## VOL. 54; NO. 18.

#### TEA TIME TALK

(BY WILMA J. MARCH)

A visit to Clearwater, the Sprinstime City, with its many spleaded and contractions, made me feel that I don't be the sprins of the bighest elevation of Florida's coasts, on the gulf side of the Pinellos Penlinula, Clearwater is a year round resort center. There is a beautiful free memorial causeway connecting the city proper with the beach on the Gulf of Marko. A county seat, with a per-ament pool to be the spring considered one of the healthlest spots in the world. Long before the city became a reality, the location became and at one time was being seriously considered as the site of world health city, where persons to be treated for the Liments, person in and around clearwater, where the county seen and hence demonstration worker have headquarters and from here more canned grapetrities is shipped than from any other city in the world.

Radio station WFLA is located here, as an affiliated station of the National Broadcasting System. The Clearwater schools rank amongs the highest in the state and here, as an affiliated station of the National Broadcasting System. The Clearwater schools rank amongs the highest in the state and her experional design and their friendly spirit.

There is every kind of warm-climate sport in and around Clearwater in the state and her churches are notable for their experional design and their friendly spirit.

There is every kind of warm-climate sport in and around Clearwater where could see the state and her county as the friendshy proper than the state and her county as the state and her county as the state and her county as the nature of the state and her county as the nature of the state and her county as the nature of the state and her county as the nature of the state and her county as the nature of the state and her county as the nature of the state and her county as the state and h

HOCKEY

Markdale 10 - Owen Sound 8

Owen Sound junior aggregation here on Monday night, the score being 16 to S. The visitors had but six men on their line-up and they certainly were a smooth working bunch. They were far superior to the senior team jets is fairly adequate. It is not which played here on Christmas night. In the game on Monday evening only one of the visitors developed a penalty and they got all that was coming to them. There has never been a more gentlemanly or well ochared team appear on the fee in Markdale and the specialty.

pleased with the performance of the statistics.

Alcrkdale got the first counter shortly after the opening of the same when Johnston worked his way up the ice, passed to king and received a return pass close in and beat the goalle. Alten was given a reat for tripping and the Sounders evened the score.

The second period was a good one for the records in Science are very neatly made; others are oorly written and not very neat.

The Spelling of the pupils in the first year was above the average, the for the visitors. They got three with regard to certificates, the

beat the goalle. Altern was given a reat for tripping and the Sounders evened the score.

The second period was a good one for the visitors. They got three counters in a fow, two from close in and one on a long shot. Johnston took the only trip to the cooler in this period for tripping. Alton secured the second counter for the locals when he took a pass from took the only trip to the cooler in this period for tripping. Alton secured the second counter for the locals when he took a pass from the second counter for the sounders and beat Dundas with a hot one. Alton counted again on a pass from King. The visitors added another on a long shot and the scored on a long shot. The visitors added another on a long shot and stood: Owen Sound 7: Markdale 4: the score at the end of the period stood: Owen Sound 7: Markdale 4: the score at the end of the period stood: Owen Sound 7: Markdale 4: the line and Bill Prust counted when he took a pass in front of the goal.

The Spelling of the pupils in the first year was above the average.

Their Writing, however, was considerably better than average.

With regard to certificates, the cachers are qualified for their present duties.

The attendance at this school does not vary much from year to year, and sufficients of the transition of the promote of the strength and seven pupils are enrolled in these courses. In order to find time for the extensive program and life for the extensive program and also in the Upper School. Pupils who are anxious to continue beyond and also in the Upper School and are also willing to work, can complete the Upper School course for entrance to the Normal Schools and the Universities in the Middle School and are also willing to work can complete the Upper School course for entrance to the Normal Schools and the Universities in the Middle School and are also willing to work can complete the Upper School support of the seventeenth goal. The yisitors.

Berry counted twice from the blue the score in the sound of the pupils in the first year was above the av

# HOSPITAL NEWS

very busy—operations nearly every lay lately. It is much appreciated day lately. It is much appreciated that neighbouring doctors are bringing patients here and the advantage of having the hospital in our town is becoming more apparent. Goltra operations were performed on Jan. 1st and Jan. 2nd.

For the month of December the collecting is a brief synonsis:

For the month of December the following is a brief synopsis:
To Mrs. Manley Steer a son was born on December 6th.
Miss Agnes Macphail had a major operation early in the month and has returned home feeling fairly well.
Mrs. Cecil Monaghan progressed so well after her emergency operation that the sha was able to return

ation that she was able to return home in good time. A note of her operation was given in November Mr. H. C. Hopkins returned to hi home after an abdominal operation

Mrs. John Irwin is doing well af er a thyroid operation.

#### CARD OF THANKS I desire to express my thanks t

all those who supported me with their votes in the Rexall (Stephen) Doll Competition, enabling me to win first prize. Marion Summers

IN MEMORIAM

BEST—In loving memory of the late George Best, who died January 1st, 1933.

Just a clasp of his absent hand,
The smile on his face yet I see;
But you have gone to the better land
With Jesus in glory to be.
Sadly missed by A Friend.

# IN MEMORIAN

CORNFIELD—In loving memory of Eddle Cornfield, who passed away December 29th, 1929.

Many a lonely hour,
And many a lonely night,
Do we think of you, dear Eddie,
In Heaven, your home so bright;
God knows how much we miss you
And will our sorrows share;
It will sorry place upon us He will never place upon us More than we can bear. Sadly missed by Father, -Mother, Brothers and Sister.
