Born 75 years ago on lot 12, con. 9,
of Glenelg, eldest son of the late

knew all the hardships of the early
settler days. His whole life, with
few exceptions, was spent on the
home farm.

He was of a quiet, unassuming
nature, kindly and genial in dispo-
sition, always ready to do a good
turn and lend a helping hand. He
made many friends through life
and was highly esteemed.

After his parents' death, being
unmarried, he continued to live on
the homestead with his brother
Myles and his family and "Uncle
Ed." will be sorely missed by them.

He is survived by his brother
Myles on the homestead, Frank of
Kindersley, Sask.; Mrs. John Lacey

ONE MOMENT'S NEGLIGENCE
BRINGS LIFELONG REGRET!

SCARRED for life! Perhaps blinded!
How memory must haunt some
guilty driver's mind! And the records
show that there were thousands of
guilty drivers in Ontario last year.

This message is not for the habitually
reckless, callous motorist. His license
can be cancelled—and will be! This
appeal is to the usually thoughtful
driver who takes a chance only now
and then. Death and injury to 8,280
men, women and children on Ontario
highways in one year clearly indicate
that now and then is too often!

This tide of needless bereavement and
suffering must be turned! You, the de-
cent, law-abiding, self-respecting citi-
zen can help.

Will you not do your share? Will you
not drive carefully, safely... always?*
