As the final day of The Markdale Standard's big prize campaign approaches, and the close of the second vote period is but two days away, speculation is rife as to whom will finally be returned winner of that Chevrolet Coach.

Not less than six workers appear to have a chance of winning the coveted award as the advertising period of the campaign draws to a close this Saturday night. The time set for the close of the period is eleven o'clock but the time will be extended up to midnight upon the request of any candidate.

With the close of the second period this Saturday night the opportunity for candidates to sell advertising trade cards for credit in the drive. And, by the same token, the schedule of credits on subscriptions takes its final drop of the campaign. After Saturday night all subscriptions will earn less votes and no "second paid" subscription credit will be allowed.

From reports made thus far this week, it is already evident that this will indeed be the "banner week" of the entire campaign. Leading workers have redoubled their efforts to pile up votes and before all reports are accounted for on this Saturday night it seems a foregone conclusion that more votes will be earned than heretofore in the campaign.

Personal Pride a Factor
Personal pride has become an important factor in the race during the past few days. Several candidates have expressed their determination to win "that automobile" at all adds while still others have said that to lose at this point would be a real disappointment to their friends who have supported them so loyally up to this time. In any event, it appears that a real battle looms for first position in the race and we are possessed of any ability to foresee results it is going to be a mighty close finish. Unlike the custom in affairs of this kind where one or two ambitious workers leave the entire field "trailing in the dust" apparently there are no less than six workers who could, if the proper effort were applied, be returned winner of the Chevrolet coach.

Frankly, in that respect, this campaign has been unique in the experience of its manager.

Real Test Just Ahead
Who will take the fullest advantage of the advertising period? Some candidate will undoubtedly pull away from the field during this week's work. But who will it be?

Too Bad It Can't Be Done
A Minnesota editor moralizes thusly: "If we could all switch businesses all the way round for just one week we'd be a lot more sympathetic to the other fellow's problems and know a lot more than we do at present about the cause of his shortcomings and of his apparent failures. Let the banker sell prunes, the grocer pull teeth, the dentist run a garage, the editor run the bank—that's the biggest jump of any of them—for just six little work days and we'd all have our eyes so wide open to what others are up against that we would never have the courage to criticize, nor would be unsympathetic again. Then if the whole caboodle

of us were to move on various farms and operate them for another six days per each, we'd all be so wise and understanding that the peace and harmony prevailing would make this little old community just about the best place in the world to live. It can't be done, of course, but we could take the thought to ourselves that we don't know anything about the other man's job, and concede that in for all we know, he is handling it for good shape.

MARKDALE LOCAL NEWS

David Jackson
Mr. David Jackson, an esteemed resident of Holland Township, died at his home near Chatsworth on Saturday, October 13th, at the age of 72 years. He had been in delicate health for the past few weeks but the end came suddenly with an attack of the heart.

Born near Berkeley, where he lived until he married Jennie Gillespie, Mr. Jackson then moved to the Chatsworth district where he and his wife made many close friends. Four sons and five daughters were born to them, all of whom survive him, including his widow. The family are: Mrs. Nelson Harrison of Gravenhurst; Mrs. Howard Macomb and Mrs. Robert Anderson of Saskatoon; Mrs. Harold Pearce of Chatsworth and Mrs. Cecil Menary of Shelburne; the sons are Bert and Howard of Buffalo; Chester and William of Chatsworth. Mr. Jackson is also survived by a brother, Albert, of Toronto and a brother, William, of this village.

The funeral took place on Tuesday at the family residence near Chatsworth. Interment to be in Markdale Cemetery.

The pallbearers were his four sons and two sons-in-law and the flowerbearers were his grandchildren.

HENRY IS RETIRED AND BIRNIE HIRED

The announcement was made on Tuesday of the retirement of Mr. W. D. Henry, K.C., as Crown Attorney for Grey County, and on Wednesday Mr. J. P. P. Birnie, K.C., of Owen Sound was officially notified of his appointment.

Mr. Birnie has practiced in Owen Sound for several years and is well known throughout the county.

Mr. Henry received the appointment a couple of years ago and only this year he disposed of his house here, moving to Owen Sound where he purchased a residence. His plans for the future have not been made known but it is likely he will re-enter private practice.

Geo. A. Morrison

Mr. Geo. A. Morrison, con. 11, Holland, passed away on Wednesday, October 17th, following a brief illness. He was 78 years of age and is survived by his wife and a young family. The funeral takes place to Markdale cemetery Friday afternoon. A sister, Mrs. Angus McLaughlin, passed away at London a few weeks ago.

