartments after an illness of some duration.

The deceased was born in Prince Edward Island, the son of a minister who later held a pastorate in Norwich. After completing his educational course Mr. Rowe first taught school in Springfield, then in Parry Sound and next at Markdale in which place he was located from 1895 to 1911 and occupied the position of one of the leading citizens. From there he came to Brantford as assistant to the principal at Central school and shortly afterwards was made principal of Byerson school and then first principal of Dufferin. Just at the close of 1932 he retired so as to enjoy the evening of life.

A great educationist, he was a man with an understanding heart, and won the love of school children and held it after they became men and women. Striking evidence of this was given on numerous occasions, but very impressively on Wednesday, December 28th, 1932 when hundreds of his old pupils gathered at Dufferin school to bid him farewell from his school activities. It was a genuine mark of appreciation that few men receive during a lifetime.

His retirement on Jan. 1 ended 44½ years of school teaching. On that occasion numerous men, including Rev. Horace W. Snell, principal of the Mohawk Institute, who had been a pupil of the late Mr. Rowe's at Springfield in 1892, E. E. C. Kilmer, then chairman of the Board of Education, who had been associated with the revered principal for many years and a host of others paid high tribute to him as a man and a teacher. To-day they and citizens generally, bow their heads in silent tribute and extend sympathy to his bereaved loved ones.

Besides being prominent in educational circles, Mr. Rowe also held high rank in the Masonic order, past master and at the time of his death secretary of Ozias Lodge, A. F. and A. M. and also a Royal Arch Mason. He was likewise a member of the Orange and other orders. His many activities included a deep interest in the work of the Brant Historical society and for many years he had been the valued secretary of that organization. He was also active in the affairs of Brant Avenue church. In all the relationships of life he manifested a fine citizenship and his passing will come as a distinct loss to a very wide circle of friends. To mourn his departure he leaves a widow and one daughter, residing in California.

The funeral took place on Sunday afternoon in Brantford.

MRS. A. E. ROCHE

After a lengthy illness Mrs. Augustus E. Roche of this place passed away on Tuesday, February 15th. She had been ailing for the past couple of years and an operation about a year ago failed to bring relief. For some months she had suffered much but bore her affliction with Christian fortitude.

The deceased was a daughter of the late Mr. and Mrs. John Allen and was born near Milton in Halton County. After her marriage to Mr. Roche they resided at Pontypool for a short time before coming to Markdale about 35 years ago. She had been active in the work of Annesley United Church.

She is survived by her husband and two daughters, Mrs. Everett Ritchie, near Berkeley and Miss Ruby Roche, a teacher in Shelburne Public School. Four brothers and two sisters also survive, namely: William and John Allen at Milton; Archie in Montana; James at Edmonton; Mrs. H. C. Claridge of Dundalk and Mrs. Robert Wjnlaw of Ingersoll.

The funeral takes place this (Thursday) afternoon at Markdale Cemetery with a service at the house at 2 o'clock.

MRS. THOMAS DIXON

Mrs. Thomas Dixon, a former resident of Walters Falls, passed away at the home of her daughter in Brantford on Saturday, Feb. 11th, aged 88 years. Mr. Dixon passed away about five years ago at Walters Falls and since that time the deceased had made her home in Brantford, living with a daughter, Mrs. E. D. Dixon.

Before her marriage to Mr. Dixon she was Miss Hannah Heighes and was born at Walters Falls where she spent practically all her life. She is survived by six sons and six daughters, namely: John, William, Thomas and Alfred at Walters Falls; Henry at Calgary, Alta.; James at Moosomin, Sask.; Mrs. (Rev.) E. D. Dixon in Brantford; Mrs. Geo. Findlay and Mrs. J. Reid in Toronto; Mrs. J. Milroy and Mrs. H. McEellan at Sault Ste Marie.

The funeral is being held this (Wednesday) afternoon at Walters Falls with service in St. Phillip's Church at 2 o'clock.

HYDRO-EXCHANGE

Many municipalities opposed paying their share of the Hydro exchange bill, but the majority are taking a very sensible view of this matter. It was decided at a convention of the Municipal Electric Association by a vote of 2 to 1 for the Hydro Commission to pay about 46 per cent, and the remaining 54 per cent, be paid by the municipalities. This seems like a very fair way out of a serious situation as the drain on the reserves of Ontario Hydro Commission and also on the reserves of the various municipalities will not be impaired to such an extent as if either had to pay the whole amount. In a great many cases this will not cause an increase of rates. It will not locally. Now that this matter has been settled by such a large majority vote all municipalities will likely fall in line.—Tara Leader.

MAY LOSE EYE

While chopping wood in the yard at his home on the highway south of Mr. Chas. Stafford was struck in the eye by a chip and the injury was such that he may lose the sight of his eye. He was brought to Markdale and later taken to Owen Sound to consult a specialist. Some of the splinters from the chip entered the eyeball and it is feared that nothing can be done to save the sight.

