Markdale Farmers' Co-Operative

## CREAM!

The Creamery and the Farmer must work hand in hand to obtain everything possible out of the product produced by the farmer.

We are doing our share by paying the Highest Market Prices and by giving the farmer 'Service', which cannot be improved, the year round.

We ask the farmer to help our creamery keep up the above practice by giving us his full patronage. "Ours is the proper market for your Cream, Eggs and Poultry."

### IN MEMORIAM

SHAW—In loving memory of our dear husband and father, Charles Gordon, who passed away four years ago, Sept. 28th, 1930.

A silent thought, a silent tear  
Keeps our memory ever dear.  
Time takes away the edge of grief,  
But memory turns back every leaf.  
Sadly missed by wife and children.
