## TEA TIME TALK

(BY WILMA J. MARCH)

St. Patrick's Day — and Palm Beach! That's a combination for you. Beautiful, colorful, gay Palm Beach, the wealthy playground of America! I need to pinch myself to believe that I am really here. There is almost a minor boom on the east coast. This city and Miami are crowded and the last fling of gay activities is at high tide. Many new homes are being built and rumors have it that next winter will be a gala season.

Governor Sholtz set to-day aside as one dedicated to the aid of the Crippled Children's Foundation. All over the State, concerts, dances and tag days are being held to-day to raise funds for the benefit of these children.

President and Mrs. Roosevelt are entertaining at an anniversary dinner, having been married 29 years to-day.

Dust storms rage in Kansas, but glorious summer weather is blowing all down here. The Gulf Stream helps to bring warm, balmy days on the east coast. Mrs. Caroline Phillips died yesterday at the age of 107. That speaks well for southern sunshine.

I arrived here yesterday with friends who went farther south. The Chamber of Commerce aided me in finding old friends and school mates from Saskatchewan. They have a large city market. The President of the All-States Society is a Canadian so my welcome was assured.

Last night at one a.m. I was thrilled to hear station C.K.G.W. signing off with "O Canada" — and did I sing? To-day at the first showing of Katherine Hepburn in "Spiteful" the reviews showed Toronto's Skating Carnival with the superb exhibitions of Sonja Henie. If you could see the Ontario cars on the streets and highways you would know that we hold our own.

A galaxy of color provided by almost every blossom known in the State, combined with the verdure of ferns, palms and shrubs, has transformed the mezzanine floor of the Hotel El Verano into a veritable bower of beauty for the Seventh Annual Flower Show of the West Palm Beach Garden Club which opened to-day. One can feast upon this beauty to their heart's content.

Chief Two Guns White Bull, whose likeness appears on the buffalo nickel, died at the agency in Glacier Park, Montana, on the 13th, at the age of eighty-five. He was chosen to adorn the coin because his reputation was the most representative type of the North American Indian.

Some years ago Clarence Mackay, telegraph magnate, was greatly distressed when his daughter, Elin, married Irving Berlin. Now the wheel of fortune has turned and Berlin is a millionaire while his father-in-law has had a hard time buffing the sea of depression. The Berlins are vacationing at Nassau, Bahamas.

S. N. Rosenthal, Palm Beach winter resident, veteran maker of fine violins, has met all great musicians. He has made instruments for Heifetz and Edward Brown; has repaired them for Kreisler; has entertained in his studios Pilsner, Leopold Auer and many others. He is the owner of a priceless Paganini violin which is the most valued possession of his collection. Its value is estimated at upwards of \$100,000 and is more than 100 years old, having been made in 1826 by Felice Anon and presented to Paganini.

This instrument is made of maple and encircled with maple and spruce leaves, with the back bearing a beautiful bas-relief of the master himself beneath a star. The round the edges are the words "Ad Gloriam Paganini" and the tip is a miniature head of Durga Prugar, the Greek inventor of the violin.

Mr. Rosenthal's greatest interest is in spreading the love of music, which he believes the most outstanding influence for good in the world to-day. He has been quoted as saying "Music is essential, the one universal language. It makes friends for us everywhere, brings us closer together."

A lad in Maine years ago dreamed of adventure in distant places, and vowed that some day the dream would come true. His name is Philip Lord — now world famous as Seth Parker — started upon a globe circling voyage last December from Portland, Maine, as captain of his four-masted schooner bearing his name, which is now in the Port of Palm Beach and from which the Tuesday night broadcast will be made for Frigidaire Co. Last week's broadcast was made from the duncion at Fort Miami in St. Augustine. The schooner was towed to Riviera dock by a coast guard boat where it is open to the public.

The Sun Dance and Mardi Gras will be held on April 3, 4 and 5 and this will practically bring to a close the height of the social season in Palm Beach and points south. Thousands will go back north to rest after a strenuous season in the whirlpool of social activities. One week of this will be enough for me with flower shows, International Regatta, viewing the walkathon race, swimming shows, water sightseeing, trips to Fort Lauderdale, Lake Worth and Miami, many Tourist Club functions and what have you?

