When you buy at home you help your neighbor and the whole community. Money spent in the city for goods which could be purchased at home is taken away from the community and all are the poorer for it. When businessmen buy printed stationery from travelling salesmen they are not helping themselves or the local community.

HARVEST THANKSGIVING IN CHRIST CHURCH

The opening of Christ Church after re-roofing and re-decoration and improvement of the lighting system took place at the Harvest Thanksgiving Services on Sunday, September 24th. Rev. Prof. T. W. Isherwood, M.A., of Wycliffe College, Toronto, was the special Harvest Thanksgiving speaker.

Messages of felicitation were received from Rev. James Ward, who was incumbent at the time of the building of the church 53 years ago, and from Rev. J. A. Robinson, M.A., B.D., of Toronto, during whose ministry the church was re-decorated and extensively improved 25 years ago. An expression of regret for inability to be present was received from Rev. W. H. Dunbar, L.Th., Rural Dean of Grey.

Credit must be given to all those zealous and generous support has made possible the transformation of Christ Church into such a fitting place for the worship of God.

Professor Isherwood was the speaker at the Harvest Thanksgiving Service in St. Matthias' Church, Berkeley, assisted by Christ Church choir. The attendance at all services was splendid and the sermons and music most inspiring.

GREY PRESBYTERY

Rev. Sidney Martin, M. A., of Meaford, until recently of Chatsworth, was elected chairman of the Grey Presbytery of the United Church at the morning session of that body on Tuesday last week.

Rev. J. E. Peters, of Meaford was re-elected secretary and Mr. W. L. Young, of Markdale, was re-elected treasurer.

Rev. Edward Baker, of Dundalk, immediate past chairman, presided at the morning session, the chairman, Rev. A. D. Cornett, having removed from this Presbytery. Business at the morning session was confined to the election of officers and the devotional address delivered by Rev. W. C. Almack, of Durham, on the subject, "The Teaching and Example of Jesus in Regard to Forgiveness."

The Presbytery went on record as requesting an investigation of conditions in penal institutions in Canada. The following resolution was unanimously adopted at the afternoon session of the Presbytery.

"To the Rt. Hon. R. B. Bennett, Prime Minister of Canada.

"Grey Presbytery of the United Church of Canada desires most respectfully to draw your attention to the recent disclosures of conditions in our prison system, which call for full and immediate investigation and correction.

"We affirm that the purpose of prison treatment is the correction and reformation of the prisoner and his restoration to society as a good citizen, and we vigorously protest against any inhuman treatment which would embitter the prisoner against society."

The Presbytery also unanimously passed a resolution opposing the demoralizing effect of the use of liquor on every phase of life, religious, social and economic, we wish first to commend the firm stand taken by Premier Henry against the amendment of the Liquor Control Act permitting the freer sale of beer and wine. The resolution follows:

"In view of the agitation on the part of certain interests in the Province and the pressure brought to bear on the Provincial Legislature by certain members of the Legislature for the freer sale of beer and wine:

"Resolved that, in consideration of the further harm that would result from the sale of beer and wine by the glass to place ourselves on record, as opposed to any loosening of the restraining laws, and also to urge that the law against driving an automobile when under the influence of liquor be rigorously enforced."

When the afternoon session of the Presbytery opened at 2 p.m., Rev. George A. Williams, assistant secretary of the Missionary and Maintenance Fund, addressed the Presbytery in the interests of the Fund. The Presbytery agreed to the recommendations in the report of its committee of the Fund, regarding the cent-a-meal boxes, the young people's organizations, the holding of a field day in October and the staging of a group meeting in Owen Sound, as may be arranged by the committee to be appointed later.

Rev. A. L. Atton reported a number of very interesting figures gathered by him and his committee from the latest census returns.

The Presbytery adjourned at 6.30 p.m. to meet in Division Street United Church, Owen Sound, on Feb. 20, 1934. There was no evening session Tuesday.—Meaford Express.

E. S. RUTLEDGE WINS PLOWING MATCH PRIZE

Mr. E. S. Rutledge of Port William is reported in the Times-Journal as having won first prize in a plowing competition. On the program was a class for city men in which Mr. Rutledge competed and won first money.

Mr. Rutledge is the eldest son of the late Edward Rutledge of this place and he was born on the old homestead on the West Backline on May 15th, 1863, and is therefore 70 years of age. He farmed in Glenelg from 1880 to 1882 when he went West. He plowed a straight furrow while resident in this locality and evidently he can still plow straight.