Tennis

The biggest tennis season that Markdale has witnessed for a generation is almost at an end and the 62 club members have reason to be grateful to the Tennis Committee and others for the energy and pep they put into their "job of building our two new courts. Every favorable day found both courts occupied and a line-up waiting their turn. Many keen rivalries, not to say feuds, developed during the season and although the Club Tournament which was completed last Saturday established an official ranking it is far from being accepted as final by the unsuccessful contestants, most of whom have satisfactory alibis for their downfall. The four to reach the semi-finals of the Tournament were Bert Hamilton and Tuck Berry in one bracket and Walter Plewes and Dick Lucas in the other. In the final Dick Lucas defeated Tuck. It is regretted that a ladies tournament was not arranged as there are some very smart players amongst the girls. Some of the juniors are showing talent and with some coaching by the seniors should develop a good brand of tennis.

By way of squaring off an exceptionally successful and enjoyable season the club is discussing a Tennis dance to take place possibly on Halloween but full particulars will be published in a later issue of The Standard.

Osprey Political Pot

Municipal politics in Osprey are commencing to boil already. Reeve W. L. Taylor has announced his intention of retiring from the municipal ring since he has been Warden of the County of Grey. It is rumored that Mr. John Stephen of Maxwell will be in the ring for the Reeve-ship. He has been a councillor for the past several years. As there has been an increase in the number of qualified voters in the Township a Deputy-Reeve will be elected this year and it is expected that Mr. A. Hutchinson, a member of the present Council, will contest the election for that seat. This will leave a vacancy of one seat in the Council, as with a Deputy-Reeve there are only three seats. As election time draws near no doubt there will be other candidates for the offices announced.—Advance.

No More Paving on No. 10

There will be no more paving on Highway No. 10 this season. A deputa-tion from the district relative to paving the highway from Dundalk to Flesherton full width received a negative answer. Of the ten-mile stretch from Dundalk to Flesherton, slightly over six miles has only a ten-foot strip. The King Paving Company will finish its contract and enjoy the services.

Wilmot Breadner

The sudden passing of Mr. Wilmot Breadner of Goring, which occurred Tuesday morning, Oct. 16th, at Markdale hospital came as a tremendous shock to his sorrowing wife and family and to the community in which he was very highly respected.

Mr. Breadner took ill on Thursday and on Sunday was brought to the hospital here, where little could be done for him. He was 36 years of age.

The late Mr. Breadner was a son of the late John Breadner of Meaford, whose death occurred just four weeks ago. He was born and brought up on the farm adjoining his own. Eleven years ago he married Miss Irene Crosskill of Meaford district, who has three little daughters and a son two years of age survives. Also surviving are his mother, Mrs. John Breadner of Meaford, and three brothers, Harry, Ross and Lorne, all in the vicinity of Goring.

Mr. Breadner was an active member of Temple Hill United Church. He was active also in the Goring Orange Lodge and had many friends throughout the district.

The funeral took place on Thursday afternoon from his late home. Interment in Meaford cemetery.

COUNTY PLOWMEN ARE IN THE MONEY

Grey County was represented at the Provincial Plowing Match held last week on Mary Vale Farms, by the following boys: Arnold Shaw, R. R. 2, Tara, Derby township; Jack Coulter, R. R. 3, Owen Sound, Derby township; Alex. Reid, Woodford, Srdenham township; Elmer Minke, Sullivan township, was spare.

In competition with fourteen other counties the Grey boys stood 7th, Arnold Shaw winning the fifteen-cent prize.

Accompanying these boys as coaches were Messrs. Vernon Barber of R. R. 4, Owen Sound; Peter McCallum, R. R. 4, Owen Sound; Harry Brown, Tara, and James Reid, Woodford.

The boys did well and Grey County certainly appreciates their efforts.

Fell Off Truck and Broke His Leg

Stewart Foster of Rock Mills received a broken leg when he fell from a travelling motor truck on Friday night of last week. He was taken to Markdale hospital where the injury was dressed. The accident occurred on the highway just west of Priceville, while he was on his way home from Neustadt where he was employed by Mr. G. E. Henry on road work in that village. When the truck, owned and driven by Mr. Frank Taylor, turned the curve leading down the hill just west of Priceville, Stewart, who was riding on the back of the truck with Mr. Ed. THE SOUTH GREY TEACHERS HELD CONVENTION LAST WEEK

Mr. Geo. Brown of Hanover Elected President of the Association

The 57th annual convention of the Teachers of South Grey was held in the Markdale Public School, Thursday and Friday of last week, with a large percentage of territorial teachers present. It proved to be one of the most successful ever held in the county.