Italy hoisted her flag beside that of United States on Sunday afternoon in claiming a world championship, as the climax in the grand finale of the first great gathering of international motor boat drivers. The races were held on Lake Worth at Palm Beach. Horace Tenney, the American ace, drove his Class X to world supremacy early in the afternoon while Signor Antonio Bechi, the Italian racer, piloted his Lia V to a win over American boats in the 12 litre finals. The setting was perfect — bluest of skies and placid waters with at least five thousand spectators lining the shores. Bechi stepped his powerful craft up to a speed of 57.46 miles per hour. Tenney won four international races and landed the monster while fishing in the Gulf Stream. It battled furiously for three hours before it became tired enough to be towed into the Palm Beach harbor and landed the monster while fishing in the Gulf Stream. It battled furiously for three hours before it became tired enough to be towed into the Palm Beach harbor and landed the monster while fishing in the Gulf Stream.

A 1000-lb. devil fish or sea bat measuring 15 ft. across gave four Yale University students the thrill of a life-time the other day when they harpooned and landed the monster while fishing in the Gulf Stream. It battled furiously for three hours before it became tired enough to be towed into the Palm Beach harbor and landed the monster while fishing in the Gulf Stream.

In a 45 day racing season at Widener's track, Heales Park, \$11,692,599 in wagers was pushed through the windows by bettors who comprised a part of the 374,423 paid attendance. The daily average of betting was \$259,835. The betting this year showed an increase of 45 per cent. over last year. One sees no evidence of the big bad wolf attacking the part of the work when the State of Florida, from this one track alone, will collect \$431,811 in various forms of taxes levied.

L. C. McEvoy, Vice-President of the St. Louis Browns, states that in 1933, the best diamond in Wright field, the best diamond in Florida, there have been less than seven days in which they were not able to complete a full day's training in sunshine.

The enterprising cities of the lower orange belt, Emilia-Lazio region, have proposed to make a road through the heart of the citrus section of the state so as to give the visitors from northern climes an opportunity to see this particular attraction — the orange trees in bloom. This road will be called the Orange Blossom Trail. It is proposed that one end of the trail will begin at Vero Beach and wind into the hills and north through the heart of the state. Tourists, who have been on the coast section, with the Atlantic, or Gulf, or blue rivers, sparkling lakes and of the tourist angler, who will then pack his reel and line till its fishing time in the north.

U. hockey championship, defeating the Metropolitan All Stars, New York's entry, by 5 to 1 in the final game in New York. Jimmie scored one of the goals and was credited with an assist on another.

## WILLIAM JOHN WARD

The sudden passing on Thursday, March 22nd, of Mr. William John Ward of Euphrasia was a distinct shock to the community. Although he had not been well he was about that morning as usual and went across the road to secure a man to attend a bee for him. He then went to the barn to look after the chores. About eleven o'clock Mrs. Ward went to feed the hens and found her husband lying in the stable. He had apparently passed away from a heart attack without a struggle. Dr. R. L. Carefoot of this place was called and he pronounced death due to heart failure.

The late William J. Ward was the eldest son of the late Mr. and Mrs. John Ward of Euphrasia. He was born and raised in the Kimberley area, Markdale, where the family moved to the top of the hill on the West side of the valley and here, 44 years ago, he married Miss Elizabeth E. Westwick, who now survives. Shortly after their marriage he is in the stable, where he passed away. There were no children but they adopted Arthur Bowen and his sister, Queenie (Mrs. Wm. Walsh), both of whom reside close to their home. Surviving also are two brothers and three sisters, namely: Mr. Joseph Ward near Kimberley and Mr. Sanford Ward on the eleventh line, Euphrasia; Mrs. J. Hutchinson on the twelfth line, A. and E.; Mrs. Thos. Hawken of Kimberley, and Mrs. Alice White of Toronto. A brother, Thomas, and a sister, Mrs. James Brown, passed away some years ago.

The funeral took place on Saturday at Markdale Cemetery. Rev. C. O. Pheerill conducted a short service at the home and the remains were then conveyed to Christ Church, Markdale, where a public service was largely attended. The pall-bearers were Messrs. Gordon and Willard Wiley, Joseph Cherry, Harold Hutchinson, Russell Ward and Victor Ward. Among those from outside who attended the funeral were Mrs. Samuel Hawken, Mr. Kilburn Hawken and Mr. Milton Roberts of Faversham, and Mrs. Christie Johnston of Shelburne.

The floral tributes included a Pillow from Mrs. Ward and Mr. and Mrs. Arthur Bowen; sprays from Mr. and Mrs. Wm. Walsh, Mr. and Mrs. J. B. Hutchinson and family, Mr. and Mrs. Gordon Wiley, Mr. and Mrs. Willard Wiley, Mrs. Clara Wiley, Mrs. Sadie Squires and Mr. and Mrs. H. H. Dennison, the Guild of Christ Church and Cherry Grove W. C. T. U.

