Greenwood of Durham, and Mr. Geo. M. Fraser of Chatsworth were united in marriage. Rev. H. S. Warren of Markdale performed the ceremony. The bride, who was given away by her brother, Mr. H. L. In the evening the happy couple left by motor for a trip to Muskoka, the bride wearing a gown of baby blue fluff crepe with accessories to match. BAD ACCIDENT AT HOLLAND CENTRE

As the result of an accident which occurred at Holland Centre on Tuesday evening Mrs. George Beighton of Owen Sound is in the hospital with a fractured left shoulder blade and Mrs. Peter Telford of Holland Centre has several body bruises and cuts. Both are suffering from shock.

Mr. and Mrs. Peter Telford had brought their car to a stop on the right hand side of the road and Mrs. Telford got out of the car and started to cross the road to the post office when another car, driven by Gladwin Clarridge of Owen Sound, and accompanied by his mother, Mrs. George Beighton, travelling in the same direction came along. Clarridge saw the woman as she came from in front of her own car, and did his best to avoid hitting her by turning sharply to the left, but she was struck by a fender and knocked down. The Clarridge car went into the ditch on the opposite side of the road and turned over on its side.

A crowd soon gathered and every assistance was given the injured ladies and in a short time Dr. Mac. Phillips of Chatsworth and Dr. Palmer Carson of Desboro were on hand. Mrs. Telford was removed to her home and an ambulance took Mrs. Beighton to the hospital in Owen Sound. Both ladies were reported much better on Wednesday and it is not expected that serious results will follow.

CREAM

Selling your cream away from your local plant is like selling all your hay and grain off the farm. When you sell the hay and grain off your farm, the farm soon goes to ruin. When you sell your cream away from your local plant you are not helping to build a home market for your dairy products.

We are here to give you the very best of creamery service even in the months when the quantity is small. We therefore ask you to give this a consideration and give us your full patronage during the summer months when the quantity is more plentiful.

Our motto of doing business is always to pay Highest Possible Market Prices; Accurate Weight and Test; Best Possible Service.

We are open Tuesday and Saturday nights.
