## LIBERALS ELECTED IN FOUR OF FIVE RIDINGS CONSERVATIVES LOST TWO SEATS IN MONDAY'S VOTING

Four followers of Liberal Leader Right Hon. Macenzie King, as against one Conservative, were chosen to sit in the House of Commons in Monday's by-elections involving five Ontario Federal ridings.

Thomas L. Church, K.C., former mayor of Toronto, was the lone Conservative returned, and the majority in his riding, Toronto East, was greatly reduced.

W. H. Mills has a majority of nearly 3000 in West Elgin. Colin Campbell won in Frontenac-Addington by about 2500. In Kenora-Rainy River Hugh McKinnon was victorious with a majority of 5000, and in North York Col. W. P. Mulock had a majority of over 3000.

The Liberals have gained North York, where T. Herbert Lennox was the former member and Frontenac-Addington, formerly represented by Dr. Wm. Spanble. West Elgin was

Hon. M. F. Heppburn's riding and Hon. Peter Heenan represented Kenora-Rainy River. Toronto East has always been a Conservative stronghold.

A general election will be held within the next year and if the voting on Monday is an indication of what will happen there is not much chance of the Bennett Government being sustained in power. In Grey-Bruce Miss Agnes C. Macphail, the present member for South-East Grey, has been nominated by the U. I. F. O. Labor organization and the Liberals will hold a convention in the near future to select a candidate. Dr. Hall of Walkerton is the present member representing that portion of Grey-Bruce in the latter county. The Conservatives have made no move regarding the selection of a candidate to date but it is likely they will get busy soon.

### Basketball Games

On Friday last the Girls' and Boys' Basketball teams of Flesher-ton High School were defeated by the local High School squads after some rather strenuous playing.

The teams were not always successful in finding the baskets as their scoring average indicates, but their enthusiasm points to rapid improvement before the return game.

The games were well attended by local fans and others who will soon become ardent followers of the sport.

The scores: Flesher-ton girls, 1; Markdale girls, 20; Flesher-ton boys, 4; Markdale boys, 32.

### DURHAM LOST TO KIMBERLEY TEAM

In a semi-final game of the Centre Grey Baseball League series played here on Thursday afternoon last Kimberley won from Durham by a score of 3 to 0. They had each won a game in the series and it was expected this one would be close but Kimberley had the advantage all the way through.

Durham went to bat first and went out in one, two, three. Alton Smith pitched a good game for the victors and was given splendid support by his team mates. For Durham McLean made a good showing in the box but his support at times was not encouraging.

In their first inning Kimberley got three runs and a good game coming in on Earl Dillon's three-bagger which he tried to stretch to a homer and went out at the plate. In the seventh Dillon put one over the left field fence for a four-bagger and sent a runner in ahead.

Kimberley was the better team and deserved to win. They meet Collingwood in the finals.

Loughheed and Dillon of Thornbury handled the game.

### Henry Williams

On Saturday afternoon at his late residence he passed away one of the oldest pioneers of Glenelg Township, Mr. Henry Williams. Born on the 7th of June, 1856, on the farm on which he died he was in his 79th year. He was the fourth son of J. R. and Mrs. Christopher Williams, who settled here in 1850. In January, 1889, he married Miss Agnes Jack of Glenelg, who survives.

Possibly to the men of Mr. Williams' generation more than to their fathers, must be given the credit for the laborious pioneer work of clearing the land. Mr. Williams himself did most of the work which transformed his farm from the primeval wilderness to the present well-fenced, well-cultivated farm with its up-to-date buildings. He had a natural aptitude for tools, and could do well many tasks other farmers would have to take to a blacksmith shop or foundry.

Although for forty years a victim of asthma, Mr. Williams had always time for the kindly word and neighborly deed. In any cause which he thought benefitted the community he worked zealously. As school trustee he rendered splendid service to the section. He was a regular attendant of Zion church for many years.

The funeral on Monday afternoon was attended by a large number of friends and relatives. Rev. Mr. Halbert conducted short services at the house, the church and the grave. The pallbearers were his three sons, William, Victor and George, Jack Mortley, John Cushnie, W. R. Jack, Thomas Collier, and Harry Williams. The flower bearers were four grandchildren, Alvin Mortley, Jack, Margaret and Jean Williams, and Mrs. Geo. Williams and two children of New Toronto, Mrs. Lehigh and Mr. and Mrs. Cushnie of Toronto, Mrs. Jones of Richmond Hill, Mr. and Mrs. Albert Williams and Mr. Newton of Hamilton.—Durham Chronicle.

### NEW ENGLAND W. I.

The August meeting of New England Women's Institute was held at the home of Mrs. Matt Devitt. A good attendance of the members were present, also some visitors and children. The President was in the chair and disposed of the usual routine business, after which a program of music and readings was given, also reports of the County Convention. The ladies accepted the invitation to visit with Vandeleur branch at the home of Mrs. Frank Davis on the afternoon of Sept. 19th at which Miss A. C. Macphail, M.P. was the guest speaker. Lunch was served by Mrs. Breadner and Mrs. Devitt. The next meeting will be held at the home of Mrs. Dunn Lee.

### PAVEMENT WILL BE MADE FULL WIDTH

The King Paving Co. commenced work on the second half of the full-width pavement on Highway No. 10 last week, having secured the contract from the Department of Highways to complete the job. One outfit is at present working between Flesher-ton and Markdale and splendid progress is being made. A second gang has commenced south of Dundalk and will work this way. When the strip on this end has been completed both gangs will be used between Dundalk and Flesher-ton. We believe the Department acted wisely when the decision was made to complete the work this fall. When finished the Highway will have been completed from Toronto to Markdale. From here to Chatsworth there is a splendid gravel roadbed which is kept in first class condition.