The late Mr. Ward was one of the most highly respected residents of the community and deservedly so. He was kind, sympathetic, and a man of the strictest integrity. He was a member of the Anglican Church and a Conservative in politics. By the death of Mr. Ward Euphrasia has lost one of its very best residents and the widow and other bereaved have the sincere sympathy of a host of friends in their sorrow.

MRS. A. W. EATON

At Toronto General Hospital on Wednesday, March 21st, 1934, Mrs. A. W. Eaton passed away. The deceased was formerly Miss Isabella Allen, daughter of the late Mr. and Mrs. Albert Allen of Berkeley. Later she married Mr. Eaton, who passed away about two years ago. Interment was made in Park Lawn Cemetery in Toronto.

JAMES A. CLARKE

On Wednesday, March 21st, Mr. Jas. A. Clarke passed away in St. Joseph's Hospital in Guelph where he had been for some time, suffering from cancer. He was born in England and resided at Caledon for several years before coming to Markdale. He is survived by his widow, one son and one daughter.

## WARBLE FLY CAMPAIGN

Most satisfactory progress in the organizing of the Grey County farmers against the Warble Fly has been made in the past two weeks. At time of writing the following townships are organized and many of the cattle have already been treated:—Sydenham, Artemesia, St. Vincent, North Keppel, South Keppel, Derby, Holland, Sullivan and Proton. Two supervisors have been appointed in each of the school sections of the townships named.

This coming week meetings will be held at Rocklyn, Ravenna, Holstein, Kemble and Aytton. The remaining townships of Osprey, Bentinck and Glenelg will have meetings held at Faversham, Lamash and Glenelg Centre the following week.

Many school sections have at this early date completed the treatment of their cattle for the first time. It will not be too late to treat until the 10th of April, for the first time. Owing to the size of the county it has been impossible for Agricultural Representative T. Stewart Cooper to hold meetings earlier. The roads have also delayed matters. At all meetings a few other matters of vital importance are dealt with, in addition to the warble fly.

The celebration on May 24th will be one of the first events in the village to receive the backing of the new organization. The chairman of the various sections will be glad to have suggestions and to receive notices and each asks for support and co-operation in the advancement of community welfare.

## HOLLAND CENTRE HONORS COUPLE

Mr. and Mrs. Wm. Holley Celebrate Anniversary

Judging from their outstanding characteristics of kindness, warm friendliness, charity and good will, which illuminate their whole personalities, fifty years of marital companionship has been a beautiful privilege and experience for Mr. and Mrs. Wm. Holley of Holland Centre whose home was enfeoffed on the afternoon and evening of March 19th for the celebration of their Golden Wedding. They were surrounded by their children and grandchildren and welcomed the handclasp of many devoted friends, as well as receiving numerous messages by mail.

The fiftieth anniversary of their marriage was celebrated by Mr. and Mrs. Wm. Holley of Holland Centre into the singularly happy nature of the event. The outstanding feature of the afternoon was when Raymond Hampton sang "When You and I Were Young, Maggie," and Wesley Troughton, on behalf of the citizens of the village, presented Mr. and Mrs. Holley with a purse and address, after which Mrs. Price and Raymond Hampton sang "When You and I Were Young, Maggie," and everyone joined in singing "For They Are Jolly Good Fellows."

Gifts were also received from the members of their immediate family and relatives accompanied by the heart-felt wishes that they be spared for many more years of health and happiness.

Three of Mr. and Mrs. Holley's children, Mrs. Jas. Kennick of Holland Centre and Raymond Henson of Toronto, were present to enter into the joyous anniversary. Two sons, Howard and Ira, in the West were unable to attend.

Tea was served during the afternoon and a charming table in the dining-room, centred with a three-story wedding cake, flanked with tall gold tapers and yellow tulips and daffodils in silver vases. A wedding ball with gold and white streamers completed the bridal effect. Mrs. G. Hampton poured tea, assisted by Mrs. Jacob Holley, and the assistants in serving were Mrs. Jas. Kennick, Mrs. Bert Holley and Mrs. Tess Givens. Miss Mary Kennick, a granddaughter, looked after the door.

Following is the address from the citizens which was signed by Wesley Troughton and Raymond Henson:

Dear Mr. and Mrs. Holley: We, your friends and neighbors, have called to extend to you our heartfelt congratulations and best wishes on this, your Golden Wedding Day. During the many years you have spent in this neighborhood you have in various ways served your day and generation and won respect and appreciation.

We are gratified to know you are still enjoying a goodly measure of health and strength and wish that many more years of happy wedded life may be yours. It is with the greatest pleasure we ask you to accept this gift as a token of our esteem and good wishes.

Following the presentation, a sumptuous dinner was served to the family and relatives. The remainder of the evening was spent in old time music.