HILL - MORRISON

The marriage took place February 1st, at Knox Church, Sydenham, manse, when Ella Christena, daughter of Mr. and Mrs. William Morrison, became the bride of Gordon Solomon Hill, son of Mrs. Sarah E. Hill and the late Mr. Solomon Hill of Markdale. Rev. A. M. Pope officiated.

The lovely young bride looked charming in a gown of rough blue crepe with silver trimmings, black hat and shoes and other accessories to match. She was attended by her sister, Miss Jennie Morrison, who was attired in wine velvet. The groom was assisted by Mr. Leslie Boyd of Meaford, brother-in-law of the bride.

After the ceremony the bridal party motored to the home of the bride's parents, where a sumptuous wedding dinner was served. The table was attractively decorated with pink and white streamers. The three storey wedding cake occupied the centre of the table. The happy couple will reside on the groom's farm near Markdale.

SOUTH WELLINGTON'S UNIQUE RECORD

The present federal constituency of Wellington South enjoys a distinction that probably cannot be matched in any country. Since it was organized in 1903 there have been eight general elections and one by-election. These nine contests have been won by three different parties, but only one man has ever sat in the House of Commons as representative of Wellington South. That man is Hon. Hugh Guthrie, Minister of Justice, who was first elected to the House of Commons in 1900 as the Liberal member for the old district of Wellington South. When the present Wellington South was organized under the Act of 1903, Mr. Guthrie became its representative at Ottawa and has sat for the constituency ever since.

In the wartime election of 1917, he swept in with a majority of 5,219 as a government candidate.

In the elections of 1921, 1925, 1926 and 1930, Mr. Guthrie won as a Conservative. In the 1921 election his majority was only 131, but he has increased it since.

In the 1930 by-election to confirm Mr. Guthrie in office as cabinet minister, he was not opposed.

That is a constituency record that stands unique in political annals.—Border Cities Star.

BRUCE MAN IN TROUBLE

Thomas Cooper, Saugeen Township is to stand his trial in Walkerton on a charge of committing an assault, and doing actual bodily harm on Chas. A. Bolton of the same municipality, and Cooper has commenced action against Bolton, claiming alienation of his wife's affections, it is understood. The assault, as alleged, took place at Bolton's place, which formerly belonged to Cooper, on the night of Jan. 25th, and the following day accused was arrested and brought to Walkerton. Monday afternoon he appeared before Magistrate Walker in police court in Southampton and, through his counsel, Mr. Campbell Grant, elected trial before a higher court. After evidence of witnesses called by Crown Attorney Freeborn was taken, Cooper was remanded and released on bail in the amount of \$1,950. The evidence appeared to show that Cooper went to Bolton's house, and in the presence of the latter's wife and child and hired man, he struck Bolton twice on the head with a stick of wood, inflicting two gashes, requiring medical attention. The accused man did not seem to have any immediate provocation.—Walkerton Telescope.

Redistribution Bill Likely to Change Grey County Ridings

Speculation as to Changes in Riding Boundaries

There is considerable speculation as to what changes may be made in the boundaries of the local ridings when the re-distribution bill comes before the Ontario Legislature which meets in Toronto to-day, Wednesday. There are at present 112 members in the house and it is expected that these will be reduced to about 90. It is probable that the Toronto seats will be reduced and some additional made in York County.

It is likely that some change will be made in the local ridings. Rumor has it that a new Dufferin riding will be formed. At present Dufferin is represented by T. K. Slack, U. F. O., who resides in Melancthon. One riding will likely include Shelburne, Orangeville and Grand Valley along with the townships in the south of the county and perhaps a township or two in the south-west corner of Simcoe. The other Dufferin riding might include Mulmur and Melancthon with Dandalk, Proton, Egremont, Normanby, Neustadt and Osprey in Grey County.

South Grey could then include Artemesia, Glenelg, Bentinck, Sullivan, Holland, Euphrasia and Collingwood townships with Hanover, Durham, Thornbury, Chatsworth, Markdale and Flesherton. North Grey might be made up of the remaining townships in the county along with Meaford and the city of Owen Sound and might also include a portion of the North Bruce riding. These are only guesses. Changes are going to be made but what they will be is not known at the present time.

BEING APPEALED

A deputation from the rural portion of the Flesherton Union school section met Artemesia Council at its session on Monday regarding the reduction of their tax rate to conform to the rate paid by Flesherton. At the present time Flesherton is supposed to be paying 70 per cent. of the taxes, while the rural section pays the remainder. Flesherton's tax rate is set at 8 mills to raise their share of the assessment, while it takes 11 mills to raise the rural section's share. We understand that the deputation claims that Flesherton is only paying 65 per cent. of the total and they 35 per cent. The deputation stated that under the old assessment the payments were correct, but that the equalized assessment had not been used for the present collection of taxes. We were unable to secure any figures as to assessment or amount raised from the secretary, but if there is any discrepancy, which we doubt, there needs to be a change in fairness to the rural ratepayers. Mr. John Davis, Reeve, and C. D. Meldrum, Deputy-Reeve, of the township were appointed a committee to enquire into the matter.—Flesherton Advance.