### Mrs. Angus McLaughlin

Following a lengthy illness Mrs. Angus McLaughlin of London passed away in the hospital here early Thursday morning. She was a daughter of the late Mr. and Mrs. Nell Morrison of Walters Falls. After her marriage they resided in Holland and later in Markdale. About eleven years ago they moved to Windsor and later to London.

The remains were brought here by C.P.R. and the funeral took place on Friday at Markdale Cemetery. Rev. T. O. Miller had charge of the service in Cooke's Presbyterian Church and at the graveside. The pallbearers were Messrs. H. H. Denison, Geo. McLaughlin, Clifford McLaughlin, Earl Mustard, Lou Mustard and Mel Hovey. Many relatives and sympathizing friends were present for the funeral.

Surviving are the bereaved husband and three sons, namely: Oliver, Lloyd and Donald. Two brothers, George and John Morrison of Walters Falls, also survive.

### Miss Kate McGrade

Miss Kate McGrade, a former resident of Glenelg township, passed away recently in Hamilton following a lengthy illness. She had been in failing health since the death of her sister, Miss Mary A. McGrade, a little over two years ago. Some years ago she was stricken with cancer and had been a semi-invalid since. About three years ago the malady recurred. She survived an operation but finally passed away.

In early life she was favored with unusual good health and she was able to assist in the rearing of her younger orphan brothers and sisters. She was an outstanding horsewoman.

Her kindly disposition endeared her to many friends in Hamilton, particularly the sick and suffering in whom she was always interested. Her life was spent in service for others and she leaves a host of friends to mourn her passing.

The funeral took place from St. Patrick's Church in Hamilton where Requiem Mass was celebrated. Interment was made in Holy Sepulchre Cemetery.

She is survived by four sisters and two brothers.

### Liberal Convention

The convention to select a Liberal candidate for the Federal riding of Grey-Bruce will be held in Durham town hall on Tuesday next, Oct. 2.

There are several persons who are being mentioned as contestants for the nomination, including Dr. Hall, L. L. Semke, John Mills, D. T. Wright and W. E. Harris.

### Sewell - Hill

On Wednesday, Sept. 26th, at the United Church parsonage by Rev. H. S. Warren, Eveline Mary, the eldest daughter of Mr. and Mrs. Robert Hill of Euphrasia, to Laurie Wilbert Sewell, youngest son of Mr. and Mrs. Henry Sewell of Artemesia. The bride wore a blue satin dress with shoes to match and carried a bouquet of yellow mums.

After the ceremony the happy couple left for a motor trip to Guelph, Toronto and Niagara Falls. For travelling the bride wore a blue swaggar suit, hat, gloves and shoes to match. On their return they will take up residence on the groom's farm.

### WALTERS FALLS FAIR BIG SUCCESS

An excellent crowd attended the Walters Falls Fair this week and saw an unusually fine group of exhibits which were well filled in all classes.

As usual, the horse show was the greatest attraction and officials of the fair expressed the opinion that the horses were extra good this year. We were assured by H. V. Wales, Secretary of the fair, that Walters Falls would keep its reputation for paying all prizes in full this year. Thibaudeau and T. H. Wilson were prize winners with their horses.

## MRS. JOHN BUSSEY LEADS IN DRIVE AS BIG VOTES NEAR END

### Just Eight Working Days Are Left For Workers To Secure Maximum Votes on Subscriptions

### NEXT STANDING ON MONDAY, OCT. 1

### Big Vote Period of Drive Closes on October 6th—Long Term Subscriptions Count Big in This Period

Mrs. John Bussey of Markdale leads the race in the first published relative standing in the race. Close on her heels are several other workers who will make a real bid for the top of the race before the next standing of candidates is posted on Monday noon, October 1st. From the standing appearing above it is evident that there are a goodly number of hustling candidates who are out to "win that Chevrolet." And aside from the fact that the leaders in the drive are closely grouped, there are several "dark horses" among those whose names appear further down the list who will bear watching as the race progresses.

There is not a single candidate listed above who hasn't a good chance to win the Capital Award, and, if we're any judge of candidates, there is going to be a real battle before the prizes are finally awarded on October 27th.

If YOU haven't started as well as you had hoped and your name doesn't appear at the top of today's standing, don't let that discourage you. Don't forget that more than four full weeks remain to bridge the gap between your present position and the top of the list. And your opportunity is just exactly as good as you make it!

### Community Interest Grows

An interesting development of the past few days is the community interest that is beginning to make itself felt in the race. People throughout the trade territory are evidencing keen interest in the drive and are watching eagerly for each standing of workers to see where their "favorites" stand. The "wise" campaigner will make the best possible showing in each standing shown.

### Big Vote Period Near End

Time is getting mighty short now to get the maximum number of votes on subscriptions. In fact, just eight working days remain to get first period credits. After Saturday night, October 6th the first period of the campaign will be closed and the BIG VOTES will be over and forgotten. Just study the vote schedule and see for yourself what a great difference there will be in the voting power of subscriptions after the first period of the campaign ends!

### Long Term Subscriptions Count Big

Long term subscriptions count big during this period. Only seven ten-year subscriptions, for example, earn in excess of one million votes. Other "extra term" subscriptions also mean added votes. And don't forget that you have an opportunity to earn more votes by securing "second paid" subscriptions.

### Climax of Drive Nears

Subscribers are urged to give their subscriptions to their favorite workers during the next eight days. That is the most important period of the campaign and every subscription earns more now than later. The climax of the drive will come only a few short days from to-day—Saturday night, October 6th!

Go it now and WIN!!!