A very sincere welcome was extended to all by the President, Mr. W. J. Messenger, Principal of the local school. In his splendid address on "The Teacher's relationship to the section" he stressed the great opportunity which is theirs in moulding the ideals of the people. A teacher should take an active part in all uplifting enterprises, throughout the district, the influence and interest created, being the greater, when an attitude of permanency is established, so we were told. Only through an intimate relationship with the home life of the pupils, can a teacher fully understand their problems. The speaker so inspired his listeners, that their aims and ambitions must necessarily be higher and more altruistic.

Rev. T. O. Miller of Cooke's Presbyterian Church, gave an inspiring and helpful devotional message. The report of the O.E.A. was given by Mr. O. C. Collins, of Ayrton.

Miss M. B. Sharpe of Durham spoke on "First Impressions of the first day as teacher" emphasizing that children teach us many valuable lessons of life.

The Principal of the Durham school, Mr. J. A. Graham, gave a most helpful talk on the topic "Spelling—why it is bad and how to improve it". A very interesting subject dealt with by Miss Irene Klages was "The hot lunch, its management and advantages" which brings the school and home into closer relationship. To schools serving these lunches during the cold months, the government gives a \$25 grant.

Mr. Mervyn Reuber gave a demonstration of "Causal Analysis" which made clear several important points.

During the afternoon Mr. G. S. Newell of Meaford gave a musical demonstration. He was accompanied by pupils of Bognor school section No. 9, who rendered selections without music. Mr. S. A. Morrison, in his opinion that music is the key subject, whereby the interest, tone and morale of the grade is raised.

Miss A. Macphail, M.P., paid a short visit to the convention and spoke a few words regarding the influence of the W.M.S. of Annesley Church provided a sumptuous banquet the first evening. This was followed by a program of much variety, presided over by Mr. Messenger. Reeve J. C. Mercer extended a welcome on behalf of the village. Brief remarks were given by Miss Macphail, Mr. H. Corbett and Mr. D. W. Ballard, the past and present presidents of the Trustees and Ratepayers Association, Mr. G. A. Beaton, chairman of the High School Board, Mr. W. Howard, chairman of the Public School Board, Mr. Sinclair, M.P., and Mr. P. McNab, Principal of the local High School.

The address of the evening was given by Mr. G. E. Pentland, newly appointed inspector for South Grey. In his opening remarks Mr. Pentland told of his great pleasure in returning to the scenes of his youth. Bringing a message of idealism, the speaker, begged that the teachers in his inspectorate would instill more deeply into the minds of their pupils the paramount importance of striving towards greater goals. He asked what outstanding results we produced from our \$13,000,000 spent annually for education—results which turn the eyes of the world upon Canada or Ontario. He told that never before such fine opportunities lay before our teachers. Believing an epoch of change is nearing its close, Mr. Pentland stated that a new era of thought and achievement is on the horizon and the boys and girls of to-day will help to bring it into realization. Mr. J. A. Graham was called upon for a few words and

the classrooms of the school were bright with decorations and exhibits of unusual merit. Clifford Armstrong, aged 13, was present to answer questions about his splendid exhibit of aeroplanes, all of which he made unaided. Miss Ruth Dingwall had a splendid exhibit of junior over-the-handwork articles which were attractive to make at summer schools. A health house was most original and is now on display in the window at the Agricultural office in town. The scrap books and art work were the objects of much admiration. The Provincial Inspector, Norman Davies, was lavish in his praise over the agricultural note books.

Dinner was served on Thursday by the Anglican church ladies and on Friday by the ladies of Cooke's Church.

It was the ardent belief of all present presidents of the Convention that the present year will bring finer results, throughout the district for the meeting having been in session.

The principal and staff of the Markdale Public School wish to heartily thank all those who so enthusiastically co-operated with them in making the Convention of the teachers of South Grey here, one of the most successful in recent years.

We would particularly mention the ladies who so hospitably opened their homes to accommodate the visiting teachers; all those who in any way assisted at Thursday evening's banquet, and at the dinner on Thursday and Friday, to the Public School Board and the caretaker who had the school in such splendid shape for the convention and to the pupils, who, along with their exhibits of art, writing, agriculture, health, sewing, scrap books, etc. helped in many other ways to make the teachers' visit to Markdale a pleasant and profitable one.

We might say that about one hundred and twenty-five teachers left on Friday afternoon with the kindest expressions of appreciation for the citizens of Markdale.
